#### ITEM 4. DESCRIPTION OF SECURITIES

Not applicable.

#### ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL

Not applicable.

#### ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS

As permitted by Delaware law, the Registrant's certificate of incorporation provides that the directors of the Registrant will not be held personally liable for a breach of fiduciary duty as a director, except that a director may be liable for (1) a breach of the director's duty of loyalty to the corporation or its stockholders, (2) acts made in bad faith or which involve intentional misconduct or a knowing violation of the law, (3) illegal payment of dividends under Section 174 of the Delaware General Corporation Law; or (4) for any transaction from which the director derives an improper personal benefit. The Registrant's certificate of incorporation further provides that if Delaware law is amended to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a

director of the Registrant shall be eliminated or limited to the fullest extent permitted by Delaware law, as so amended.

The by-laws of the Registrant provide that the Registrant will indemnify any person involved in litigation brought by a third party or by or in the right of the Registrant by reason of the fact that he or she is or was a director, officer, employee or agent of the Registrant or is or was serving at the request of the Registrant as a director, officer, employee or agent of another entity. The Registrant will only indemnify such a person if that person acted in good faith and in a manner he or she reasonably believed to be lawful and in the best interests of the Registrant, except that the person will not be entitled to indemnification in an action in which he or she is found to be liable to the corporation unless the Delaware Court of Chancery deems indemnification under these circumstances proper.

The Registrant maintains in effect directors and officers liability insurance which provides coverage against certain liabilities. The Registrant has entered into indemnification agreements with each of its directors and executive officers which requires the Registrant to use reasonable efforts to maintain such insurance during the term of the agreement so long as the board of directors in the exercise of its business judgment determines that the cost is not excessive and is reasonably related to the amount of coverage and that the coverage provides a reasonable benefit for such cost. The indemnity agreements have terms that will automatically renew for successive one year terms each year unless sooner terminated by Registrant on 60 days notice or upon the indemnitee's termination as an officer, director or employee of Registrant or its subsidiaries.

The indemnity agreement requires the Registrant to indemnify the executive officers and directors to the fullest extent permitted under Delaware law to the extent not covered by liability insurance, including advances of expenses in the defense of claims against the executive officer or director while acting in such capacity. It is a condition to such indemnification that the indemnitee acted in good faith and in a manner that he or she believed to be in or not opposed to the interest of the Registrant or its stockholders, and with respect to a criminal action had no reasonable cause to believe his or her conduct was unlawful. Indemnification is not available from the Registrant:

- (a) in respect to remuneration that is determined to be in violation of law;
- (b) on account of any liability arising from a suit for an accounting of profits for the purchase and sale of Registrant's common stock pursuant to Section 16(b) of the Securities Exchange Act of 1934, as amended;
- (c) on account of conduct that is determined to have been knowingly fraudulent, deliberately dishonest or willful misconduct;
- (d) if indemnification is prohibited by the applicable laws of the State of Delaware;
- (e) if the indemnitee is found to be liable to the Registrant or its subsidiaries unless the Delaware Court of Chancery determines that the indemnitee is fairly and reasonably entitled to indemnification for expenses that the court deems proper; or
- (f) if a court should determine that such indemnification is not lawful.

The indemnity agreement requires the indemnitee to reimburse the Registrant for all reasonable expenses incurred or advanced in defending any criminal or civil suit or proceedings against the indemnitee if the Registrant determines that indemnity is not available.

---

The form of the indemnity agreement is included as an exhibit to this Registration Statement. This summary of the indemnity agreement is qualified in its entirety by reference to the terms and provisions of the form of the indemnity agreement included herein as an exhibit.

In addition, pursuant to the Merger Agreement, the registrant will indemnify, defend and hold harmless all past and present officers, directors and employees of NCRIC and its subsidiaries to the same extent they are indemnified or have the right to advancement of expenses under NCRIC's certificate of incorporation, bylaws and indemnification agreements, and to the fullest extent permitted by law. The registrant will also use best efforts to provide directors and officers liability insurance for a period of three years after completion of the merger to the present and former directors and officers of NCRIC and its subsidiaries with respect to acts and omissions occurring prior to the completion of the merger, but the registrant has no obligation to expend more than 300% of the current amount expended by NCRIC or its subsidiaries. This summary of indemnification under the Merger Agreement is qualified in its entirety by reference to the Merger Agreement which is included as an exhibit to the registration statement.

#### ITEM 7. EXEMPTION FROM REGISTRATION CLAIMED

Not applicable.

#### ITEM 9. UNDERTAKINGS

The undersigned registrant hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(b) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at the time shall be deemed to be the initial bona fide offering thereof.

(c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(d) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or

Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(e) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer, or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
