Re: Resurgence Health Group, LLC ( Resurgence ) Offer to Acquire

SunLink Health Systems, Inc. ( SunLink )

Dear Howard:

We are writing to you in your capacity as Special Counsel to the Special Committee of the Board of Directors of SunLink (the Board). As you know, on November 7, 2007, Resurgence submitted a letter to the Board of SunLink, pursuant to which Resurgence offered to purchase in a statutory merger transaction all of the outstanding shares of common stock of SunLink at a cash price of \$7.50 per share (the Offer ). Furthermore, as indicated in the letter and in a Schedule 13D filed with the United States Securities and Exchange Commission, Berggruen Holdings North America Ltd and certain of its affiliates (collectively, Berggruen ), the second largest shareholder of SunLink, has teamed with Resurgence and has agreed to provide the equity financing necessary to enable Resurgence to consummate the transaction.

When the SunLink Board failed to respond substantively to the Offer by December 7, 2007, Resurgence sent a second letter to the Board, pursuant to which Resurgence expressed its surprise and frustration with the lack of a substantive response from the Board and requested a meeting with the Board to discuss the Offer. Additionally, when we spoke about this matter on December 18, 2007 you advised me that the Board had appointed a Special Committee to evaluate the Offer and that we would get a response in due course. You declined my request for such a meeting and, to my surprise, you declined to supply me with the names of the directors who comprise the Special Committee.

---

Howard E. Turner, Esq.  
January 11, 2008  
Page 2

Although more than 60 days have passed since the making of the Offer, no response whatsoever has come either from the Board or the Special Committee. Further, I understand that representatives of Resurgence and Berggruen have also attempted to initiate communications with certain Board members regarding the Offer, but have been rebuffed. Our client and Berggruen understand that Robert Thornton views the Offer as a mere nuisance, indicating that the Board has not given any serious or substantive consideration to the Offer in derogation of its fiduciary duties to SunLink's shareholders, despite the fact that the Offer represents a 24% premium above the market price of SunLink's common stock at a time when SunLink's financial performance and stock price have been in steady and persistent decline. As such, our client believes the offer represents a value-maximizing opportunity for the shareholders.

The Board's refusal to take action to become adequately informed regarding the Offer is also contrary to SunLink's November 8, 2007 press release stating that the Board would consider and respond to the Offer in a reasonable period of time.

Our client is frustrated with the Board's inaction with respect to the Offer and believes that such inaction evidences management's desire to remain entrenched at the expense of SunLink's shareholders. The combination of SunLink's Shareholders Rights Agreement, which was unilaterally adopted by the Board (without many important Institutional Shareholder Services' recommended features), its classified Board structure and the supermajority vote provisions contained in its Code of Regulations further underscore our client's concerns about management's priorities and bring into question whether the Board is complying with its fiduciary duties to act in the best interests of SunLink's shareholders. Our concerns are amplified by the longstanding close personal relationships between management and certain Board members. Of even more concern may be relationships between management and members of the Special Committee. Of course, we cannot assess this latter matter since we do not know who is on the Special Committee. However, we certainly hope that there does not exist any relationship which would impugn the integrity and independence of the Special Committee in this process.

As I believe we discussed when we spoke on December 18, 2007, this should not be a matter that results in acrimonious, contested and protracted claims. However, please understand that our client and its partner Berggruen have not made the offer to create a nuisance; in fact, they are very serious about pursuing this acquisition. A continuation of the Board's tactic of stonewalling will not cause our clients to walk away from this transaction. We strongly urge the Board to proceed in good faith, consistent with its fiduciary duties to SunLink's shareholders. Accordingly, our client again requests a meeting with the Special Committee to discuss the Offer as soon as possible.

The Board of Directors

SunLink Health Systems, Inc.

900 Circle 75 Parkway, Suite 1120

Atlanta, Georgia 30339

Ladies and Gentlemen:

As you are aware, Berggruen Holdings North America Ltd. ( "Berggruen" ) is the beneficial owner of 704,139 shares of common stock, without par value (the "Common Stock" ), of SunLink Health Systems, Inc. ( "SunLink" ), representing approximately 9.4% of the outstanding shares of Common Stock.

We are in receipt of the letter dated January 11, 2008, from Sutherland Asbill & Brennan LLP, counsel to Resurgence Health Group, LLC ( "Resurgence" ), to Howard E. Turner, Esq., a copy of which accompanies this letter. As your second largest shareholder, we are appalled by the matters referred to in that letter.

In short, we are extremely disappointed that more than two months have elapsed since Resurgence submitted on November 7, 2007 its \$7.50 per share, substantial 24% premium offer, backed by us, to effect a cash merger transaction that would result in immediate liquidity and maximum value for all of your shareholders, while you, the Board, continue to watch SunLink's business, financial performance and stock price stagnate and deteriorate. At a minimum, we would have thought that even your most basic adherence to your fiduciary duties to all of your shareholders would have required you, the Board, to respond to our repeated requests to you and executive management to meet with us and Resurgence to become fully informed about our offer. Instead, you have chosen to substantively ignore our offer in disregard of your fiduciary duties and contrary to your own public statements that you, the Board, would consider and respond to the offer in a reasonable period of time (see your own Current Report on Form 8-K dated November 7, 2007 and your press release dated November 8, 2007 filed therewith).

It belies good faith, if not common courtesy, for you to remain silent for more than two months and give no good faith consideration whatsoever to the offer or to even attempt to substantively respond thereto, taking into account the best interests of all of your shareholders.

---

We are deeply concerned about the composition of your so-called Special Committee. While we have been unable to identify the members thereof (because you have not publicly disclosed their identity), in view of the material business, social and personal relationships that exist among various SunLink directors and senior management, including the personal relationship between Howard E. Turner (supposed independent counsel to the Special Committee) and executive management, we seriously question the independence of such committee and its legal advisors.

Notwithstanding your failure to initiate any process or undertake any dialogue with Resurgence or us to date to better understand the offer, we and Resurgence remain prepared to meet with you, the Board, and SunLink's executive management as soon as possible to discuss the offer in detail and to fully and openly respond to all questions you might (and, in accordance with your fiduciary duties, should) have regarding the offer.

We urge you to act not in your own self-interests or in a manner beholden to management, but instead, in the best interests of all of your shareholders by contacting us promptly and meeting with us as soon as possible.

On behalf of all SunLink shareholders, we demand that a true and legitimate independent committee of SunLink directors, with independent outside professional advisors, be established to properly evaluate our offer, advise the Board of its fiduciary duties and act in the best interests of all SunLink shareholders.

To facilitate and better communicate with fellow SunLink shareholders regarding SunLink's business, affairs and management, submitted herewith under separate cover is a written demand, pursuant to Ohio Revised Code Section 1701.37(C), to inspect the books and records and other documents of SunLink described therein.

We expect to hear from you promptly and look forward to meeting with each of you and with management as soon as possible.

Very truly yours,

**Berggruen Holdings North America Ltd.**
