GENERAL INFORMATION**

Why did I receive this proxy statement?

This proxy statement is furnished in connection with the solicitation of proxies on behalf of our Board of Directors (the Board) to be voted at the annual meeting of our stockholders to be held on May 12, 2006, and any adjournment thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. The meeting will be held at our headquarters, 4300 Wildwood Parkway, Atlanta, Georgia 30339, on Friday, May 12, 2006 at 2:00 p.m. Eastern Daylight Saving Time. This proxy statement and accompanying form of proxy are being first sent or given to our stockholders on or about April 14, 2006. Our annual report on Form 10-K for the year ended December 31, 2005 accompanies this proxy statement.

Who is soliciting my vote?

Our Board is soliciting your vote at the 2006 Annual Meeting of BlueLinx Stockholders.

Who is entitled to vote?

Only our stockholders of record at the close of business on March 24, 2006, the Record Date, are entitled to receive notice of the meeting, attend the meeting and to vote the shares of our common stock that they held on that date at the meeting, or any adjournment thereof. Each outstanding share that you own as of the Record Date entitles you to cast one vote on each matter to be voted upon.

Who can attend the meeting?

All stockholders of record as of the close of business on the Record Date, or their duly appointed proxies, may attend the meeting. Each stockholder may be asked to present valid picture identification, such as a driver's license or passport.

Please note that if you hold your shares in street name (that is, through a broker or other nominee), you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the Record Date. If you are a stockholder of record, your name will appear on our stockholder list.

What will I vote on?

Three items:

the election of ten directors to our Board;

the approval of the BlueLinx Holdings Inc. 2006 Long-Term Equity Incentive Plan; and

the ratification of Ernst & Young LLP as our independent registered public accounting firm for fiscal year 2006.

Will there be any other items of business on the agenda?

We do not expect any other items of business at the meeting. Nonetheless, if there is an unforeseen matter raised, your proxy will give discretionary authority to the persons named on the proxy to vote on any other matters that may be brought before the meeting. These persons will use their best judgment in voting your proxy.

How many votes must be present to conduct business at the meeting?

The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of our common stock outstanding on the Record Date will constitute a quorum, permitting business to be conducted at the meeting. As of the Record Date, we had 30,648,449 shares of common stock outstanding. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

Table of Contents

How do I vote?

If you complete and properly sign the accompanying proxy card and return it to us, it will be voted as you direct. If you are a registered stockholder and attend the meeting, you may deliver your completed proxy card in person.

Street name stockholders who wish to vote at the meeting will need to obtain a proxy form from the institution that holds their shares.

Can I change my vote after I return my proxy card?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised by filing either a notice of revocation or a duly executed proxy bearing a later date with our secretary, Barbara V. Tinsley, at our principal executive offices, 4300 Wildwood Parkway, Atlanta, Georgia 30339. The powers of the proxy holder(s) will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

What are the recommendations of our Board of Directors?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of our Board. Our Board recommends a vote **FOR** election of the nominated slate of directors, **FOR** the approval of the BlueLinx Holdings Inc. 2006 Long-Term Equity Incentive Plan, and **FOR** the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for fiscal year 2006.

What vote is required to approve each item?

Election of Directors. A nominee will be elected as a director if he receives a plurality of the votes cast at the meeting. Plurality means that the nominees receiving the largest number of votes cast are elected as directors up to the maximum number of directors to be chosen at the meeting. In other words, the ten director nominees receiving the most votes will be elected. Broker non-votes and marking your proxy card to withhold authority for all or some nominees will not be counted either for or against a director nominee.

Approval of the BlueLinx Holdings Inc. 2006 Long-Term Equity Incentive Plan. Under the rules of the New York Stock Exchange (the NYSE), the affirmative vote of the holders of a majority of the votes cast is required for approval of the BlueLinx Holdings Inc. 2006 Long-Term Equity Incentive Plan. The total number of votes cast on the proposal must represent more than 50% of all the shares entitled to vote. Abstentions will have the effect of a vote AGAINST the proposal. Broker non-votes will not be counted either for or against this proposal (except that broker non-votes will not count toward the 50% of all shares entitled to vote on the proposal that must be cast for the proposal to be approved in accordance with the rules of the NYSE).

Ratification of Independent Registered Public Accounting Firm. The affirmative vote of the holders of a majority of the votes cast is required to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for fiscal year 2006. Abstentions and broker non-votes will not be counted either for or against this proposal.

Are abstentions and broker non-votes part of the quorum?

Abstentions, broker non-votes and votes withheld for director nominees or the ratification of our independent registered public accounting firm count as shares present at the meeting for purposes of determining whether a quorum is present.

Abstentions and votes withheld for the approval of the BlueLinx Holdings Inc. 2006 Long-Term Equity Incentive Plan count as shares present at the meeting for purposes of determining whether a quorum is present but broker non-votes will not be counted as voted or as present with respect to this proposal.

Table of Contents

What if I don't vote for some or all of the matters listed on my proxy card?

If you are a registered stockholder and you return a signed proxy card without indicating your vote for some or all of the matters, your shares will be voted as follows for any matter you did not indicate a vote on:

FOR the director nominees to the Board listed on the proxy card;

FOR approval of the BlueLinx Holdings Inc. 2006 Long-Term Equity Incentive Plan; and

FOR the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for fiscal year 2006.

How will proxies be solicited?

Proxies will be solicited by mail. Proxies may also be solicited by our officers and regular employees personally or by telephone or facsimile, but such persons will not be specifically compensated for such services. Banks, brokers, nominees and other custodians and fiduciaries will be reimbursed for their reasonable out-of-pocket expenses in forwarding soliciting material to their principals, the beneficial owners of our common stock. We will pay the expense of preparing, assembling, printing, mailing and soliciting proxies.

Is there electronic access to the proxy materials and annual report?

Yes. This proxy statement and our annual report on Form 10-K are available on our web site, www.bluelinxco.com.

Who are our largest stockholders?

As of the date of this proxy statement, Cerberus ABP Investor LLC, an affiliate of Cerberus Capital Management, L.P., or Cerberus, owned 18,100,000 shares of our common stock, representing approximately 59% of the then outstanding shares of common stock of BlueLinx.

PROPOSAL 2:

APPROVAL OF THE BLUELINX HOLDINGS INC. 2006 LONG-TERM EQUITY INCENTIVE PLAN

General

The Board is seeking stockholder approval of the BlueLinx Holdings Inc. 2006 Long-Term Equity Incentive Plan (the Plan). The purpose of the Plan is to provide a means whereby employees and directors of the Company develop a sense of proprietorship and personal involvement in the development and financial success of the Company, and to encourage them to devote their best efforts to the business of the Company, thereby advancing the interests of the Company and its shareholders. A further purpose of the Plan is to provide a means through which the Company may attract able individuals to become employees or serve as directors of the Company and to align the interests of individuals who are responsible for the successful administration and management of the Company with those of our stockholders. Under the Plan, the Company may grant non-qualified stock options, incentive stock options (within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the Code)), stock appreciation rights (SARs), restricted stock, restricted stock units, performance shares, performance units, cash-based awards, and other stock-based awards. The following general summary of the Plan is not intended to be complete and is qualified in its entirety by reference to the Plan set forth in **Appendix A** to this proxy statement.

Summary of Plan

Administration. The Plan will be administered by the Compensation Committee of the Board of Directors (the Committee).

Subject to the express provisions of the Plan, the Committee will have the authority to select eligible persons to receive awards and determine all of the terms and conditions of each award. All awards will be evidenced by a written agreement containing such provisions not inconsistent with the Plan as the

Table of Contents

Committee shall approve. The Committee will also have authority to establish rules and regulations for administering the Plan and to decide questions of interpretation or application of any provision of the Plan.

Available Shares. Under the Plan, 1,700,000 shares of common stock will be available for awards, subject to adjustment in the event of any corporate event or transaction (including, but not limited to, a change in the shares of the Company or the capitalization of the Company) such as a merger, consolidation, reorganization, recapitalization, separation, partial or complete liquidation, stock dividend, stock split, reverse stock split, split up, spin-off, or other distribution of stock or property of the Company, combination of shares, exchange of shares, dividend in kind, or other like change in capital structure, number of outstanding shares or distribution (other than normal cash dividends) to shareholders of the Company, or any similar corporate event or transaction. Shares covered by an award shall be counted as used as of the date of grant. Under the Plan, any shares related to awards under the Plan which terminate by expiration, forfeiture, cancellation, or otherwise without the issuance of such shares, are settled in cash in lieu of shares, or are exchanged with the Committee's permission, prior to the issuance of shares, for awards not involving shares, shall be available again for grant under the Plan.

Eligibility. All of the Company's employees and directors are eligible to participate in the Plan. Pursuant to the terms of his employment agreement, Mr. Macadam will receive a minimum annual targeted bonus equivalent of \$750,000 in value payable in the form of restricted stock and/or stock options. Any and all awards to Mr. Macadam and the other executive officers will be formally approved by the Committee in the form of individual award agreements to each employee.

Change in Control. In the event of certain acquisitions of 30% or more of the common stock, certain changes in a majority of the Board, or the consummation of a reorganization, merger or consolidation or sale or disposition of all or substantially all of the assets of the Company (unless, among other conditions, the Company's stockholders receive 60% or more of the stock of the surviving company) or the liquidation or dissolution of the Company, all outstanding options and SARs will be exercisable in full, and the restricted stock and restricted stock units will become immediately vested and payable. The performance period applicable to performance shares and performance units shall lapse and the performance goals associated with such awards shall be deemed to have been met at their target level. Such awards shall vest on a pro rata basis based on the portion of the vesting period completed as of the change in control.

Effective Date, Termination and Amendment. If approved by stockholders, the Plan will become effective as of the date of such approval. The Plan will terminate ten years thereafter unless terminated earlier by the Board. The Committee may, at any time and from time to time, alter, amend, modify, suspend, or terminate the Plan and any award agreement in whole or in part; provided, however, that, without the prior approval of the Company's shareholders and except as provided in the Plan, options or SARs issued under the Plan will not be repriced, replaced, or regranted through cancellation, or by lowering the option price of a previously granted option or the grant price of a previously granted SAR, and no amendment of the Plan shall be made without shareholder approval if shareholder approval is required by law, regulation, or stock exchange rule.

Stock Options-General. The Committee will determine the conditions to the exercisability of each option. Upon exercise of an option, the purchase price may be paid in cash, by delivery of previously owned shares of common stock, by a cashless (broker-assisted) exercise or by any other method approved or accepted by the Committee.

Non-Qualified Stock Options and Incentive Stock Options. The period for the exercise of a non-qualified stock option or incentive stock option will be determined by the Committee. The exercise price of a non-qualified stock option or incentive stock option will not be less than the fair market value of the Common Stock on its date of grant. The Committee may impose restrictions on any shares acquired pursuant to the exercise of a non-qualified stock option or incentive stock option granted under the Plan.

Table of Contents

The award agreement shall set forth the extent to which the participant shall have the right to exercise the non-qualified stock option or incentive stock option in the event of participant's termination of employment or service. Such provisions will be determined by the Committee.

Stock Appreciation Rights. The period for the exercise of a SAR will be determined by the Committee. The base price of a SAR will not be less than 100% of the fair market value of the Common Stock on the date of grant. A SAR entitles the holder to receive upon exercise (subject to withholding taxes) shares of common stock (which may be restricted stock), cash or combination thereof with a value equal to the difference between the fair market value of the common stock on the exercise date and the base price of the SAR. The Committee may impose restrictions upon exercise of a SAR granted under the Plan.

The award agreement shall set forth the extent to which the participant shall have the right to exercise the SAR in the event of participant's termination of employment or service. Such provisions will be determined by the Committee.

Restricted Stock and Restricted Stock Units. The Plan provides for the grant of (i) restricted stock awards which may be subject to a restriction period, and (ii) restricted stock units which are similar to restricted stock except no shares are actually awarded. An award of restricted stock or restricted stock units may be subject to specified performance measures during the applicable restriction period. Shares of restricted stock will be freely transferable after all conditions and restrictions have been satisfied or lapse. The award agreement shall set forth the extent to which the participant shall have the right to retain restricted stock and/or restricted stock units in the event of participant's termination of employment or service. Such provisions will be determined by the Committee. Unless otherwise set forth in a restricted stock award agreement, the holder of a restricted stock award will have rights as a stockholder of the Company, including the right to vote and receive dividends with respect to the shares of restricted stock. A participant shall have no voting rights with respect to any restricted stock units granted under the Plan.

Performance Units and Performance Shares. The Plan also provides for the grant of performance units and performance share awards. Each performance unit and each performance share is a right, contingent upon the attainment of performance measures within a specified performance period. The Committee will determine the form of payout of cash or in shares (or in a combination thereof) equal to the value of earned performance units/performance shares at the close of the applicable performance period. The award agreement shall set forth the extent to which the participant shall have the right to retain the performance units and/or performance shares in the event of participant's termination of employment or service, as determined by the Committee. If the Committee desires to qualify performance-based awards under Section 162(m) of the Code, the performance goals will consist of any of the following:

- (a) Net earnings or net income (before or after taxes, depreciation or amortization);
- (b) Earnings per share;
- (c) Net sales or revenue growth;
- (d) Net operating profit;
- (e) Return measures (including, but not limited to, return on net assets, capital, working capital, equity, sales, or revenue);
- (f) Cash flow (including, but not limited to, operating cash flow, free cash flow, cash flow return on equity, and cash flow return on investment);
- (g) Earnings before or after taxes, interest, depreciation, and/or amortization;
- (h) Gross or operating margins;

(i) Productivity ratios;

(j) Share price (including, but not limited to, growth measures and total shareholder return);

(m) Operating efficiency;

(n) Market share;

(o) Customer satisfaction;

(p) Working capital targets; and

(q) Economic value added or EVA[®] (net operating profit after tax minus the sum of capital multiplied by the cost of capital).

Cash-Based Awards and Other Stock-Based Awards. The Plan also provides for the grant of cash-based awards and other types of equity-based or equity-related awards not otherwise described by the Plan as determined by the Committee. The Committee will determine the value of the cash-based awards and other stock-based awards and may establish performance goals. In the event the Committee establishes performance goals, the number and/or value of cash-based awards or other stock-based awards that will be paid out will depend on the extent to which performance goals are met. The Committee shall determine the extent to which the participant shall have the right to receive cash-based awards or other stock-based awards in the event of participant's termination of employment or service.

Non-Employee Director Awards. The Board or Committee shall determine all awards to non-employee directors. The terms of any such awards shall be set forth in an award agreement.

Maximum Awards for Employees. Generally, the Plan limits the annual awards to any individual employee or director as follows:

(a) 1,000,000 options;

(b) 1,000,000 SARs;

(c) 500,000 shares of restricted stock or restricted stock units;

(d) 500,000 performance shares or performance units; and

(e) \$7,500,000 or 500,000 shares of cash-based or other stock-based awards.

Certain Federal Income Tax Consequences

The following is a brief summary of certain U.S. federal income tax consequences generally arising with respect to awards under the Plan.

A participant generally will not recognize taxable income at the time an option is granted and the Company will not be entitled to a tax deduction at such time. A participant will recognize compensation taxable as ordinary income (and subject to income tax withholding in respect of an employee) upon exercise of a non-qualified stock option equal to the excess of the fair market value of the shares purchased over their exercise price, and the Company generally will be entitled to a corresponding deduction. A participant will not recognize income (except for purposes of the alternative minimum tax) upon exercise of an incentive stock option. If the shares acquired by exercise of an incentive stock option are held for the longer of two years from the date the option was granted and one year from the date it was exercised, any gain or loss arising from a subsequent disposition of such shares will be taxed as long-term capital gain or loss, and the Company will not be entitled to any deduction. If, however, such shares are disposed of within the above-described period, then in the year of disposition, the participant will recognize compensation taxable as ordinary income equal to the excess of the lesser of (i) the amount realized upon disposition and (ii) the fair market value of the shares on the date of exercise over the exercise price, and the Company generally will be entitled to a

corresponding deduction.

Table of Contents

A participant generally will not recognize taxable income at the time SARs are granted and the Company will not be entitled to a tax deduction at such time. Upon exercise, the participant will recognize compensation taxable as ordinary income (and subject to income tax withholding in respect of an employee) in an amount equal to the fair market value of any shares delivered and the amount of any cash paid by the Company. This amount generally is deductible by the Company as compensation expense.

A participant will not recognize taxable income at the time restricted stock is granted and the Company will not be entitled to a tax deduction at such time, unless the participant makes an election to be taxed at such time. If such election is not made, the participant will recognize compensation taxable as ordinary income (and subject to income tax withholding in respect of an employee) at the time the restrictions lapse in an amount equal to the excess of the fair market value of the shares at such time over the amount, if any, paid for such shares. The amount of ordinary income recognized generally is deductible by the Company as compensation expense, except to the extent the deduction limits of Section 162(m) of the Code apply. Restricted stock units generally will also be taxed as ordinary income upon vesting unless structured in compliance with applicable tax rules to defer taxation until settlement.

Our Board unanimously recommends a vote FOR the approval of the BlueLinx Holding Inc. 2006 Long-Term Equity Incentive Plan.

PROPOSAL 3:**RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee of our Board has selected Ernst & Young LLP to serve as our independent registered public accounting firm for fiscal year 2006. Ernst & Young LLP has served as our independent registered public accounting firm since our inception. While stockholder ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm is not required by our bylaws or otherwise, our Board is submitting the selection of Ernst & Young LLP to our stockholders for ratification. If our stockholders fail to ratify the selection, the Audit Committee may, but is not required to, reconsider whether to retain that firm. Even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent auditing firm at any time during the fiscal year if it determines that such a change would be in our best interests and that of our stockholders.

Ernst & Young LLP has advised us that it has no direct, nor any material indirect, financial interest in us or any of our subsidiaries. We expect that representatives of Ernst & Young LLP will be present at the meeting to make any statement they may desire and to respond to appropriate questions from our stockholders.

Pre-Approval of Audit and Non-Audit Services

The charter of the Audit Committee provides that the committee is responsible for the pre-approval of all material audit services and non-audit services to be performed for us by our independent registered public accounting firm. There were no non-audit related services performed by Ernst & Young LLP for us during either fiscal year 2005 or fiscal year 2004. To the extent required by applicable law, the fees paid to the independent registered public accounting firm described above for fiscal years 2005 and 2004 were pre-approved by the Audit Committee. The Audit Committee may delegate to one or more of its members the authority to grant such pre-approvals. The decisions of any such member shall be presented to the full Audit Committee at each of its scheduled meetings.

Our Board unanimously recommends a vote FOR the ratification of Ernst & Young LLP as our independent registered public accounting firm for fiscal year 2006.

INFORMATION ABOUT THE BOARD OF DIRECTORS

Our Board met eight times during our 2005 fiscal year. Each incumbent director attended at least 75% of the total of all board and committee meetings he was entitled to attend during the 2005 fiscal year.

Our Board has reviewed the independence of each of its members based on the criteria for independence set forth under applicable securities laws, including the Securities Exchange Act of 1934, as amended, (the Exchange Act) applicable rules and regulations of the SEC and applicable rules and regulations of the NYSE. The NYSE Listed Company Manual and corresponding listing standards provide that, in order to be independent, the Board must determine that a director has no material relationship with the Company other than as a director. The Board has reviewed the relationships between each Board member and the Company. Based on its review, the Board has affirmatively determined, by resolution of the Board as a whole, that the following directors have no material relationship with us and satisfy the requirements to be considered independent under the NYSE listing standards applicable to audit committee membership: Richard S. Grant, Richard B. Marchese and Alan H. Schumacher. The Board determined that Messrs. Grant and Marchese have no relationship with us or any other matter of any kind that would impair their independence for purposes of serving on our Board. With respect to Mr. Schumacher, the Board considered the fact that Mr. Schumacher serves on the board of another Cerberus controlled public company. The Board affirmatively determined Mr. Schumacher serving on the board of directors of two Cerberus portfolio companies is not a material relationship and does not preclude Mr. Schumacher from exercising independent judgment in carrying out his responsibilities.

As further described under Controlled Company, below, because we are a controlled company, we are exempt from the requirement that our Board be comprised of a majority of independent directors. Five members of our current Board are employees of, or advisors to, Cerberus Capital Management, L.P., or Cerberus, the indirect holder of a majority of the outstanding shares of our common stock, and as such are not independent.

Our business and affairs are managed by our Board. To assist it in carrying out its responsibilities, our Board has established the two standing committees described below, under Committees of the Board of Directors. The charter for each of these committees, as in effect from time to time, may be found on our web site, www.bluelinxco.com. Each of these committees has the right to retain its own legal counsel and other advisors. All directors are expected to attend the annual meeting of stockholders. On the date of the

Table of Contents

2005 annual meeting of stockholders there were nine members of the Board and seven members were present at the meeting.

Lead Director

The lead director's duties generally include serving as the chairperson for all executive sessions of the non-management directors and communicating to the Chief Executive Officer the results of non-management executive board sessions. Mr. Fenton, the Chairman of the Board, currently serves as the Company's lead director. Any interested party may contact the lead director by directing such communications to the lead director c/o Barbara V. Tinsley, Secretary, 4300 Wildwood Parkway, Atlanta, Georgia 30339. Any such correspondence received by the Company will be forwarded to the lead director.

Committees of the Board of Directors

The Audit Committee

Our Board established a separately-designated standing Audit Committee in accordance with Section 3(a)(58)(A) of the Exchange Act. The purpose of the Audit Committee is to assist our Board in fulfilling its responsibilities to oversee our financial reporting process, including monitoring the integrity of our financial statements and the independence and performance of our internal and external auditors. The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of our independent registered public accounting firm.

The Audit Committee met sixteen times in fiscal 2005. The Audit Committee currently consists of Messrs. Grant, Marchese and Schumacher. As discussed above, our Board has affirmatively determined that Messrs. Grant, Marchese and Schumacher are each independent, as such term is defined under the rules of the SEC and the listing standards of the NYSE applicable to audit committee membership, and each meet the NYSE's financial literacy requirements. Pursuant to its charter, the Audit Committee is comprised of at least three members appointed by our Board. Our Board has determined that Mr. Schumacher is an audit committee financial expert, as such term is defined under the applicable rules of the SEC.

The Audit Committee operates pursuant to a written charter, a copy of which can be found on our web site at www.bluelinxco.com and is attached hereto as **Appendix B**.

The Audit Committee has adopted a procedure to receive allegations on any fraudulent accounting issues through a toll-free telephone number as set out in our code of conduct and ethics. See Corporate Governance Guidelines and Code of Ethics, below.

The Compensation Committee

The Compensation Committee oversees the determination of all matters relating to employee compensation and benefits and is empowered to: (1) establish a compensation policy for executive officers, including setting base salaries and incentive compensation; (2) review compensation practices and trends; (3) make recommendations as to compensation levels for executive officers; (4) approve employment contracts; (5) administer our stock option and other incentive plans; and (6) undertake administration of other employee benefit plans. The Compensation Committee currently consists of Messrs. Fenton, Schumacher and Suwyn, and met seven times during 2005. As further described under Controlled Company, below, because we are a controlled company, we are exempt from the requirement that the Compensation Committee be comprised solely of independent directors. Messrs. Fenton and Suwyn are senior advisors to Cerberus, and as such are not independent.

Controlled Company

We are a controlled company for purposes of the NYSE listing requirements. Our basis for this determination is that Cerberus ABP Investor LLC, an affiliate of Cerberus, owns 18,100,000, or approximately 59% of the outstanding shares of our common stock as of the date of this proxy statement.

Table of Contents

Accordingly, we are exempt from the NYSE listing requirements that would otherwise mandate (1) a majority of independent directors on our Board, (2) a nominating committee of our Board, comprised solely of independent directors, to select or recommend nominees to our Board, and (3) a compensation committee of our Board, comprised solely of independent directors, to determine the compensation of our executive officers.

Nomination Process

Because we are a controlled company, we do not have a standing nominating committee comprised solely of independent directors or any other committee performing similar functions. Such matters are considered at meetings of our full Board. Due to the size of our Board, we do not foresee an immediate need to establish a separate nominating committee or adopt a charter to govern the nomination process.

Our Board has generally used an informal process to identify and evaluate director candidates. We believe that identifying and nominating highly skilled and experienced director candidates is critical to our future. Our Board has previously engaged third parties to assist it in identifying qualified independent director candidates. Our Board encourages all directors, independent or otherwise, to identify potential director nominees. As a result, our Board believes that it is presented with a diverse and experienced group of candidates for discussion and consideration.

During the evaluation process, our Board seeks to identify director candidates with the highest personal and professional ethics, integrity and values. In the context of the needs of our Board at any given point in time, our Board will seek candidates with diverse experience in business, finance and other matters relevant to a company such as ours, prominence in their profession, concern for the interests of our stockholders and an understanding of our business. Additionally, our Board requires that director nominees have sufficient time to devote to our business and affairs.

Employment Agreements and Change of Control Arrangements**Chief Executive Officer Employment Agreement**

The Company entered into an employment agreement with Stephen E. Macadam to serve as our Chief Executive Officer effective October 20, 2005. The employment agreement expires on December 31, 2008, except that it will be renewed automatically for an additional one-year period unless thirty days prior written notice is given by either party in advance of the one-year period. Mr. Macadam received a \$600,000 signing bonus from the Company and his annual base salary is to be paid at the rate of \$700,000 for 2005 and 2006, \$750,000 for 2007 and \$800,000 for 2008. Mr. Macadam is also eligible to receive an annual bonus pursuant to the terms of the Company's annual bonus plan,

with the annual bonus potential to be a target of 75% of his base salary up to a maximum of 150% of base salary, based upon satisfaction of performance goals and bonus criteria to be defined and approved by the Compensation Committee of the Company's Board in advance for each fiscal year in accordance with the terms of the applicable bonus plan. For 2006, Mr. Macadam is guaranteed to receive a minimum bonus of 50% of his base salary. For each of fiscal years 2006, 2007 and 2008, Mr. Macadam is also entitled to receive an annual targeted

bonus equivalent to \$750,000 in value payable in the form of awards of stock options and/or shares of restricted stock under the Company's long-term equity incentive plan as then in effect, all on such terms and conditions as the Compensation Committee of the Board shall determine in accordance with the provisions of such plan. In addition, the employment agreement provides that Mr. Macadam is eligible to participate in all benefit programs for which senior executives are generally eligible.

The employment agreement also provided that Mr. Macadam receive an option to purchase 750,000 shares of the Company's common stock (the Option). The Option was granted under the Company's 2004 Equity Incentive Plan pursuant to a stock option agreement dated October 20, 2005 that provides, among other things, that the exercise price of the Option is \$13.50 per share, and that the Option vests in five equal annual installments beginning on October 20, 2006.

Under his employment agreement, the Company may terminate Mr. Macadam's employment for cause or without cause. If Mr. Macadam's employment is terminated without cause or he resigns for good reason, the agreement provides Mr. Macadam with, among other things, payment equal to two times his annual base salary in effect immediately prior to the date of termination, plus two times the cash bonus amount received by Mr. Macadam for the fiscal year prior to the year of the termination of his employment, payable in twenty-four equal monthly installments commencing six months after the date of termination. The employment agreement also contains confidentiality provisions, as well as a covenant not to compete during the employment term and continuing until the second anniversary of his date of termination.

Former Chief Executive Officer Retirement and Consulting Agreement

On October 20, 2005 we entered into a Retirement and Consulting Agreement with Charles H. McElrea pursuant to which Mr. McElrea retired from active employment with the Company and we agreed to pay Mr. McElrea a consulting fee of \$58,890 per month, payable in 24 monthly installments. The first such installment shall be due and payable on the date that is 6 months after his retirement date. The Retirement and Consulting Agreement also contains confidentiality provisions, as well as a covenant not to compete during the term of the agreement. Mr. McElrea continues to serve as a member of our Board.

Executive Severance Agreements

Messrs. Judd and Morris and Ms. Tinsley are each party to a severance agreement with our operating company. These agreements provide these individuals with payments and benefits following a termination by us without cause or by the employee with good reason, in each case, as these terms are defined in the severance agreements, in addition to the amounts that the employee has accrued to the date of termination of employment.

Upon a termination by our operating company without cause or by the employee with good reason, the employee will be entitled to receive the following payments and benefits, provided the employee signs a valid release of employment related claims:

payment of two times the employee's annual base salary (one time annual base salary for Ms. Tinsley), payable over 24 months (12 months in the case of Ms. Tinsley) from the date of termination;

Messrs. Fenton, Schumacher and Suwyn are the current members of the Compensation Committee. Mr. Schumacher joined the Committee on October 20, 2005, replacing Mr. Macadam who served on the Compensation Committee during fiscal 2005 prior to being appointed as our Chief Executive Officer. Fenton and Suwyn are senior advisors to Cerberus, and as such are not independent.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Philosophy

As BlueLinx Compensation Committee (the Committee), our primary goal is to establish a compensation program that serves the long-term interests of the Company and its stockholders. The Company seeks to attract and retain top quality executives with the qualifications necessary for the long-term financial success of the Company by providing a competitive, performance-based compensation program. The principal components of this program consist of base salaries, annual incentive plan compensation and stock-based incentive awards. The appropriate mix of compensation for each executive varies based on the level of the executive's responsibilities.

In fiscal 2005, the Committee directed the Company to engage a third party provider to perform a benchmark study of the Company's compensation structure including the base salaries of its executive officers following the separation of the Company from Georgia-Pacific Corporation. The Company's compensation strategy is to pay competitive salaries necessary to attract and retain effective employees. Salary structures are designed to target the median of selected peer companies, including general industry salaries as appropriate for specific job classifications. The primary objective of the Company's compensation program is to provide a reasonable and workable framework to effectively compensate the Company's salaried and non-union hourly employees.

Base Salaries

The Committee believes the base salaries of the Company's executives are at levels that are competitive in the marketplace. The benchmarking study examined competitive pay practices of comparable industries and other distribution companies to ensure pay opportunities for the Company's management are generally competitive. The Committee annually reviews the base salaries of the Company's executives and adjusts such salaries based on the executive's performance and responsibilities as it deems necessary and appropriate. The base salary of our former Chief Executive Officer, Charles McElrea, during fiscal 2005 was established at \$315,000 per year while he was still employed by Georgia-

Table of Contents

Pacific Corporation. The base salaries of the Company's other executives were adjusted in fiscal 2005 based on the Committee's review and analysis of the results of the competitive benchmarking study.

On October 20, 2005, the Company entered into an employment agreement with Stephen Macadam to serve as the Company's new Chief Executive Officer. Mr. Macadam's base salary for fiscal 2005 was paid at an annual rate of \$700,000. Mr. Macadam's employment agreement is discussed in detail in the section of this proxy statement titled Employment Agreement and Change of Control Agreements. The Committee believes the components of Mr. Macadam's employment agreement appropriately align his interests with those of the Company's stockholders. Mr. Macadam also received a signing bonus of \$600,000 in connection with his employment agreement.

Annual Short-Term Incentive Plan for Employees

The Company's short-term incentive plan is designed to compensate certain of the Company's salaried employees, including the executive officers, for performance with respect to stated goals consistent with the Company's planned business objectives. Participants are compensated based on the achievement of Company financial performance targets and/or such other goals as established by management and approved by the Committee. Eligible participants are designated at the beginning of each year by management. All proposed awards to members of management are approved by the Committee. Payments in the aggregate amount of \$516,889 were made in 2006 for the 2005 fiscal year to Messrs. Judd, Morris, Hardin and Ms. Tinsley. All such payments were approved by the Committee and were awarded based on the Company's achievement of certain financial performance goals for fiscal 2005 that were previously established by management and approved by the Committee.

Stock-based Incentive Awards

The purpose of the Company's 2004 Equity Incentive Plan is to motivate and retain certain individuals who are responsible for the attainment of the primary long-term performance goals of the Company. In fiscal 2004, the Company elected to grant options to purchase 100,000 shares of the Company's common stock, subject to time and performance based vesting criteria, to Barbara V. Tinsley in connection with her service as General Counsel and Secretary of the Company. The Committee approved the terms of the grant. The Company elected not to award stock options to the other members of executive management at such time due to the fact such persons already had an equity interest in the Company. In fiscal 2004, stock options were also awarded to the Company's Chairman of the Board, the independent directors and employees selected by management to participate in the 2004 Equity Incentive Plan. In October 2005, Mr. Macadam was awarded options to purchase 750,000 shares of the Company's common stock in connection with his appointment as the Company's new Chief Executive Officer. The options were issued with an above market strike price of \$13.50 per share and vest in five equal annual installments.

The Company's 2006 Long-Term Equity Incentive Plan is being presented to the Company's stockholders for their approval as part of this proxy statement. The purpose of the Plan is to provide a means whereby employees and directors of the Company develop a sense of proprietorship and personal involvement in the development and financial success of the Company, and to encourage them to devote their best efforts to the business of the Company, thereby advancing the interests of the Company and its shareholders. A further purpose of this Plan is to provide a means through which the Company may attract able individuals to become employees or serve as members of the Company's Board and to provide a means whereby those individuals can acquire and maintain stock ownership, thereby strengthening their concern for the welfare of the Company. Pursuant to the terms of his employment agreement, for each of fiscal years 2006, 2007 and 2008, Mr. Macadam is entitled to receive an annual targeted bonus equivalent to \$750,000 in value payable in the form of awards of stock options and/or shares of restricted stock under the Company's long-term equity incentive plan as then in effect, all on such terms and conditions as the Committee shall determine in accordance with the provisions of such plan.

Internal Revenue Code Section 162(m)

The Committee also considers the potential impact of Section 162(m) of the Internal Revenue Code of 1986, as amended (Section 162(m)). Section 162(m) disallows a tax deduction for any publicly held corporation for individual compensation exceeding \$1 million in any taxable year for the Chief Executive Officer and the other senior executive officers, other than compensation that is performance-based under a plan that is approved by the stockholders of the Company and meets other technical requirements. However, the Committee reserves the right to provide for compensation to executive officers that may not be deductible if it believes such compensation in the best interests of the Company and its stockholders.

Summary

We believe the design of the Company's compensation plans and their relative mix successfully motivates the Company's officers and executives. All aspects of compensation are performance driven and align both the short-term and long-term interests of the Company's employees and stockholders. The Committee believes that the Company's plans are effective, create significant value and reflect an appropriate mix to help drive the Company's success.

3.2 *Authority of the Committee.* The Committee shall have full and exclusive discretionary power to interpret the terms and the intent of this Plan and any Award Agreement or other agreement or document ancillary to or in connection with this Plan, to determine eligibility for Awards and to adopt such rules, regulations, forms, instruments, and guidelines for administering this Plan as the Committee may deem necessary or proper. Shares Subject to This Plan and Maximum Awards

4.1 *Number of Shares Available for Awards.*

(a) Subject to adjustment as provided in Section 4.4, the maximum number of Shares available for grant to Participants under this Plan on or after the Effective Date shall be one million seven hundred thousand (1,700,000) newly issued Shares authorized for issuance under this Plan (the *Share Authorization*).

(b) The maximum number of Shares of the Share Authorization that may be issued pursuant to ISOs under this Plan shall be one million (1,000,000) Shares.

4.2 *Share Usage.* Shares covered by an Award shall be counted as used as of the date of grant. Any Shares related to Awards under this Plan which terminate by expiration, forfeiture, cancellation, or otherwise without the issuance of such Shares, are settled in cash in lieu of Shares, or are exchanged with the Committee's permission, prior to the issuance of Shares, for Awards not involving Shares, shall be available again for grant under this Plan. Moreover, if the Option Price of any Option granted under this Plan or the tax withholding requirements with respect to any Award granted under this Plan are satisfied by tendering Shares to the Company (by either actual delivery or by attestation), such tendered Shares shall again be available for grant under this Plan. Furthermore, if an SAR is exercised and settled in Shares, the difference between the total Shares exercised and the net Shares delivered shall again be available for grant under this Plan, with the result being that only the number of Shares issued upon exercise of an SAR are counted against the Shares available. The Shares available for issuance under this Plan may be authorized and unissued Shares or treasury Shares.

4.3 *Annual Award Limits.* Unless and until the Committee determines that an Award to a Covered Employee shall not be designed to qualify as Performance-Based Compensation, the following limits (each an *Annual Award Limit* and, collectively, *Annual Award Limits*) shall apply to grants of such Awards under this Plan:

(a) *Options:* The maximum aggregate number of Shares subject to Options granted in any one Plan Year to any one Participant shall be one million (1,000,000).

(b) *SARs:* The maximum number of Shares subject to Stock Appreciation Rights granted in any one Plan Year to any one Participant shall be one million (1,000,000).

(c) *Restricted Stock or Restricted Stock Units:* The maximum aggregate grant with respect to Awards of Restricted Stock or Restricted Stock Units in any one Plan Year to any one Participant shall be five hundred thousand (500,000) Shares.

(d) *Performance Units or Performance Shares:* The maximum aggregate Award of Performance Units or Performance Shares that a Participant may receive in any one Plan Year shall be five hundred thousand (500,000) Shares, or equal to the value of five hundred thousand (500,000) Shares determined as of the date of vesting or payout, as applicable.

(e) *Cash-Based Awards and Other Stock-Based Awards:* The maximum aggregate amount awarded or credited with respect to Cash-Based or Other Stock-Based Awards to any one Participant in any one Plan Year may not exceed the value of seven million five hundred thousand dollars (\$7,500,000) or five hundred thousand (500,000) Shares determined as of the date of vesting or payout, as applicable.

enlargement of Participants' rights under this Plan, shall substitute or adjust, as applicable, the number and kind of Shares that may be issued under this Plan or under particular forms of Awards, the number and kind of Shares subject to outstanding Awards, the Option Price or Grant Price applicable to outstanding Awards, the Annual Award Limits, and other value determinations applicable to outstanding Awards.

The Committee, in its sole discretion, may also make appropriate adjustments in the terms of any Awards under this Plan to reflect or related to such changes or distributions and to modify any other terms of outstanding Awards, including modifications of performance goals and changes in the length of Performance Periods. Notwithstanding anything herein to the contrary, following a Change in Control the Committee may not take any such action as described in this Section 4.4 if such action would result in a violation of the requirements of Code Section 409A. The determination of the Committee as to the foregoing adjustments, if any, shall be conclusive and binding on Participants under this Plan.

Subject to the provisions of Article 18 and notwithstanding anything else herein to the contrary, without affecting the number of Shares reserved or available hereunder, the Committee may authorize the issuance or assumption of benefits under this Plan in connection with any merger, consolidation, acquisition of property or stock, or reorganization upon such terms and conditions as it may deem appropriate, subject to compliance with the rules under Code Sections 409A, 422, and 424, as and where applicable.

Article 6.

Stock Options

6.1 *Grant of Options.* Subject to the terms and provisions of this Plan, Options may be granted to Participants in such number, and upon such terms, and at any time and from time to time as shall be determined by the Committee, in its sole discretion, provided that ISOs may be granted only to eligible Employees of the Company or of any parent or subsidiary corporation (as permitted under Code Sections 422 and 424). However, an Employee who is employed by an Affiliate and/or Subsidiary may only be granted Options to the extent the Affiliate and/or Subsidiary is part of: (i) the Company's controlled group of corporations, or (ii) a trade or business under common control, as of the date of grant as determined within the meaning of Code Section 414(b) or 414(c), and substituting for this purpose ownership of at least fifty percent (50%) of the Affiliate and/or Subsidiary to determine the members of the controlled group of corporations and the entities under common control.

6.2 *Award Agreement.* Each Option grant shall be evidenced by an Award Agreement that shall specify the Option Price, the maximum duration of the Option, the number of Shares to which the Option pertains, the conditions upon which an Option shall become vested and exercisable, and such other provisions as the Committee shall determine which are not inconsistent with the terms of this Plan. The Award Agreement also shall specify whether the Option is intended to be an ISO or an NQSO.

6.3 *Option Price.* The Option Price for each grant of an Option under this Plan shall be determined by the Committee in its sole discretion and shall be specified in the Award Agreement; provided, however, that the Option Price must be at least equal to one hundred percent (100%) of the

Notwithstanding the foregoing, for Nonqualified Stock Options granted to Participants outside the United States, the Committee has the authority to grant Nonqualified Stock Options that have a term greater than ten (10) years.

To the extent that such aggregate Fair Market Value exceeds \$100,000, the Options shall be treated as Nonqualified Stock Options. Fair Market Value shall be determined as of the time the Option with respect to such stock is granted.

6.7 *Payment.* Options granted under this Article 6 shall be exercised by the delivery of a notice of exercise to the Company or an agent designated by the Company in a form specified or accepted by the Committee, or by complying with any alternative procedures which may be authorized by the Committee, setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment for the Shares.

A condition of the issuance of the Shares as to which an Option shall be exercised shall be the payment of the Option Price. The Option Price of any Option shall be payable to the Company in full either: (a) in cash or its equivalent; (b) by tendering (either by actual delivery or attestation) previously acquired Shares having an aggregate Fair Market Value at the time of exercise equal to the Option Price (provided that except as otherwise determined by the Committee, the Shares that are tendered must have been held by the Participant for at least six (6) months (or such other period, if any, as the Committee may permit) prior to their tender to satisfy the Option Price if acquired under this Plan or any other compensation plan maintained by the Company or have been purchased on the open market); (c) by a cashless (broker-assisted) exercise; (d) by a combination of (a), (b), and/or (c); or (e) any other method approved or accepted by the Committee in its sole discretion.

Subject to any governing rules or regulations, as soon as practicable after receipt of written notification of exercise and full payment (including satisfaction of any applicable tax withholding), the Company shall deliver to the Participant evidence of book entry Shares, or upon the Participant's request, Share certificates in an appropriate amount based upon the number of Shares purchased under the Option(s).

Unless otherwise determined by the Committee, all payments under all of the methods indicated above shall be paid in U.S. dollars.

6.8 *Restrictions on Share Transferability.* The Committee may impose such restrictions on any Shares acquired pursuant to the exercise of an Option granted under this Article 6 as it may deem advisable, including, without limitation, minimum holding period requirements or restrictions under applicable federal securities laws, under the requirements of any stock exchange or market upon which such Shares are then listed and/or traded, or under any blue sky or state securities laws applicable to such Shares.

6.9 *Termination of Employment.* Each Participant's Award Agreement shall set forth the extent to which the Participant shall have the right to exercise the Option following termination of the Participant's employment or provision of services to the Company, its Affiliates, and/or its Subsidiaries, as the case may be. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with each Participant, need not be uniform among all Options issued pursuant to this Article 6, and may reflect distinctions based on the reasons for termination.

6.10 *Notification of Disqualifying Disposition.* If any Participant shall make any disposition of Shares issued pursuant to the exercise of an ISO under the circumstances described in Code Section 421(b) (relating to certain disqualifying dispositions), such Participant shall notify the Company of such disposition within ten (10) days thereof.

6.11 *No Other Feature of Deferral.* No Option granted pursuant to this Plan shall provide for any feature for the deferral of compensation other than the deferral of recognition of income until the later of the exercise or disposition of the Option, or the time the stock acquired pursuant to the exercise of the Option first becomes substantially vested.

Article 7.

The Grant Price for each grant of an SAR shall be determined by the Committee and shall be specified in the Award Agreement; provided, however, that the Grant Price on the date of grant must be at least equal to one hundred percent (100%) of the FMV of the Shares as determined on the date of grant.

7.6 *Termination of Employment.* Each Award Agreement shall set forth the extent to which the Participant shall have the right to exercise the SAR following termination of the Participant's employment with or provision of services to the Company, its Affiliates, and/or its Subsidiaries, as the case may be. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with Participants, need not be uniform among all SARs issued pursuant to this Plan, and may reflect distinctions based on the reasons for termination.

7.7 *Other Restrictions.* The Committee shall impose such other conditions and/or restrictions on any Shares received upon exercise of an SAR granted pursuant to this Plan as it may deem advisable or desirable. These restrictions may include, but shall not be limited to, a requirement that the Participant hold the Shares received upon exercise of an SAR for a specified period of time.

7.8 *No Other Feature of Deferral.* No SAR granted pursuant to this Plan shall provide for any feature for the deferral of compensation other than the deferral of recognition of income until the exercise of the SAR.

To the extent deemed appropriate by the Committee, the Company may retain the certificates representing Shares of Restricted Stock in the Company's possession until such time as all conditions and/or restrictions applicable to such Shares have been satisfied or lapse.

12.4 *Committee Discretion.* In the event that applicable tax and/or securities laws change to permit Committee discretion to alter the governing Performance Measures without obtaining shareholder approval of such changes, the Committee shall have sole discretion to make such changes without obtaining shareholder approval provided the exercise of such discretion does not violate Code Section 409A. In addition, in the event that the Committee determines that it is advisable to grant Awards that shall not qualify as Performance-Based Compensation, the Committee may make such grants without satisfying the requirements of Code Section 162(m) and base vesting on Performance Measures other than those set forth in Section 12.1.

The determination of the Committee as to the foregoing adjustments, if any, shall be conclusive and binding on Participants under this Plan.

18.3 *Awards Previously Granted.* Notwithstanding any other provision of this Plan to the contrary (other than Section 18.4), no termination, amendment, suspension, or modification of this Plan or an Award Agreement shall adversely affect in any material way any Award previously granted under this Plan without the written consent of the Participant holding such Award.

18.4 *Amendment to Conform to Law.* Notwithstanding any other provision of this Plan to the contrary, the Board of Directors may amend the Plan or an Award Agreement, to take effect retroactively or otherwise, as deemed necessary or advisable for the purpose of conforming the Plan or an Award Agreement to any present or future law relating to plans of this or similar nature (including, but not limited to, Code Section 409A), and to the administrative regulations and rulings promulgated thereunder.

All such elections shall be irrevocable, made in writing, and signed by the Participant, and shall be subject to any restrictions or limitations that the Committee, in its sole discretion, deems appropriate.

All obligations of the Company under this Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

Article 21.

General Provisions

21.1 *Forfeiture Events.* The Committee may specify in an Award Agreement that the Participant's rights, payments, and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture, or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. Such events may include, but shall not be limited to, termination of employment for cause, termination of the Participant's provision of services to the Company, Affiliate, and/or Subsidiary, violation of material Company, Affiliate, and/or Subsidiary policies, breach of noncompetition, confidentiality, or other restrictive covenants that may apply to the Participant, or other conduct by the Participant that is detrimental to the business or reputation of the Company, its Affiliates, and/or its Subsidiaries.

21.2 *Legend.* The certificates for Shares may include any legend which the Committee deems appropriate to reflect any restrictions on transfer of such Shares.

21.3 *Gender and Number.* Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine, the plural shall include the singular, and the singular shall include the plural.

21.4 *Severability.* In the event any provision of this Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of this Plan, and this Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

21.5 *Requirements of Law.* The granting of Awards and the issuance of Shares under this Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

21.6 *Delivery of Title.* The Company shall have no obligation to issue or deliver evidence of title for Shares issued under this Plan prior to:

(a) Obtaining any approvals from governmental agencies that the Company determines are necessary or advisable; and

(b) Completion of any registration or other qualification of the Shares under any applicable national or foreign law or ruling of any governmental body that the Company determines to be necessary or advisable.

21.7 *Inability to Obtain Authority.* The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

(e) Take any action, before or after an Award is made, that it deems advisable to obtain approval or comply with any necessary local government regulatory exemptions or approvals.

Notwithstanding the above, the Committee may not take any actions hereunder, and no Awards shall be granted, that would violate applicable law.

21.10 *Uncertificated Shares.* To the extent that this Plan provides for issuance of certificates to reflect the transfer of Shares, the transfer of such Shares may be affected on a noncertificated basis, to the extent not prohibited by applicable law or the rules of any stock exchange.

21.11 *Unfunded Plan.* Participants shall have no right, title, or interest whatsoever in or to any investments that the Company, and/or its Subsidiaries, and/or its Affiliates may make to aid it in meeting its obligations under this Plan. Nothing contained in this Plan, and no action taken pursuant to its provisions, shall create or be construed to create a trust of any kind, or a fiduciary relationship between the Company and any Participant, beneficiary, legal representative, or any other individual. To the extent that any individual acquires a right to receive payments from the Company, its Subsidiaries, and/or its Affiliates under this Plan, such right shall be no greater than the right of an unsecured general creditor of the Company, a Subsidiary, or an Affiliate, as the case may be. All payments to be made hereunder shall be paid from the general funds of the Company, a Subsidiary, or an Affiliate, as the case may be and no special or separate fund shall be established and no segregation of assets shall be made to assure payment of such amounts except as expressly set forth in this Plan.

21.12 *No Fractional Shares.* No fractional Shares shall be issued or delivered pursuant to this Plan or any Award. The Committee shall determine whether cash, Awards, or other property shall be issued or paid in lieu of fractional Shares or whether such fractional Shares or any rights thereto shall be forfeited or otherwise eliminated.

21.13 *Retirement and Welfare Plans.* Neither Awards made under this Plan nor Shares or cash paid pursuant to such Awards may be included as compensation for purposes of computing the benefits payable to any Participant under the Company's or any Subsidiary's or Affiliate's retirement plans (both qualified and nonqualified) or welfare benefit plans unless such other plan expressly provides that such compensation shall be taken into account in computing a Participant's benefit.

21.14 *Deferred Compensation.* It is intended that any Award made under this Plan that results in the deferral of compensation (as defined under Code Section 409A) complies with the requirements of Code Section 409A.

21.15 *Nonexclusivity of this Plan.* The adoption of this Plan shall not be construed as creating any limitations on the power of the Board or Committee to adopt such other compensation arrangements as it may deem desirable for any Participant.

Table of Contents

21.16 *No Constraint on Corporate Action.* Nothing in this Plan shall be construed to: (i) limit, impair, or otherwise affect the Company's or a Subsidiary's or an Affiliate's right or power to make adjustments, reclassifications, reorganizations, or changes of its capital or business structure, or to merge or consolidate, or dissolve, liquidate, sell, or transfer all or any part of its business or assets; or (ii) limit the right or power of the Company or a Subsidiary or an Affiliate to take any action which such entity deems to be necessary or appropriate.

21.17 *Governing Law.* The Plan and each Award Agreement shall be governed by the laws of the State of Delaware, excluding any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of this Plan to the substantive law of another jurisdiction. Unless otherwise provided in the Award Agreement, recipients of an Award under this Plan are deemed to submit to the exclusive jurisdiction and venue of the federal or state courts of Delaware, to resolve any and all issues that may arise out of or relate to this Plan or any related Award Agreement.

21.18 *Indemnification.* Subject to requirements of Delaware law, each individual who is or shall have been a member of the Board, or a Committee appointed by the Board, shall be indemnified and held harmless by the Company against and from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken or failure to act under this Plan and against and from any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgment in any such action, suit, or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his/her own behalf, unless such loss, cost, liability, or expense is a result of his/her own willful misconduct or except as expressly provided by statute.

The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such individuals may be entitled under the Company's Articles of Incorporation, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

Adoption of Charter

The Board of Directors (the Board) of BlueLinx Holdings Inc. (the Company) has adopted this Charter (the Charter) of the Audit Committee (the Committee) of the Board.

Purpose of the Committee

The Committee will assist the Board in fulfilling the Board's oversight and monitoring of (1) the Company's financial statements and other financial information provided by the Company to its shareholders, and other relevant parties, (2) the integrity of the Company's financial statements, (3) the Company's compliance with legal and regulatory requirements, (4) the independent auditor's qualifications and independence, (5) the Company's systems of internal controls, including the performance of the Company's internal audit function and independent auditors, and (6) such other matters as may from time to time be specifically delegated to the Committee by the Board. In addition, the Company will prepare annual audit committee reports as required by the corporate governance standards of the New York Stock Exchange (the NYSE) and by the rules and regulations of the Securities and Exchange Commission (the Commission) for inclusion in the Company's annual proxy materials.

While the Committee has the powers and responsibilities set forth in this Charter, it is not the responsibility of the Committee to plan or conduct audits or to determine that the Company's financial statements and disclosures are complete and accurate and are in compliance with generally accepted accounting principles and applicable rules and regulations, which are the responsibilities of management and the independent auditor.

Composition of the Committee

Appointment; Requirements. The Board will appoint the members of the Committee, and the members will serve at the discretion of the Board. The Board will, or will delegate to the members of the Committee the responsibility to, appoint a Chairman of the Committee. The Committee will consist of at least three members. Upon the Company's filing a registration statement with the Commission, the members of the Committee shall meet the independence and experience requirements of (1) Section 10A(m)(3) of the Securities Exchange Act of 1934 (the Exchange Act) and the rules and regulations of the Commission and (2) the NYSE. No member of the Committee may be an officer or employee of the Company or any of its subsidiaries or an immediate family member of such officer or employee, and each member of the Committee must be, in the opinion of the Board, free of any relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities as a Committee member.

Each member of the Committee must be able to read and understand fundamental financial statements, including the Company's balance sheet, income statement, and cash flow statement. To the extent practicable, at least one member of the Committee will have past employment experience in finance or accounting, requisite professional certification in accounting, or other comparable experience or background.

Evaluate the qualifications, performance and independence of the independent auditor, including considering whether the auditor's quality controls are adequate and the provision of permitted non-audit services is compatible with maintaining the auditor's independence, and taking into account the opinions of management and internal auditors. The Committee shall present its conclusions with respect to the independent auditor to the Board.

(c) Ensure the rotation at least every five (5) years of the lead (or coordinating) audit partner having primary responsibility for the audit and the audit partner responsible for reviewing the audit as required by law.
