PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

The Board of Directors of Ryan s Family Steak Houses, Inc. is furnishing this Proxy Statement in connection with the solicitation of proxies to be voted at the Annual Meeting of Shareholders to be held at 11:00 a.m. on Wednesday, May 5, 2004, at the Greenville/Spartanburg Airport Marriott, Greenville, South Carolina. The approximate mailing date of this Proxy Statement is March 22, 2004.

Shareholders of record at the close of business on March 3, 2004, are entitled to notice of and to vote at the Annual Meeting. On that date, 42,226,000 shares of Ryan s Common Stock, \$1.00 par value per share, were outstanding. Holders of Common Stock are entitled to one vote for each share held of record on March 3, 2004, on all matters properly presented at the Annual Meeting or any adjournment.

If you give a proxy, you may revoke it at any time before it is exercised by:

submitting a written notice of revocation (dated later than the proxy card) to the Secretary to one of the above addresses at or before the Annual Meeting;

submitting another proxy that is properly signed and dated later than the prior proxy; or

voting in person at the meeting (although attendance at the Annual Meeting will not in and of itself revoke a proxy).

Unless you revoke your proxy by following the above instructions, your proxy will be voted as you specify. If you do not specify how to vote your shares, all shares represented by a proxy that is received by Ryan s transfer agent will be voted FOR the proposal to elect as directors of Ryan s the nominees named in this Proxy Statement, FOR the proposal to amend Ryan s Articles of Incorporation to change Ryan s name to Ryan s Restaurant Group, Inc., FOR the proposal to ratify the appointment of KPMG LLP as independent auditors for Ryan s for the current fiscal year, and in the best judgment of the proxy holders on any other matter that may properly come before the Annual Meeting and any and all adjournments and on matters incident to the conduct of the meeting.

An automated system administered by Ryan s transfer agent tabulates the votes. Ryan s bylaws require the presence, either in person or by proxy, of the holders of a majority of the outstanding shares of Common Stock at March 3, 2004, to constitute a quorum at the Annual Meeting. Abstentions and broker non-votes are each included in determining the number of shares present and able to vote. Each is tabulated separately. In connection with the election of directors and the proposal to ratify the appointment of KPMG LLP as independent auditors, abstentions and broker non-votes are not counted. In connection with the proposal to amend Ryan s Articles of Incorporation to change Ryan s name to Ryan s Restaurant Group, Inc., abstentions and broker non-votes will be counted as votes against the proposal.

Directors will be elected by a plurality of votes cast at the Annual Meeting. Shareholders do not have a right to cumulate their votes for directors. Approval of the proposal to amend Ryan s Articles of Incorporation to change Ryan s name to Ryan s Restaurant Group, Inc. will require the affirmative vote of holders of two-thirds of the

outstanding shares of Common Stock on March 3, 2004. Ratification of the appointment of KPMG LLP as independent auditors will require the affirmative vote of holders of a majority of the shares voting on the issue at the Annual Meeting.

Director Nominations

Ryan's nominating committee has a written charter, which is available on Ryan's website at www.ryansinc.com. All of the members of Ryan's nominating committee are independent within the meaning of Nasdaq listing standards.

The nominating committee will consider director nominees recommended by shareholders. A shareholder who wishes to recommend a person or persons for consideration as a nominee for election to the Board of Directors must send a written notice by mail, c/o Janet J. Gleitz, Secretary, Ryan's Family Steak Houses, Inc., Post Office Box 100, Greer, South Carolina 29652 that sets forth (i) the name of each person whom the shareholder recommends be considered as a nominee; (ii) a business address and telephone number for each nominee (an e-mail address may also be included) and (iii) biographical information regarding such person, including the person's employment and other relevant experience. Shareholder recommendations will be considered only if received no later than the 120th calendar day before the first anniversary of the date of Ryan's proxy statement in connection with the previous year's annual meeting (no later than November 15, 2004 with respect to recommendations for nominees to be considered at the 2005 Annual Meeting of Shareholders).

Ryan's nominating committee believes that a nominee recommended for a position on Ryan's Board of Directors must meet the following minimum qualifications:

he or she must be over 21 years of age;

he or she must have experience in a position with a high degree of responsibility in a business or other organization;

he or she must be able to read and understand basic financial statements;

he or she must possess integrity and have high moral character;

he or she must be willing to apply sound, independent business judgment; and

he or she must have sufficient time to devote to Ryan's.

The nominating committee identifies potential nominees for director, other than potential nominees who are current directors standing for reelection, through business and other contacts. The nominating committee may in the

future choose to retain a professional search firm to identify potential nominees for director. In addition, the nominating committee will consider potential nominees who are recommended by shareholders.

Ryan's nominating committee evaluates a potential nominee by considering whether the potential nominee meets the minimum qualifications described above, as well as by considering the following factors:

whether the potential nominee has leadership, strategic, or policy setting experience in a complex organization, including any scientific, governmental, educational, or other non-profit organization;

whether the potential nominee has experience and expertise that is relevant to Ryan's business, including any specialized business experience, technical expertise, or other specialized skills, and whether the potential nominee has knowledge regarding issues affecting Ryan's;

whether the potential nominee is highly accomplished in his or her respective field;

whether the potential nominee has high ethical character and a reputation for honesty, integrity, and sound business judgment;

whether the potential nominee is independent, as defined by Nasdaq listing standards, whether he or she is free of any conflict of interest or the appearance of any conflict of interest with the best interests of Ryan's and its shareholders, and whether he or she is willing and able to represent the interests of all shareholders of Ryan's; and

any factor affecting the ability or willingness of the potential nominee to devote sufficient time to Board activities and to enhance his or her understanding of Ryan's business.

In addition, with respect to an incumbent director whom the nominating committee is considering as a potential nominee for re-election, Ryan's nominating committee reviews and considers the incumbent director's service to Ryan's during his or her term, including the number of meetings attended, level of participation, and overall contribution to Ryan's. The manner in which the nominating committee evaluates a potential nominee will not differ based on whether the potential nominee is recommended by a shareholder of Ryan's.

Each of the nominees for director at the 2004 Annual Meeting of Shareholders is a current director standing for re-election.

Ryan's did not pay any fee to any third party to identify or evaluate or assist in identifying or evaluating potential nominees for director at the 2004 Annual Meeting of Shareholders. Ryan's independent directors did not receive, by December 1, 2003 (the 120th calendar day before the first anniversary of the date of Ryan's 2003 proxy statement), any recommended nominee from a shareholder who beneficially owns more than 5% of Ryan's stock or from a group of shareholders who beneficially own, in the aggregate, more than 5% of Ryan's stock.

Communications Between Shareholders and Board of Directors

The Board provides a process for shareholders to send communications to the Board or any of the Directors. Shareholders may send written communications to the Board or any one or more of the individual Directors to Janet J. Gleitz, Ryan's Secretary, by mail (c/o Janet J. Gleitz, Secretary, Ryan's Family Steak Houses, Inc., Post Office Box 100, Greer, South Carolina 29652) or by e-mail (jgleitz@ryansinc.com). All written communications will be compiled by Ryan's Secretary and promptly submitted to the individual Directors being addressed or to the Board (to the attention of Barry L. Edwards, the Chairman of the Audit Committee, for communications relating to financial statements, accounting matters or internal controls, or to the attention of Brian S. MacKenzie, the Lead Director, for communications relating to all other matters). Alternatively, shareholders may e-mail communications to the Board. E-mail communications relating to financial statements, accounting matters or internal controls should be addressed to Barry L. Edwards at barryedwards@srpc.com. E-mail communications relating to all other matters should be addressed to Brian S. MacKenzie at mackenzieb@worldnet.att.net.

Board Member Attendance at Annual Meetings

It is Ryan's policy that all of Ryan's directors and nominees for election as directors at the Annual Meeting attend the Annual Meeting except in cases of extraordinary circumstances. All of the nominees for election at the 2003 Annual Meeting of Shareholders (who constituted all directors) attended the 2003 Annual Meeting of Shareholders,

and Ryan's expects all nominees and directors to attend the 2004 Annual Meeting of Shareholders.

Code of Ethics

Ryan's has adopted a Code of Financial Ethics that applies to Ryan's Chief Executive Officer, all other executive officers, and all key financial and accounting personnel. In addition, Ryan's has a Code of Conduct that applies to corporate

office and store management personnel. The Code of Financial Ethics and Code of Conduct are posted on Ryan's website at www.ryansinc.com. Ryan expects to revise its Code of Conduct prior to the Annual Meeting to conform it to the requirements of the new NASD corporate governance rules, and will promptly post such revisions on its website.

Directors who are also officers received no payments for attending Board or committee meetings.

In accordance with the 2002 Stock Option Plan, on October 31, 2003, Ryan's granted options for 5,000 shares of Common Stock to each of Messrs. Edwards, Shoemaker, Roberts, Cockman, and MacKenzie. The options had an exercise price of \$13.94 per share (the per share market value on the date of grant), were exercisable beginning six months after the grant date and expire on October 31, 2013.

Vote Required To Elect Directors

Directors will be elected by a plurality of votes cast at the Annual Meeting. Shareholders do not have a right to cumulate their votes for directors. Abstentions and broker non-votes are not counted in determining the votes cast for directors.

The Board of Directors unanimously recommends a vote FOR the election of each nominee listed in this Proxy Statement.

In 1996, Ryan's implemented a policy to encourage executive officers to own more of Ryan's Common Stock, which would more closely align the personal financial interests of executive officers with shareholders' interests. The policy provides that, over 13 years, the value of an executive officer's Common Stock ownership should increase so that by the end of 2008 the value of an individual's stock holdings of Ryan's Common Stock equals 100% of his or her base salary. If an executive officer does not meet the target ownership value in a year, up to one-half of any bonus payable to that officer for that year will be paid in Ryan's Common Stock.

Below is a summary of the backgrounds of Ryan's executive officers who are not also directors of Ryan's.

Alan E. Shaw	22,500	3.1%	12.67	10/22/2013	97,200	16.99
James R. Hart	15,000	2.1%	12.67	10/22/2013	64,800	16.99

- (1) For each Named Executive Officer, 7,875 of these options became exercisable on January 1, 2004, and the remainder (32,125 for Mr. Way, 17,125 for Mr. McCranie, 12,125 for Mr. Grant, 14,625 for Mr. Shaw and 7,125 for Mr. Hart) became exercisable on October 22, 2003.
- (2) In accordance with SEC rules, the dollar amounts under this column were calculated using the Black-Scholes based option valuation model. Use of this model should not be construed as an endorsement of its accuracy at valuing options. All stock option models require a prediction about the future movement of stock price. The valuation assumes an expected volatility of 0.22, a 0% dividend yield, a 7-year holding term prior to exercise, and a risk-free rate of return of 3.92%, reflecting the yield on a zero coupon U.S. Treasury security for the holding term prior to exercise of the option. No adjustment was made for non-transferability or risk of forfeiture. The actual value of the options, if any, will depend on the extent, if any, to which the market value of the Common Stock exceeds the exercise price of the option on the date of exercise.
- (3) In order to obtain the Grant Date Present Value shown, the market price of the Common Stock would need to be \$16.99 in present value terms.

The following table shows option exercises, the unexercised options held as of the end of fiscal 2003 and the value of unexercised options for each Named Executive Officer.

(2) Exercisable options include 7,875 options for each Named Executive Officer that became exercisable on January 1, 2004.

(3) The value of unexercised in-the-money options for each officer was calculated as follows: (a) the product of the market price of the Common Stock as of December 31, 2003, and the number of shares covered by the in-the-money options held by such officer, minus (b) the product of the exercise price with respect to such options and the number of shares covered by such options.

Deferred Compensation - Salary Continuation Agreement

Ryan's is party to a Deferred Compensation - Salary Continuation Agreement with Mr. Way. The agreement provides for cash payments of \$60,000 per year for each of the 20 years following Mr. Way's retirement, death or total disability, with retirement age set at 55. These benefits began vesting 10% per annum in 1987 and are now fully vested. The total deferred compensation liability as of December 31, 2003 relating to this agreement was \$475,601. An aggregate of \$104,375, of which \$74,677 is attributed to a change in the assumed discount rate from 8.0% to 6.6%, of deferred compensation was accrued under this agreement for the benefit of Mr. Way during fiscal 2003. Ryan's is the owner and beneficiary of a life insurance policy on the life of Mr. Way. Ryan's expects that the benefits under this arrangement will be funded through a combination of general corporate funds and the cash surrender value of the insurance policy.

Executive Employment Agreements

In February 2001, each of Messrs. Way, McCranie, Grant and Hart (each an Executive) entered into an Employment, Noncompetition and Severance Agreement with Ryan's Family Steak Houses, Inc. (by transfer from Ryan's Family Steak Houses TLC, Inc.) Each agreement specified a base annual salary for the officer, subject to annual review by Ryan's Board of Directors. In addition to annual salary, each agreement provides for participation in Ryan's TLC's Executive Bonus Plan, discretionary stock option grants and other executive-level benefits.

Each agreement contains an evergreen term provision so that, until an Executive is 60 years old, the term of the agreement runs for the next two-year period. Either Ryan's or the Executive may cause the term to become fixed to a two-year term from the date of notice. At age 60, the term converts to a five-year period, with the agreement expiring at age 65.

The agreement also contains noncompetition provisions. Each Executive is prohibited from hiring current and certain former Ryan's employees and from working for a competing restaurant business for a period of two years following termination of employment at Ryan's.

Each Executive is also eligible for severance payments resulting from certain termination circumstances. Severance payments, when applicable, will be based on the sum of Executive's most recent annual salary and the average of the most recent three years of bonus payments (this sum is referred to as Annual Compensation). If an Executive is terminated by Ryan's for reasons other than cause (or for cause after a change of control, as defined in the agreement), the severance payment will be equal to one times Annual Compensation or, for termination without cause after a change of control, two times Annual Compensation. Cause includes material criminal fraud, material dereliction of duties, intentional material damage to Ryan's property or business, commission of a material felony or repeated failure to carry out the Board's or the CEO's reasonable directions. Following a change of control, an involuntary termination by the Executive results in a severance payment equal to two times Annual Compensation, while a voluntary termination by the Executive after a change of control results in a severance payment equal to one times Annual Compensation. Involuntary termination is defined as a termination by the Executive following a change of control due to a change in the Executive's position, authority, status or duties, change in the agreement's terms (including the

rolling two-year termination date), reduction in compensation or benefits, forced relocation outside the Greenville, South Carolina metropolitan area or significant increase in travel requirements. In addition, termination by the Executive due to a material breach of the agreement by Ryan s (after notice and a cure period) results in a severance payment equal to two times Annual Compensation. All other termination circumstances do not result in any severance payment.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires Ryan's directors, executive officers, and greater-than-10% shareholders to file reports with the SEC and Nasdaq on changes in their beneficial ownership of Ryan's Common Stock and to provide Ryan's with copies of the reports. Based on review of these reports and of certifications furnished to Ryan's, Ryan's believes that for all of these reporting persons there were no filings for which late-filing disclosure is required.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee (the Committee) of the Board of Directors periodically submits to the Board recommendations respecting the salary, bonus and other compensation to be provided to Ryan's executive officers and grants options for shares of Ryan's Common Stock to Ryan's executive officers and employees. The Committee is composed entirely of independent directors, as defined by Nasdaq listing standards, who have no interlocking relationships, as defined by the SEC. The Committee provides the following report.

Executive Officer Compensation

The Committee attempts to act on the shareholders' behalf in establishing executive compensation programs, for our shareholders ultimately bear the cost of these programs. Ryan's adopts and administers its executive compensation policies and specific executive compensation programs in accordance with that objective. The Committee annually reviews Ryan's corporate performance and that of its executive officers to determine appropriate compensation. The Committee seeks to achieve a balance between our need to attract and retain qualified and motivated executives, on the one hand, and maximizing our operating performance, on the other.

The Committee's executive compensation philosophy is to set compensation levels in its discretion that provide for compensation opportunities that reflect company and individual performances. Ryan's current executive compensation structure consists of base salary, incentive cash bonuses and stock options.

Over the years, the Committee has attempted to set executive officer cash compensation amounts at levels somewhat lower than levels that the Committee believes prevail within the restaurant industry, and has complemented these cash amounts with significant stock option grants.

The Committee adjusted the salaries for all executive officers except Mr. Way in 2003 based upon the recommendations of Mr. Way. Mr. Way considered factors that were generally subjective, such as his perception of individual performance and the level of individual responsibility. Mr. Way recommended increases in the base salaries of executive officers ranging from 4% to 6%. The Committee determined that these increases were appropriate to compensate executive officers for the increased level of responsibility associated with the increase in Ryan's size.

The Committee generally grants stock options on an annual basis at an exercise price equal to the stock market price at the time of grant. The grants provide Ryan's executive officers and key employees with an equity ownership opportunity in Ryan's and with incentives to maximize shareholder value. The Committee can grant stock options at its discretion and is not required to award grants within any given 12-month period. In October 2003, the Committee made an option grant to each executive officer shown in the table titled "Option Grants in Last Fiscal Year." In determining the size of any stock option grant, the Committee considered the following qualitative factors: the Committee's perception of Ryan's overall performance; the individual's performance; the potential effect that the individual's future performance may have on Ryan's; and the number of options previously granted to the individual. The Committee gave each of these factors approximately equal weight.

During 2003, the Committee continued an Executive Bonus Plan to provide additional incentives to its executive officers. Pursuant to the Executive Bonus Plan, each year the Committee establishes a percentage of each participating executive's annual base salary, ranging from 12% to 40%, as a starting bonus amount. Each participant's starting bonus amount is subject to adjustment upwards or downwards based on a point scale with three

categories for points: (1) Ryan's same-store sales growth, (2) Ryan's earnings per share growth and (3) the participant's attainment of pre-determined departmental and personal objectives. In 2003, the Committee established a total point maximum of 284 with the following weights among the three categories: 56% for same-store growth, 28% for earnings per share growth and 16% for departmental and personal goals. The Committee also establishes minimum thresholds for points awards. For 2003, if there was no increase in same-store sales or if earnings per share did not increase by at least 10%, no points were awarded for that particular category.

Once the points have been determined, the starting bonus amount is multiplied by the points, expressed as a percentage (e.g., 100 points equals 100%), and the product is the final bonus amount. Because the total point maximum for 2003 was 284, the maximum bonus amount was 284% of the starting bonus amount for each participant.

For 2003, all participants in the Executive Bonus Plan received 32 points for same-store sales growth (which were up 0.1% from the prior year) and no points for earnings per share growth (which were up 2.9% from the prior year). When combined with the performance of departmental and personal objectives, bonus payouts for these executive officers were 27% of their maximum bonus amounts.

The Omnibus Budget Reconciliation Act of 1993 denies publicly traded companies the ability to deduct for federal income tax purposes certain compensation paid (including income on certain exercised stock option grants) to top executive officers in excess of \$1 million per person. The Committee intends to administer Ryan's executive compensation programs in such a way that anticipated compensation to executive officers will be fully deductible under the Internal Revenue Code, including submitting plans for shareholder approval where necessary and determining compensation on an objective basis where necessary.

Chief Executive Officer Compensation

Mr. Way joined Ryan's in 1979, has served as its President and Chief Executive Officer since 1989, and became Chairman of the Board in 1992. In setting Mr. Way's compensation, the Committee tends to set a relatively low base salary for an individual with Mr. Way's responsibilities and emphasize stock option grants as a component of his overall compensation package. The Committee believes that this approach to Mr. Way's compensation has resulted in an appropriate alignment of his long-term rewards from Ryan's with the interests of shareholders.

During 2003, the Committee adjusted Mr. Way's base salary upward by approximately 6%. In making this adjustment, the Committee considered subjective factors including the perception of the Committee as to Mr. Way's overall performance and objective factors such as the increase in Ryan's earnings per share, operating margins, and return on equity. Each of these factors was given approximately equal weight. In addition, Mr. Way received a bonus of \$129,200 pursuant to the Executive Bonus Plan described above.

In addition, in October 2003, the Committee granted Mr. Way options with respect to 40,000 shares of Common Stock. In determining the size of this grant, the Committee considered the following qualitative factors: the Committee's perception of Ryan's overall performance; Mr. Way's performance; the potential effect of his future performance on Ryan's; and the number of options previously granted to him. Each of these factors was given approximately equal weight. At fiscal 2003 year-end, the value of Mr. Way's outstanding exercisable in-the-money stock options was \$2,044,200 as compared to \$1,570,500 at the end of 2002, a increase of 30.2%. The Committee believes that the stock options provide Mr. Way with appropriate incentives to promote long-term shareholder value.

The Audit Committee is comprised of three non-employee directors, all of whom are independent as defined in Rule 4200(a)(15) of the National Association of Securities Dealers' listing standards.

In carrying out its responsibilities, the Audit Committee has:

Reviewed and discussed the audited financial statements for the year ended December 31, 2003, with Ryan's management and the independent auditors at the January 2004 Audit Committee meeting;

Received from the independent auditors the matters required to be discussed by the Statement on Auditing Standard No. 61, *Communication with Audit Committees* and reviewed and discussed such matters with the independent auditors;

Received from the independent auditors written disclosures regarding auditor independence and the letter required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, and discussed with the auditors their independence from Ryan's and its management;

Reviewed the selection, application and disclosure of critical accounting policies.

In addition, the chair of the Audit Committee reviewed the financial statements for the first, second and third quarters of 2003 and discussed these statements with the independent auditors.

Based on the review and discussions described above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in Ryan's Annual Report on Form 10-K for the year ended December 31, 2003, for filing with the SEC.

All members of the Audit Committee concur in this report.

**APPROVAL OF AMENDMENT TO ARTICLES OF INCORPORATION
TO EFFECT NAME CHANGE
(Item #2 on the Proxy)**

Ryan's (for purposes of this Item 2, the Company) seeks shareholder approval to amend its articles of incorporation to change its name from Ryan's Family Steak Houses, Inc. to Ryan's Restaurant Group, Inc. The primary reasons for the proposed name change are to better clarify the Company's identity and to reflect the fact that the Company has evolved into a more diverse restaurant enterprise than it was originally.

The Company's business since 1978 has primarily been owning and operating (and, to a limited extent, franchising) Ryan's Family Steakhouse restaurants (for purposes of this Item 2, Ryan's). In recent years, however, the Company's business concept has expanded to include an increasing number of Fire Mountain restaurants. Currently, substantially all new Company-owned restaurants are opening under the Fire Mountain name, and a number of Ryan's restaurants are being converted to the Fire Mountain name. The Company's business plan includes operating restaurants under both the Ryan's name and the Fire Mountain name. Accordingly, the Company believes that a new name will help clarify the Company's corporate identity as an owner and operator of multiple restaurant brands and better reflect its business plan, including its branding strategy.

Vote Required

This name change requires that the Company's Articles of Incorporation be amended. Approval of the proposal to amend the Articles of Incorporation to change the Company's name to Ryan's Restaurant Group, Inc., will require the affirmative vote of the holders of two-thirds of the outstanding shares of the Company's Common Stock on March 3, 2004. Abstentions and broker non-votes will be treated as votes against the proposal.

The Board of Directors unanimously recommends a vote FOR the proposal to amend the Company's Articles of Incorporation to change the Company's name to Ryan's Restaurant Group, Inc.

**RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS
(Item #3 on the Proxy)**

The Board has appointed KPMG LLP, independent certified public accountants, as auditors for Ryan's for the current fiscal year and to examine and report to shareholders on the financial statements as of and for the year ending December 29, 2004, and has requested that shareholders ratify the appointment. Representatives of KPMG LLP will be present at the Annual Meeting. They will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions that the shareholders may have. KPMG LLP has acted for Ryan's in this capacity since 1981, and neither the firm nor any of its members has any relation with Ryan's except in the firm's capacity as auditors.

Fees Paid to Independent Auditors

The following table lists all fees that were either paid to or expected to be billed by KPMG LLP, Ryan's independent auditors, for services performed in 2003 and 2002:

	<u>2003</u>	<u>2002</u>
Audit fees	\$86,500	77,600
Audit-related fees	8,400	7,975
Tax fees		
All other fees		
	_____	_____
Total fees	\$94,900	85,575

Audit fees include billings for the annual audit of Ryan's consolidated financial statements, quarterly reviews and the review of all related SEC filings. Audit-related fees consist of billings for the annual audit of Ryan's

401(k) plan. There were no tax or other fees billed by KPMG LLP during the years presented. All audit and audit-related services were pre-approved by the Audit Committee. The Audit Committee has not adopted pre-approval policies and procedures pursuant to Rule 2-01(c)(7)(i) of Regulation S-X.

The Audit Committee has considered whether the provision of these services is compatible with maintaining KPMG LLP's independence.

Vote Required

Ratification of the appointment of KPMG LLP as independent auditors will require that, of the shares present at the Annual Meeting in person or by proxy and voting on the matter, there be more positive votes than negative votes. Abstentions and broker non-votes will not be counted.

The Board of Directors unanimously recommends a vote FOR the ratification of KPMG LLP as independent auditors.

SOLICITATION OF PROXIES

Ryan's will pay for soliciting proxies. Officers and other regular employees of Ryan's may solicit proxies by telephone, e-mail, telegram or personal interview for no additional compensation. Ryan's has engaged W. F. Doring & Company to solicit proxies and distribute materials to brokerage houses, banks, custodians, nominees and fiduciaries for a fee of approximately \$10,000. Ryan's will reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding solicitation materials to shareholders.

PROPOSALS OF SHAREHOLDERS

Any shareholder who wishes to present a proposal at the 2005 Annual Meeting of Shareholders and have his or her proposal included in the proxy statement and proxy card relating to that meeting must deliver such proposal to Ryan's no later than November 15, 2004. With respect to a shareholder proposal for the 2005 Annual Meeting of Shareholders that is not intended to be included in the proxy materials relating to the meeting, the proposal must be received by Ryan's at least forty-five (45) days prior to the shareholders meeting at which the proposal is to be presented. After that date, the proposal will not be considered timely. Shareholders may send their proposals to Ryan's, Attention: Janet J. Gleitz, Post Office Box 100, Greer, South Carolina 29652.

Gleitz, Secretary. Requests can also be made through Ryan's website at www.ryansinc.com.

By Order of the Board of Directors,

Janet J. Gleitz
Secretary
