will be voted at the meeting and any adjournment or postponement thereof as directed by the shareholder executing the Proxy unless it is revoked. If no directions are given on the Proxy with respect to any matter, the shares represented by the Proxy will be voted as to that matter as the Board of Directors recommends. The Board of Directors recommends a vote for the below listed director nominees, for the approval of the appointment of Ernst & Young LLP to serve as independent auditors of the Company in 2004, and against the "Maximize Value Resolution." Any shareholder giving a Proxy has the power to revoke it at any time before it is voted by the execution of another Proxy bearing a later date or by written notification to the Secretary of the Company. Shareholders who are present at the Annual Meeting may revoke their Proxy and vote in person if they so desire.

Only shareholders of record of Class B Common Stock of the Company as of the close of business on March 3, 2004 (the "Record Date") will be entitled to vote at the Annual Meeting. A majority of the issued and outstanding shares of Class B Common Stock entitled to vote at the Annual Meeting will constitute a quorum for the transaction of business at such meeting. This Proxy Statement and the accompanying Proxy are being first mailed to Class B Common Stock shareholders on or about March 24, 2004.

PROPOSAL 1 -- ELECTION OF DIRECTORS

NOMINEES AND VOTING

The By-Laws of the Company provide that the shareholders shall fix the number of Directors constituting the full Board at not less than seven nor more than twelve, and the shareholders entitled to vote shall elect the Directors at each Annual Meeting. If, at the time of the Annual Meeting, any of the

nominees should be unable to serve, the persons named in the Proxy will vote for substitute nominees selected by the Board of Directors. The Company has no reason to believe that any of the nominees will not be available for election as a Director.

STANDING COMMITTEES AND ATTENDANCE AT BOARD AND COMMITTEE MEETINGS

The Board of Directors has three standing committees. The Executive Committee consists of Jesse C. Crawford as Chairman, and Grover L. Davis, Larry L. Prince, and E. Jenner Wood, III as members. The Audit Committee consists of Charles Flather as Chairman, and J. Hicks Lanier, Larry L. Prince and John A. Williams as members. The Nominating/Corporate Governance/Compensation Committee consists of J. Hicks Lanier as Chairman, and E. Jenner Wood, III, Linda K. Crawford and Charles Flather as members. Mr. Flather and Ms. Crawford will be retiring from the Board and their respective Committees effective April 27, 2004. It is anticipated that Mr. Johnson, if elected, will succeed Mr. Flather as Chairman of the Audit Committee.

The Executive Committee may exercise all the authority of the Board of Directors between its meetings with respect to all matters not specifically reserved by law to the Board of Directors. The Executive Committee held four meetings during 2003.

The Audit Committee appoints or discharges the Company's independent auditors, reviews with the independent auditors the audit plan and results of the audit engagement, reviews the scope and results of the Company's internal auditing procedures and the adequacy of its accounting controls, approves professional services provided by the independent auditors, reviews the independence of the independent auditors, and approves the independent auditor's audit and non-audit fees. The Committee has adopted a written charter, approved by the Board of Directors, a copy of which is attached as Appendix A to this Proxy Statement and which is located on the Company's web site at www.crawfordandcompany.com. The Audit Committee held four meetings during 2003.

The Nominating/Corporate Governance/Compensation Committee actively reviews and selects director nominees for the Board, advises and makes recommendations to the Board on all matters concerning corporate governance and directorship practices and formulates and approves salaries, grants of stock options and other compensation to the Chairman of the Board and, upon recommendation by the Chairman of the Board, salaries, grants of stock options and other compensation for all other Officers of the Company. The Board of Directors has determined that all members of the Nominating/Corporate Governance/Compensation Committee are independent pursuant to the NYSE Listing Rules. The Nominating/Corporate Governance/Compensation Committee has adopted a written charter, approved by the Board of Directors, a copy of which is located on the Company's web site at www.crawfordandcompany.com. This Committee had no meetings in 2003.

The Senior Compensation and Stock Option Committee, which was eliminated on February 3, 2004 and its functions subsumed by the Nominating/Corporate Governance/Compensation Committee, formulated and approved salaries, grants of stock options and other compensation for the Chairman of the Board and upon recommendation by the Chairman of the Board, salaries, grants of stock options and other compensation for all other Officers of the Company. The Senior Compensation and Stock Option Committee held three meetings during 2003.

During 2003, the Board of Directors held five meetings. Each of the Company's Directors attended at least seventy-five percent (75%) of the aggregate number of meetings of the Board of Directors and committees thereof of which such Director was a member, with the exception of John A. Williams.

COMPENSATION

During 2003 each director of the Company received a quarterly fee of \$5,000, and \$1,000 for each Board of Directors and Committee meeting attended. In addition, the Chairman of each Committee received a fee of \$5,000 per

Edgar Filing: CRAWFORD & CO - Form DEF 14A

quarter. Pursuant to the terms of the 1997 Non-Employee Director Stock Option Plan, each non-employee director elected at the 2003 Annual Meeting received an option for 3,000 shares of the Company's Class A Common Stock at a price of \$4.25 per share, the fair market value of the Class A Common Stock on

3

that date. Under the same Plan, Mr. Ridley received an option for 15,000 shares of the Company's Class A Common Stock at a price of \$6.66 per share, the fair market value of the Class A Common Stock on February 3, 2004, the date he was elected as a Director. The options are non-transferable; are exercisable at any time after grant; and lapse on the date the holder is no longer a Director, if that occurs on or before the fifth anniversary of the grant date, or otherwise on the tenth anniversary of the grant date.

COMMUNICATIONS WITH THE BOARD, BOARD ATTENDANCE AT ANNUAL MEETINGS, SHAREHOLDER NOMINEES

Individuals may communicate with the Board by sending a letter to Board of Directors, Crawford & Company, P. O. Box 1261, Tucker, Georgia 30085-1261. Your letter will be shared with all members of the Board and may, at the discretion of the Board, be shared with Company management, unless your letter requests otherwise. Communications that are specifically intended for non-management directors should be addressed to "Presiding Director," Board of Directors, Crawford & Company at this same address. Your letter will be shared with all non-management Directors but may, at the discretion of the non-management Directors, be shared with management Directors, or the management of the Company, unless your letter requests otherwise.

The Company encourages all Directors to attend the Company's Annual Meeting and facilitates the scheduling of the Annual Meeting to accommodate all Directors. The Company also holds a full Board meeting the same day as the Annual Meeting to further encourage all Directors to attend the Annual Meeting. At the last Annual Meeting all but two Directors attended.

Any Shareholder, who is the continuous record owner of at least one percent (1%) of the Common Stock of the Company for at least one year prior to the submission of the candidate and who provides a written statement that they intend to continue ownership of the shares through the Annual Meeting of Shareholders, may submit a nomination for Director. The candidate must meet the qualifications stated in the Company's By-laws and the submission must be made to the Nominating/Corporate Governance/Compensation Committee at P. O. Box 1261, Tucker, Georgia 30085, no more than 180 days and no less than 120 days prior to the anniversary date of the Proxy Statement. The Nominating/Corporate Governance/Compensation Committee will review all candidates submitted by Shareholders for consideration as nominees pursuant to its general practices and the guidelines stated in its charter before submitting any nominee to the full Board of Directors for consideration.

SHAREHOLDER VOTE

Each share of Class B Common Stock is entitled to cast an affirmative vote for up to eight (8) Director nominees. Cumulative voting is not permitted. The eight nominees for Director who receive the highest number of votes cast, in person or by proxy, at the Annual Meeting will be elected Directors. Negative votes or abstentions, including broker non-votes, will not be counted.

The Company encourages shareholders who hold shares through a brokerage account to provide instruction to their brokerage firm by voting their proxy. Providing voting instructions ensures that shares will be voted at the meeting. If shares are held through a brokerage account, the brokerage firm under certain circumstances, may vote the shares without instructions. On certain "routine"

Edgar Filing: CRAWFORD & CO - Form DEF 14A

matters, such as the election of directors, brokerage firms have authority under NYSE rules to vote their customers' shares if the customers do not provide voting instructions. When a brokerage firm votes its customers' shares on a routine matter without receiving voting instructions, these shares are counted both for establishing a quorum to conduct business at the meeting and in determining the number of shares voted for or against the routine matter.

On "non-routine" matters, if the brokerage firm has not received voting instructions from the shareholder, the brokerage firm cannot vote the shares on that proposal, which is considered a "broker non-vote." Broker non-votes will be counted for purposes of establishing a quorum to conduct business at the meeting but not for determining the number of shares voted for or against the non-routine matter.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR ITS NOMINEES FOR DIRECTORS.

The Company maintains a non-contributory Retirement Plan for the benefit of substantially all of the U.S. employees of the Company. The Retirement Plan provides for annual retirement benefits at Normal Retirement Age (65) equal to 2% of the participant's total compensation (as defined in the Retirement Plan) for all credited years of service under the Plan. The benefits are not affected by Social Security benefits payable to the participant; however, they are actuarially reduced for retirements before the Normal Retirement Age or if the retiree selects benefits other than an individual life-time annuity. Credited years of service under the Retirement Plan for Messrs. Davis, Giblin, Rogers and Ms. Holland are 27, 14, 15, and 24 respectively. Mr. Bowman does not participate in the Retirement Plan in the United States. Effective December 31, 2002, accruals under the Retirement Plan were frozen. In place of the accruals under the now frozen Retirement Plan, the Company may make a discretionary contribution to the Defined Contribution Plan for eligible employees based on years of service and compensation.

Additionally, the Company maintains an unfunded Supplemental Executive Retirement Plan ("SERP") for certain Executive Officers to provide benefits that would otherwise be payable under the Retirement Plan and/or Defined Contribution Plan but for limitations placed on covered compensation and benefits under the Internal Revenue Code. Effective December 31, 2002, accruals under the SERP were also frozen as to the Retirement Plan. The SERP was amended to allow the Company, when it elects to make the discretionary contribution to the Defined Contribution Plan for eligible employees, to also make an additional SERP Service Contribution to the Deferred Compensation Plan for participants of the SERP. The amounts contributed in 2003 for the Named Executive Officers are reflected in the All Other Compensation column of the Summary Compensation Table and footnote 2 thereto.

REPORT OF THE SENIOR COMPENSATION AND STOCK OPTION
COMMITTEE OF THE BOARD OF DIRECTORS
ON EXECUTIVE COMPENSATION

The Company's executive compensation program is now administered by the Nominating/Corporate Governance/Compensation Committee of the Board of Directors as of February 3, 2004. Prior to that, and for all of 2003, the Senior Compensation and Stock Option Committee, (the "Committee") of the Board of Directors administered the Company's executive compensation program and this Committee was composed of the Directors whose names are listed below this report. The fundamental philosophy of the Committee is to ensure that the compensation programs of the Company will attract and retain key executives critical to its

long-term success through the establishment of a performance-oriented environment that rewards the achievement of strategic management goals, with the attendant enhancement of shareholder value.

There are three elements in the Company's executive compensation program, all related to individual and Company performance:

- Base Salary Compensation
- Annual Incentive Compensation
- Long-term Incentive Compensation

Edgar Filing: CRAWFORD & CO - Form DEF 14A

BASE SALARY COMPENSATION

The Company has established a comprehensive Wage and Salary Administration Policy applicable to the Company and its U.S. subsidiaries. This Policy includes a program for grading each position, including those of the U.S. Executive Officers of the Company, to ensure internal equity. Additionally, the Policy sets forth grade levels and salary ranges for those grade levels, and provides for annual merit increases tied to individual job performance as measured through annual performance reviews. Based on published national surveys, the Company annually establishes merit increase budgets as a percent of current salaries and any increases in salary ranges for the next fiscal year. Generally, the Company is at the midpoint of projected merit salary increases and salary range adjustments as reflected in the national surveys, with some adjustment up or down depending on prior year pre-tax earnings and revenues of the Company. Consistent with the overall merit increase percentage, the Company establishes guidelines for individual salary adjustments based on the individual's performance rating.

The Committee initially establishes and reevaluates the salary of the Chief Executive Officer on an annual basis. In re-evaluating the base salary for the Chief Executive Officer, the Committee looks primarily at the pre-tax earnings of the Company in the preceding fiscal year as compared to the prior fiscal year. The Committee also takes into account external circumstances which may have impacted that performance which were not within the control of the Company or its Executive Officers, the increases in the base salaries of other employees of the Company, and the Committee's assessment of the personal performance of the Chief Executive Officer during the preceding year. For the 2003 fiscal year, the Committee established the Chief Executive Officer's base salary at \$500,000 per annum.

ANNUAL INCENTIVE COMPENSATION

Under the Company's 1996 Incentive Compensation Plan, which covers all U.S. key employees of the Company (other than the Chief Executive Officer), at the beginning of each fiscal year the Committee establishes pre-tax earnings and revenue thresholds, as well as targeted pre-tax earnings. A bonus pool is created for sales and marketing key employees based principally on increases in revenues above the threshold amount, while the bonus pool for other participants is based primarily on growth in pre-tax earnings from the threshold amount up to the targeted pre-tax earnings. The bonus pool is allocated by the Chief Executive Officer to the business units and staff departments based on his assessment of performance of the business unit and staff participants, and to each individual participant by the business unit or staff manager based on the individual's personal performance and salary grade. The Chief Executive Officer establishes the bonuses for his direct reports.

The Committee sets the bonus for the Chief Executive Officer, based primarily on pre-tax earnings and the bonuses paid under the 1996 Incentive Compensation Plan, as a percentage of salary, to the other Executive Officers of the Company. Historically, the Chief Executive Officer's bonus, as a percentage of his base salary, has been higher than the average paid to the other Executive Officers, expressed as a percentage of their base salaries. The Chief Executive Officer elected not to distribute bonuses to any of the Company's Executive Officers for 2003 and the Committee did not award the Chief Executive Officer a bonus for 2003.

LONG-TERM INCENTIVE COMPENSATION

Edgar Filing: CRAWFORD & CO - Form DEF 14A

Under the Company's 1997 Key Employee Stock Option Plan, officers and other key employees of the Company are granted options by the Committee to purchase shares of the Company's Class A Common Stock. The exercise price for all options granted is set at the market price of the Company's Class A Common Stock on the date of the option grant and, to the extent permissible under the relevant provisions of the Internal Revenue Code, the options granted under the Plan are generally statutory "Incentive Stock Options." The Committee typically reviews and acts upon the recommendations of the Chief Executive Officer for the grant of options, on a discretionary basis, annually to the Company's other officers and key employees. The number of shares of the Company's Class A Common Stock covered by such options is generally based upon the grade level of the officer or other key employee's position, with adjustments for extraordinary performance, but without regard to the individual's stock ownership or the number of options previously granted. In 2003, as part of the annual grant, the Committee granted options to the Chief Executive Officer of 30,000 shares of the Company's Class A Common Stock.

PROPOSAL 2 -- RATIFICATION OF INDEPENDENT AUDITORS

Ernst & Young LLP has been selected by the Audit Committee of the Board of Directors to serve as independent auditors for the Company for the fiscal year 2004. Although the selection and appointment of independent auditors is not required to be submitted to a vote of shareholders, the Board of Directors has decided, as in the past, to ask the Company's shareholders to ratify this appointment. Despite the selection of Ernst & Young LLP as the Company's independent auditors and the ratification by the shareholders of that selection, the Audit Committee has the power at any time to select another auditor for 2004, without further shareholder action. A representative of Ernst & Young LLP will be present at the meeting and will be given an opportunity to make a statement, if he or she desires, and to respond to questions. In addition, a report of the Audit Committee in connection with the independence of the auditors, as well as other matters, follows the Board's recommendation on this matter below.

FEES PAID TO ERNST & YOUNG LLP

In addition to performing the audit of the Company's consolidated financial statements, Ernst & Young LLP provides some other permitted services to the Company and its foreign and domestic subsidiaries.

14

Ernst & Young LLP has advised the Company that it has billed or will bill the Company the below indicated amounts for the following categories of services for the year ended December 31, 2003:

	2003	2002
	-----	-----
Audit fees.....	\$709,500	\$597,400
Audit related fees(1).....	54,500	41,000
Tax fees(2).....	189,900	173,600
All Other Fees.....	--	--
	-----	-----
Total.....	\$953,900	\$812,000

(1) Audit related fees include: employee benefit plan audits, accounting consultations, and internal control consultations related to Sarbanes-Oxley Section 404 compliance.

Edgar Filing: CRAWFORD & CO - Form DEF 14A

(2) Tax fees consist principally of professional services rendered by Ernst & Young for tax compliance and tax planning and advice.

Ernst & Young LLP advises it did not provide any services related to financial information systems design and implementation during 2003.

The Audit Committee reviews and pre-approves in addition to all audit services, all non-audit services provided by the independent auditor. On an ongoing basis, management communicates specific projects and categories of services to the Audit Committee on which advance approval is requested. The Audit Committee reviews these requests and votes by resolution its approval or rejection of such non-audit services after due deliberation.

SHAREHOLDER VOTE

The proposal to ratify the appointment of Ernst & Young LLP to serve as independent auditors for the year 2004 will be adopted if the number of votes cast in favor of ratification exceeds the number of votes cast against ratification. Votes cast against and abstentions on this matter will be counted as votes against the matter. Because this is a routine matter, broker non-votes will not change the number of votes cast for or against the matter. If the shareholders do not ratify the selection of Ernst & Young LLP, the selection of the independent auditors for 2004 will be determined by the Audit Committee of the Board of Directors.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE APPROVAL OF ERNST & YOUNG LLP AS THE COMPANY'S INDEPENDENT AUDITORS FOR 2004.

PROPOSAL 3 -- SHAREHOLDER PROPOSAL

William Steiner, 112 Abbottsford Gate, Piermont, N.Y., 10968, a shareholder of Crawford & Company owning 4,000 shares of Class B Common Stock, proposes the adoption of the following resolution, which is quoted verbatim below.

"MAXIMIZE VALUE RESOLUTION

Resolved that the shareholders of Crawford & Co. urge the Crawford & Co. Board of Directors to arrange for the prompt sale of Crawford & Co. to the highest bidder.

The purpose of the Maximize Value Resolution is to give all Crawford & Co. shareholders the opportunity to send a message to the Crawford & Co. Board that they support the prompt sale of Crawford & Co. to the highest bidder. I believe that a strong and or majority vote by the shareholders would indicate to the board the displeasure felt by the shareholders of the shareholder returns over many years and the drastic action that should be taken. Even if it is approved by the majority of the Crawford & Co. shares represented and entitled to vote at the annual meeting, the Maximize Value Resolution will not be binding on the Crawford &

15

Co. Board. The proponent however believes that if this resolution receives substantial support from the shareholders, the board may choose to carry out the request set forth in the resolution:

The prompt auction of Crawford & Co. should be accomplished by any appropriate process the board chooses to adopt including a sale to the highest bidder whether in cash, stock or a combination of both.

The proponent further believes that if the resolution is adopted, the

Edgar Filing: CRAWFORD & CO - Form DEF 14A

management and the board will interpret such adoption as a message from the company's stockholders that it is no longer acceptable for the board to continue with its current management plan and strategies.

I URGE YOUR SUPPORT, VOTE FOR THIS RESOLUTION"

SHAREHOLDER VOTE

Approval of the "Maximize Value Resolution" requires the affirmative vote of a majority of shares of the Company's stock present in person or represented by proxy and entitled to vote at the annual meeting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE AGAINST THE "MAXIMIZE VALUE RESOLUTION."

AUDIT COMMITTEE REPORT

In fulfilling its responsibilities to review the Company's financial reporting process, the Audit Committee (the "Committee") has reviewed and discussed with the Company's management and the independent auditors the audited financial statements to be contained in the Annual Report on Form 10-K, for the fiscal year ended December 31, 2003. Management is responsible for the financial statements and the reporting process, including the system of internal controls. Independent auditors are responsible for expressing an opinion on the conformity to those audited financial statements with accounting principles generally accepted in the United States.

The Committee discussed with the independent auditors the matters required to be discussed by Statement on Audit Standards No. 61, Communications with Audit Committee, as amended. In addition, the Committee has discussed with the independent auditors the auditors' independence from the Company and its management, including the matters in the written disclosure required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees. In determining the independence of the auditors, the Committee has considered, among other matters, whether the provision of services, other than those related to the audit of the Company's annual financial statements, is compatible with maintaining the auditors' independence.

The Committee discussed with the Company's internal and independent auditors the overall scope and plans for their respective audits. The Committee meets with the internal and independent auditors, with and without management present, to discuss the results of their examination, their evaluations of the Company's internal control, and the overall quality of the Company's financial reporting. The Committee held four meetings during fiscal year 2003.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2003 for filing with the Securities and Exchange Commission. The Audit Committee has selected Ernst & Young LLP as the Company's independent auditors for 2004, with this selection to be ratified by the shareholders.

OTHER MATTERS

The minutes of the Annual Meeting of Shareholders held on April 29, 2003 will be presented at the Annual Meeting, but it is not intended that action taken under the Proxy will constitute approval of the matters referred to in such minutes. EXPENSES OF SOLICITATION

The cost of solicitation of proxies will be borne by the Company. In an effort to have as large a representation at the Annual Meeting as possible, special solicitation of proxies may, in certain instances, be made personally, or by telephone, electronic mail or by mail by one or more employees of the Company. The Company may also reimburse brokers, banks, nominees or other fiduciaries for the reasonable clerical expenses of forwarding the proxy material to their principals, the beneficial owners of the Company's Class A or Class B Common Stock.
