ITEM 1.01. Entry into a Material Definitive Agreement.

On October 22, 2007, MasTec, Inc. (MasTec or the Company) entered into a settlement agreement (the Settlement Agreement) to settle the Company s previously disclosed wage and hour lawsuit regarding the Company s install to the home employees who were employed by MasTec from October 2001 through September 28, 2007. The lawsuit which covers current and former employees from California, Florida, Georgia, Maryland, New Jersey, New Mexico, North Carolina, South Carolina, Texas and Virginia, is similar to numerous class action lawsuits filed against others nationwide.

In July 2005, former employees filed a Fair Labor Standards Act (FLSA) collective action against MasTec in the Federal District Court in Tampa, Florida, alleging failure to pay overtime wages as required under the FLSA as well as other state law claims dating back as far as October 2001.

While the Company denies the allegations underlying the lawsuit, it has agreed to enter into the Settlement Agreement in order to avoid significant legal fees, the uncertainty of a jury trial, and other expenses and management time that would have to be devoted to protracted litigation.

The Settlement Agreement, which is contingent upon court approval, provides for a gross settlement payment of no more than \$12.6 million. This payment is all inclusive, including, but not limited to, unpaid overtime and other wages, any and all associated penalties, legal costs, and attorneys fees. The gross settlement amount assumes 100% opt-in by all potential class members. The minimum payments under the Settlement Agreement is approximately \$3.8 million to the plaintiffs attorneys and \$750,000 for the named plaintiffs who have already joined the lawsuit. While difficult to estimate, the Company expects actual payments to be less than the gross settlement amount. We cannot assure you that the Settlement Agreement will be approved by the Court or upheld if challenged on appeal.

As a result of this Settlement Agreement and the Company s recently announced change in legal strategy, the Company expects to book significant additional charges and reserves for the most recent quarter ended September 30, 2007.
