Dear Shareholder:

You are cordially invited to attend the 2007 Annual Meeting of Shareholders of AtheroGenics, Inc. to be held at the Westin Buckhead Atlanta, 3391 Peachtree Road, Atlanta, Georgia 30326, on Thursday, May 17, 2007, at 9:00 a.m., Eastern Time.

The attached Notice of Annual Meeting and proxy statement describe the formal business to be transacted at the meeting. During the meeting, we will also report on the operations of AtheroGenics during the past year and our plans for the future. Directors and officers of AtheroGenics, as well as representatives from AtheroGenics independent registered public accounting firm, Ernst & Young LLP, will be present to respond to appropriate questions from shareholders.

Please mark, date, sign and return your proxy card in the enclosed envelope or submit a proxy through the internet by following the instructions on the proxy card at your earliest convenience. This will assure that your shares will be represented and voted at the meeting, even if you do not attend.

Sincerely,

MICHAEL A. HENOS
Chairman of the Board

**PROXY STATEMENT
FOR THE ANNUAL MEETING OF SHAREHOLDERS
To Be Held May 17, 2007**

We are providing this proxy statement to the shareholders of AtheroGenics, Inc. in connection with the solicitation of proxies by AtheroGenics to be voted at the 2007 Annual Meeting of Shareholders and at any adjournments of that meeting. The annual meeting will be held at the Westin Buckhead Atlanta, 3391 Peachtree Road, Atlanta, Georgia 30326, on Thursday, May 17, 2007, at 9:00 a.m., Eastern Time.

When used in this proxy statement, the terms we, us, our and AtheroGenics refer to AtheroGenics, Inc.

The approximate date on which we are first sending this proxy statement and form of proxy card to shareholders is April 25, 2007.

VOTING

General

The securities that can be voted at the annual meeting consist of common stock of AtheroGenics, no par value per share, with each share entitling its owner to one vote on each matter submitted to the shareholders. The record date for determining the holders of common stock who are entitled to receive notice of and to vote at the annual meeting is March 16, 2007.

Quorum and Vote Required

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of common stock of AtheroGenics as of the record date is necessary to establish a quorum at the annual meeting and conduct business. As of the record date, 39,467,927 shares of common stock were outstanding and eligible to vote. Accordingly, 19,733,965 shares must be present at the annual meeting either in person or by proxy in order to hold the annual meeting and conduct business. Your shares will be counted as present at the annual meeting if you properly submit a proxy (even if you do not provide voting instructions) or attend the annual meeting and vote in person.

In voting on the proposal to elect three directors (Proposal 1), shareholders may vote in favor of the nominees, withhold their votes as to the nominees or withhold their votes as to specific nominees. The vote required to approve Proposal 1 is governed by Georgia law and is a plurality of the votes cast by the holders of shares entitled to vote, provided a quorum is present. This means the three nominees receiving the greatest number of votes will be elected. In accordance with Georgia law, votes that are withheld will be counted in determining whether a quorum is present but will have no other effect on the election of the directors.

In voting on the proposal to ratify the audit committee's appointment of the independent registered public accounting firm (Proposal 2), shareholders may vote in favor of the proposal, vote against the proposal or abstain from voting. The vote required to approve Proposal 2 is governed by Georgia law, which provides that the proposal is approved if the number of votes cast for the proposal exceeds the number of votes cast against the proposal, provided a quorum is present. As a result, abstentions will be considered in determining whether a quorum is present but will not be

considered in determining the number of votes required to obtain the necessary vote to approve the proposal.

Table of Contents

Under the rules that govern most domestic stock brokerage firms, firms that hold shares in street name for beneficial owners may, to the extent that such beneficial owners do not furnish voting instructions with respect to any or all proposals submitted for shareholder action, vote in their discretion upon proposals which are considered discretionary proposals under those rules. These votes are considered as votes cast in determining the outcome of any discretionary proposal. Brokerage firms that have received no instructions from their clients as to non-discretionary proposals do not have discretion to vote on these proposals. If the brokerage firm returns a proxy card without voting on a non-discretionary proposal because it received no instructions, this is referred to as a broker non-vote on the proposal. Although these broker non-votes will be considered in determining whether a quorum exists at the annual meeting, they will not be considered as votes cast in determining the outcome of any proposal. AtheroGenics believes that Proposals 1 and 2 are discretionary.

As of March 16, 2007 (the record date for the annual meeting), the directors and executive officers of AtheroGenics beneficially owned or controlled approximately 1,366,322 outstanding shares of common stock of AtheroGenics, constituting approximately 3.5% of the outstanding common stock. AtheroGenics believes that these holders will vote all of their shares of common stock in favor of each of the two proposals.

We will announce preliminary voting results at the meeting. We will publish the final results in our quarterly report on Form 10-Q for the second quarter of 2007. We will file that report with the Securities and Exchange Commission, or SEC, and you can get a copy from:

our website at www.atherogenics.com by clicking on the Investor Relations link, followed by the SEC Filings link,

the SEC's website at www.sec.gov,

the SEC at (800) SEC-0330, or

Investor Relations of AtheroGenics, at 8995 Westside Parkway, Alpharetta, GA 30004.

Proxies

Shareholders should specify their choices with regard to each of the proposals on the enclosed proxy card. All properly executed proxy cards delivered by shareholders to AtheroGenics in time to be voted at the annual meeting and not revoked will be voted at the annual meeting in accordance with the specifications noted on the proxy cards. **In the absence of such specifications, the shares represented by a signed and dated proxy card will be voted FOR the election of the director nominees and FOR the ratification of the appointment of the independent registered public accounting firm.** If any other matters properly come before the annual meeting, the persons named as proxies will vote upon these matters according to their judgment.

Any shareholder delivering a proxy has the power to revoke it at any time before it is voted: (1) by giving written notice to the Corporate Secretary of AtheroGenics, at 8995 Westside Parkway, Alpharetta, GA 30004; (2) by executing and delivering to the Corporate Secretary a proxy card bearing a later date; or (3) by voting in person at the annual meeting. However, under the rules of the national securities exchanges, including the Nasdaq Global Market, or Nasdaq, any beneficial owner of AtheroGenics' common stock whose shares are held in street name by a brokerage firm that is a member of those organizations may revoke his or her proxy and vote his or her shares in person at the annual meeting only in accordance with applicable rules and procedures of those organizations, as employed by the beneficial owner's brokerage firm.

In addition to soliciting proxies through the mail, we may solicit proxies through our directors, officers and employees in person and by telephone or facsimile. We may also request brokerage firms, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of shares held of record by them. AtheroGenics will bear all expenses incurred in connection with the solicitation of proxies.

Table of Contents**PROPOSAL 1 ELECTION OF DIRECTORS****Nominees**

Pursuant to our amended and restated articles of incorporation and amended and restated bylaws, our board of directors is divided into three classes, with each director serving a three-year term. Directors are elected to serve until they resign or are removed, or are otherwise disqualified to serve, and until their successors are duly elected and qualified. The directors in Class I, Mr. Bearman, Mr. Bryson and Dr. Dagi, hold office until this annual meeting of shareholders. The directors in Class II, Dr. Alexander, Dr. Barker, Ms. Grayson and Dr. Scott, hold office until the 2008 annual meeting of shareholders. The directors in Class III, Mr. Henos, Dr. Medford and Mr. Pappas, hold office until the 2009 annual meeting of shareholders. No family relationships exist among any of our directors or executive officers.

The board of directors has nominated Mr. Bearman, Mr. Bryson and Dr. Dagi for re-election as Class I directors to serve until the 2010 annual meeting of shareholders.

The nominees have consented to serve another term as directors if re-elected. If the nominees should be unavailable to serve for any reason (which is not anticipated), the board of directors may designate substitute nominees (in which event the persons named on the enclosed proxy card will vote the shares represented by all valid proxy cards for the election of such substitute nominee), allow the vacancies to remain open until a suitable candidate is located, or by resolution provide for a lesser number of directors.

The board of directors unanimously recommends that the shareholders vote FOR the proposal to re-elect David Bearman, Vaughn D. Bryson and T. Forcht Dagi, M.D. as Class I directors for a three-year term expiring at the 2010 Annual Meeting of Shareholders and until their successors have been duly elected and qualified.

the design of computer models of human organs, from 1997 to 1999. From 1983 to 1996, Dr. Scott held numerous positions at the Bristol-Myers Squibb Research Institute, most recently as Senior Vice President of Drug Discovery from 1990 until 1996. Dr. Scott has served as an Adjunct Professor at the Rockefeller University since 1983 and as an Associate Dean and Associate Professor at Rockefeller University.

Table of Contents

Dr. Scott has been a director of Avalon Pharmaceuticals, Inc., a clinical stage biopharmaceutical company, since 1999 and Deltagen, Inc., a provider of drug discovery tools, since 2001.

Board Meetings and Committees

During the year ended December 31, 2006, the board of directors held five meetings. The board has also established three committees: an audit committee, a compensation committee and a corporate governance and nominating committee. During the year ended December 31, 2006, the audit committee held eight meetings, the compensation committee held four meetings and corporate governance and nominating committee held four meetings. Each director attended at least 75% of the aggregate meetings of the board of directors and any committee on which he or she served. Our board of directors has determined that, except for Dr. Medford, all of our directors are independent as defined by the listing standards of Nasdaq.

All members of the board of directors are strongly encouraged, but not required, to attend AtheroGenics' annual meetings of shareholders. At our 2006 Annual Meeting of Shareholders, all of the directors then in office were in attendance.

Audit Committee. The audit committee, which consists of Mr. Bearman, Chairman, Dr. Dagi, Ms. Grayson and Mr. Pappas, is responsible for appointing and overseeing the performance of our independent registered public accounting firm, overseeing our accounting and financial reporting process and reviewing the scope, results and costs of the audits and other services provided by our independent registered public accounting firm. The audit committee has been established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended, or the Exchange Act. The audit committee members are independent directors and meet applicable audit committee independence requirements of Nasdaq listing standards and SEC regulations. The board of directors has determined that Mr. Bearman is an audit committee financial expert.

Compensation Committee. The compensation committee, which consists of Mr. Bryson, Chairman, Dr. Alexander and Mr. Henos, reviews and approves the compensation and benefits for our executive officers, administers our equity ownership plans, and makes recommendations to the board of directors regarding these matters. The members of the compensation committee are independent under Nasdaq listing standards.

Corporate Governance and Nominating Committee. The corporate governance and nominating committee, which consists of Dr. Alexander, Chairman, Dr. Barker, Mr. Pappas and Dr. Scott, oversees all aspects of our corporate governance functions on behalf of the board, including identifying and reviewing the qualifications of candidates to recommend for nomination to the board of directors, reviewing the composition of the board and its committees, monitoring board effectiveness, ensuring compliance with applicable Nasdaq and SEC requirements and making other recommendations to the board regarding matters related to our directors. The corporate governance and nominating committee members are independent directors under Nasdaq listing standards. A copy of the corporate governance and nominating committee charter and our corporate governance guidelines are available on our website at www.atherogenics.com.

The corporate governance and nominating committee has not established any specific minimum qualifications that must be met for recommendation for a position on the board of directors. In considering potential candidates, the committee will include in their assessment attributes that they believe will be most beneficial to the functioning of the board. These attributes, as well as others that are deemed necessary or appropriate, include fulfillment of necessary independence requirements, the highest ethical standards and integrity, an ability to provide wise, informed and thoughtful counsel to senior management on a range of issues and individual backgrounds that provide a diverse experience and knowledge commensurate with our needs.

The corporate governance and nominating committee will use its network of contacts and may also engage a consulting or professional search firm to assist in locating qualified candidates for the board of directors. In 2006, a third-party search firm was contracted to assist in finding qualified candidates to fill the vacancies on the board of directors. The committee will also consider nominations submitted by the

shareholders using the procedures set forth in our bylaws. To recommend a nominee, a shareholder must submit the following information to the committee:

the nominee's name, age, business address and residence address;

the nominee's principal occupation or employment;

the shareholder's name and address;

the number of shares of our common stock beneficially owned by the nominee and by the shareholder; and

any other information that would be required to be disclosed in the proxy statement pursuant to Regulation 14A under the Exchange Act.

This information must be received by the corporate governance and nominating committee at least 120 days prior to the anniversary of the date on which AtheroGenics first mailed its proxy materials for the prior year's annual meeting of shareholders. For the proxy materials relating to the 2008 annual meeting, this date would be December 27, 2007. All notices should be sent to AtheroGenics, Inc., c/o Corporate Secretary, 8995 Westside Parkway, Alpharetta, Georgia 30004. The corporate governance and nominating committee may request other information from the nominee or shareholder to evaluate the nominee or comply with Regulation 14A or other applicable rules and regulations, including Nasdaq requirements, which information must be provided within the time frame provided by the committee for the nominee to be considered. Nominees recommended by a shareholder will be evaluated on the same basis as other nominees.

Communication with the Board of Directors

Shareholders and other interested parties may communicate with the board by writing to the attention of the Board of Directors c/o Corporate Secretary, AtheroGenics, Inc., 8995 Westside Parkway, Alpharetta, Georgia 30004.

Compensation Committee Interlocks and Insider Participation

None of our executive officers serves as a member of the board of directors or compensation committee of any entity that has one or more of its executive officers serving as a member of our board of directors or compensation committee.

Director Compensation

Prior to September 2006, non-employee directors each received \$30,000 in base annual compensation payable in equal quarterly installments, plus \$5,000 for each additional committee membership unless serving as the chairman of the applicable committee, \$10,000 for the chairman of the compensation committee and the corporate governance and nominating committee, \$15,000 for the chairman of the audit committee and \$40,000 for the chairman of the board of directors. Upon initial election to the board of directors, each non-employee director was granted a non-qualified stock option to acquire 24,000 shares of common stock. The exercise price was equal to the fair market value of our common stock on the date of grant and the options vested one-third at the time of election and one-third on each of the first and second anniversaries of election. The chairman and non-employee directors also received annually 36,000 and 16,000, respectively, non-qualified stock options. The exercise price is equal to the fair market value of our common stock on the date of grant and the options vest monthly over one year. In addition, we reimbursed all of our directors for ordinary and necessary travel expenses to attend board and committee meetings.
