INFORMATION STATEMENT**

This Information Statement is being mailed on or about November 10, 2005 to the shareholders of record of Sunair Electronics, Inc. at the close of business on November 2, 2005. This Information Statement is being sent to you for information purposes only. No action is required on your part.

**WE ARE NOT ASKING YOU FOR A PROXY  
AND YOU ARE REQUESTED NOT TO SEND US A PROXY**

This Information Statement is being furnished to our shareholders to notify you about the adoption of a resolution by the written consent of the holders of a majority of our outstanding shares of common stock. The resolution adopted by such holders gives us the authority to amend our Articles of Incorporation to change our name from Sunair Electronics, Inc. to Sunair Services Corporation. We will amend Article I of our Articles of Incorporation in its entirety to read as follows:

**ARTICLE I  
NAME**

The name of the corporation shall be SUNAIR SERVICES CORPORATION.

We are changing our name in order to more accurately reflect the current business activities of our company in its name. With our recent formation of the lawn and pest control services business and the acquisition of Middleton Pest Control, Inc., we no longer operate solely through our traditional high-frequency radio business. The Board of Directors believes that the new name better reflects the nature of our operations, which includes both the lawn and pest control services and high-frequency radio businesses, and will enable us to better implement our business plan. We believe the name change to Sunair Services Corporation further enhances our entry into the lawn and pest control services business and brands us and our subsidiary, Middleton Pest Control, Inc., as a premier provider of pest control and lawn care services. Our high-frequency radio business will continue to operate under the Sunair Communications, Inc. subsidiary. The name change will enable us to foster greater name recognition in the marketplace and allow us to take better advantage of the Sunair name in the marketing of the services provided by us. Accordingly, the Board of Directors has approved the amendment to our Articles of Incorporation to change our name to Sunair Services Corporation.

Our ticker symbol will remain the same, AMEX:SNR. The currently outstanding stock certificates evidencing shares of our common stock bearing the name Sunair Electronics, Inc. will continue to be valid and represent shares of our common stock following the name change. In the future, new certificates will be issued bearing our new name, but this will in no way effect the validity of your current stock certificates.

Pursuant to Rule 14c-2 under the Securities Exchange Act of 1934, as amended, the amendment to our Articles of Incorporation and the name change will become effective 20 calendar days after the mailing of this Information Statement to our shareholders, at which time we will file the amendment to our Articles of Incorporation with the Secretary of State of Florida. We anticipate that the actions contemplated herein will be effective on or about the close of business on November 30, 2005.

This Information Statement constitutes notice to our shareholders of corporate action taken by our shareholders without a meeting as required by the Florida Business Corporation Act.

We will pay the costs of preparing and sending out this Information Statement.
