I. INFORMATION ABOUT VOTING

Solicitation of Proxies

Our Board of Directors is soliciting proxies for use at our annual meeting of shareholders to be held on June 16, 2008 (the Annual Meeting) and any adjournments of that meeting. We first mailed this proxy statement, the accompanying form of proxy and our Annual Report to Shareholders for our fiscal year ending February 2, 2008 (fiscal 2007) on or about May 15, 2008.

Agenda Items

The agenda for the Annual Meeting is to:

1. Elect two directors; and
2. Conduct other business properly brought before the meeting.

Who Can Vote

You can vote at the Annual Meeting if you are a holder of our common stock, no par value per share (Common Stock), on the record date. The record date is the close of business on April 11, 2008. You will have one vote for each share of Common Stock. As of April 11, 2008, there were 19,614,657 shares of Common Stock outstanding and entitled to vote.

How to Vote

For Shares Held Directly in the Name of the Shareholder

If you hold your shares in registered form and not through a bank, brokerage firm or other nominee, you may vote your shares in one of two ways:

In Person. If you choose to vote in person, you can come to the Annual Meeting and cast your vote in person; or

Voting By Mail. If you choose to vote by mail, complete the enclosed proxy card, date and sign it, and return it in the postage-paid envelope provided. If you sign your proxy card and return it without marking any voting instructions, your shares will be voted in favor of each of the proposals presented at the Annual Meeting.

For Shares Held Through a Bank, Brokerage Firm or Other Nominee

If you hold your shares through a bank, brokerage firm or other nominee, you may vote your shares in any one of three ways:

In Person. If you choose to vote in person at the Annual Meeting, you must obtain a legal proxy from your bank, brokerage firm or other nominee authorizing you to vote at the Annual Meeting. You can then come to the Annual Meeting and cast your vote in person;

Voting By Mail. If you choose to vote by mail, complete and return to your bank, brokerage firm or other nominee the voting instruction form provided to you by your bank, brokerage firm or other nominee; or

Voting By Telephone or Internet. If you choose to vote by telephone or Internet, vote in accordance with instructions set forth on the voting instruction form provided to you by your bank, brokerage firm or other nominee.

Table of Contents

Use of Proxies

Unless you tell us on the proxy card to vote differently, we plan to vote signed and returned proxies **FOR** the nominees for director. We do not now know of any other matters to come before the Annual Meeting. If they do, proxy holders will vote the proxies according to their best judgment.

Broker Non-Votes

A broker non-vote occurs when banks or brokerage firms holding shares on behalf of a shareholder do not receive voting instructions from the shareholder by a specified date before the Annual Meeting and do not have discretionary authority to vote those undirected shares on specified matters under applicable stock exchange rules. Banks or brokerage firms have this discretionary authority with respect to the election of directors. With respect to matters when banks and brokerage firms do not have discretionary authority and if the beneficial owners have not provided instructions with respect to such matters, those shares will be included in determining whether a quorum is present but will have the effect of a vote against such matters.

Revoking a Proxy or Changing Your Vote

For Shares Held Directly in the Name of the Shareholder

If you hold your shares in registered form and not through a bank, brokerage firm or other nominee, you may revoke your proxy at any time before it is exercised. You can revoke a proxy by:

Submitting a later-dated proxy by mail;

Sending a written notice to the Secretary of Kirkland's. You must send any written notice of a revocation of a proxy so as to be delivered before the taking of the vote at the Annual Meeting to:

Kirkland's Lowell E. Pugh II
Inc. Vice President, General Counsel and Secretary
431 Smith
Lane
Jackson,
TN 38301
Attention:

; or

Attending the Annual Meeting and voting in person. Your attendance at the Annual Meeting will not in and of itself revoke your proxy. You must also vote your shares at the Annual Meeting in order to effectively revoke your previously delivered proxy.

For Shares Held Through a Bank, Brokerage Firm or Other Nominee

If you hold your shares through a bank, brokerage firm or other nominee, you may change your vote at any time by:

Submitting a later-dated voting instruction form by mail to your bank, brokerage firm or other nominee;

Edgar Filing: KIRKLAND'S, INC - Form DEF 14A

Submitting a later-dated telephone or Internet vote in accordance with instructions set forth on the voting instruction form provided to you by your bank, brokerage firm or other nominee; or

Attending the Annual Meeting and voting in person. Your attendance at the Annual Meeting will not in and of itself revoke your voting instructions to your bank, brokerage firm or other nominee. You must also vote your shares at the Annual Meeting in order to effectively revoke your previously delivered voting instructions. In order, however, to vote your shares at the Annual Meeting, you must obtain a legal proxy, executed in your favor, from your bank, brokerage firm or other nominee to be able to vote at the Annual Meeting.

Table of Contents

Quorum Requirement

We need a quorum of shareholders to hold a valid Annual Meeting. A quorum will be present if the holders of at least a majority of the outstanding Common Stock entitled to vote at the Annual Meeting either attend the Annual Meeting in person or are represented by proxy. Broker non-votes and votes withheld are counted as present for the purpose of establishing a quorum.

Vote Required for Action

Directors are elected by a plurality vote of shares present in person or represented by proxy at the Annual Meeting. Other actions are approved if the votes cast in favor of the action exceed the votes cast opposing the action, unless the question is one upon which a larger or different vote is required by express provision of law or by our charter or bylaws. Shares represented by proxies that withhold authority to vote for the election of directors will not be counted in the election of directors in favor of any nominee. **IN THE ABSENCE OF SPECIFIC DIRECTION, SHARES REPRESENTED BY A PROXY WILL BE VOTED FOR THE ELECTION OF ALL DIRECTOR NOMINEES NOMINATED BY THE COMPANY.**

II. THE PROPOSAL TO BE VOTED ON

The Proposal Election of Directors

Our Board of Directors consists of three classes of directors, consisting of two classes of three directors and one class of two directors. The term for each class is three years. Class terms expire on a rolling basis, so that one class of directors is elected each year. Currently, there are eight incumbent directors, consisting of three in Class I whose terms will expire at the 2009 Annual Meeting, two in Class II whose terms will expire at the 2010 Annual Meeting, and three in Class III whose terms will expire at this Annual Meeting.

On April 22, 2008, one of the directors in Class III, David Mussafer, announced that he will not seek reelection to the Board of Directors at this Annual Meeting. Accordingly, there will be two nominees in Class III at this Annual Meeting. Effective upon the expiration of Mr. Mussafer's current term as a director at the Annual Meeting, the Board of Directors has resolved to reduce the number of directors comprising the whole Board of Directors to seven members. The term for the two Class III directors to be elected at the Annual Meeting will expire at the 2011 Annual Meeting.

The nominees for director this year are Robert E. Alderson and Carl Kirkland. Information about the nominees, the continuing directors and the Board of Directors is contained in the next section of this proxy statement entitled Board of Directors.

The Board of Directors expects that both of the nominees will be able and willing to serve as directors. If any nominee is not available, the proxies may be voted for another person nominated by the Board of Directors to fill the vacancy, or the size of the Board of Directors may be reduced.

The Board of Directors recommends a vote FOR the election of Robert E. Alderson and Carl Kirkland to the Board of Directors.

For the assumptions used in the Black-Scholes model, please refer to Note 7 of our consolidated financial statements included within our Annual Report on Form 10-K filed with the SEC on May 1, 2008. Compensation Consultant

In prior years, the Compensation Committee had surveyed retail companies of similar size in terms of sales volume and general compensation philosophy in order to determine the adequacy and appropriateness of compensation to executives. During fiscal 2006, the compensation committee engaged Mercer Human Resource Consulting, an objective compensation consultant, to evaluate the competitiveness of the Company's executive compensation program. The scope of the engagement included:

- Competitive analysis of total direct compensation, including base salary, annual incentives and long-term incentives;
- review of the recent business performance of the Company and its peers and an assessment of the alignment of executive pay and company performance; and
- review of existing annual and long-term equity incentive programs and comparison against peer group norms and best practice standards.

The consultant used published survey information for the retail industry to obtain data for the competitiveness study. The consultant also obtained direct peer data from proxy filings for the top named executive officers. Both of these data sources were used to compile a peer group of Genesco, Inc., Haverty's Furniture, Party City Corp., Hancock Fabrics, Inc., Wilson's Leather Experts, Inc., Hibbett Sporting Goods, Inc., Jos. A. Bank Clothiers, Inc., Casual Male Retail Group, Inc., Chattem, Inc., Ethan Allen Interiors, Inc., Cost Plus, Inc., Bombay Company, Inc., Restoration Hardware, Inc., and A.C. Moore Arts and Crafts, Inc.

The consultant prepared a summary report documenting all findings and observations. The Compensation Committee and management reviewed and analyzed the findings of the consultant and certain of the consultant's recommendations were implemented as part of our compensation philosophy. As a result of the engagement, during 2006, we (i) made adjustments to certain senior management base salaries to ensure competitiveness and aid retention efforts, (ii) adjusted the annual cash incentive plan for senior management to be more heavily-weighted to overall company performance, and (iii) implemented an annual process for considering the granting of stock options or other equity incentives to senior management.

The Committee believes that the detailed review performed by the consultant provides ample data to sustain its knowledge in making executive compensation decisions for the next few years. As such, the Committee does not envision engaging the consultant for a detailed annual review. The Committee reserves the right to engage the consultant on an as-needed basis to help with issues related to executive compensation.

Role of Executives in Establishing Compensation

The Compensation Committee approves and recommends to the Board of Directors all compensation and equity awards to named executive officers, including the Chief Executive Officer and Chief Financial Officer. The Compensation Committee reviews the performance of the Chief Executive Officer through internal committee discussions and the appropriate level of discussion with the executive, and determines the appropriate level of compensation on an annual basis. For the remaining named executive officers, the Chief Executive Officer annually reviews the performance of each individual with the Compensation Committee and makes recommendations to the Compensation Committee as to their respective levels of compensation. The Compensation Committee considers these recommendations in determining the level of compensation for the named executive officers.

Our executives provide assistance in gathering data and information designed to support the decision-making process of the Compensation Committee.

Table of Contents

Compensation Philosophy

The philosophy of our compensation program is centered on the attraction and retention of key retail executives. Compensation packages must be attractive enough to compete nationally for retail talent. Once executives have joined the company, we believe that our compensation programs must provide the appropriate level of incentives in the form of cash and equity to maintain a high level of competitiveness and thereby retain key managers. These objectives align with our overall goal of maximizing our long-term financial results and shareholder value.

Executive pay is structured to consist of the following components:

Salary;

Cash bonuses;

Equity awards; and

Certain other compensation and benefits.

The Committee believes that a significant portion of total compensation for our executives should be allocated to equity incentives that reward the individual on their contribution to the achievement of company targets that align pay with shareholder value. In addition, cash bonuses are available to reward executives for achieving company performance goals and individual goals that greatly contribute to increasing the value of the company.

Base Salary

The Compensation Committee strives to ensure that the base salary of company executives and senior management is at or approaching the market median for each position. Using our compensation consultant, we benchmarked base salaries to those of our peers to ensure that we remain competitive. The base salary levels for our named executive officers are based upon individual performance and responsibility, as well as the peer data described above. Based upon the compensation review of peer data, the base salary levels approved by the Compensation Committee for named executive officers are at or slightly below the average salary levels of the peer group.

Bonus and Non-Equity Incentive Plan Compensation

Our cash bonus program has been designed to provide a short-term incentive to our executives based upon pre-determined performance goals for the company and each individual executive. The Compensation Committee determines the amount of the target bonus annually for each executive expressed as a percentage of base salary.

For fiscal 2007, the bonus for the named executive officers ranged from 50% of base salary to 100% of base salary. These bonus opportunities were determined by the Compensation Committee with reference to our review of the peer group performed by our compensation consultant. For fiscal 2007, the bonuses for our named executive officers were based entirely on company performance, as measured in terms of earnings per share (EPS), as determined through our annual budgeting process. The Committee does reserve the right to adjust the company performance target after it has been established; however, it has not done so during the last three fiscal years. The annual budget is approved by the Board of Directors prior to the beginning of the fiscal year. The company performance goal is structured such that a certain level of payout is attained upon reaching 85% of the company performance target. Conversely, if we attain greater than 100% of the company performance target, payouts can result in executive bonuses higher than the specified bonus potential.

Under this tiered plan, no bonuses would be paid at less than 85% achievement of the company performance target, full bonuses would be paid at 100% achievement, and the bonus opportunity would be increased on a straight-line basis between 85% and 100% achievement. For every point of achievement in excess of 100%, an additional 2% of bonus opportunity would be earned, up to a maximum of 150% target bonus opportunity.

Table of Contents

Calculation of the company performance bonus earned by each executive was based on the final audited financial statements. For fiscal 2007, it was determined that the company performance fell below the 85% threshold of our EPS target; therefore, no bonus amounts were paid out relative to the company performance target.

While it did not do so in 2007, the Compensation Committee reserves the right to include individual performance goals for each named executive as a portion of their bonus structure, and adjust or waive such individual performance goals as deemed necessary. Although it did not do so in 2007, the Compensation Committee may also award discretionary bonuses from time to time to recognize significant achievements and service to the Company.

Stock Options and Equity Awards

Prior to fiscal 2006, the granting of equity-based compensation was not an annual event but rather done on a periodic basis at the direction of the Compensation Committee. In response to the recommendations of our compensation consultant, the Compensation Committee adopted an annual grant process to improve the competitiveness of executive compensation and bring us more in line with our peer group. Equity awards are evaluated on an annual basis and upon the hiring of selected senior positions. Special circumstances may dictate an equity award grant on a one-time basis other than in connection with a new hire, but these situations are rare. There were no such special circumstances and related equity grants in fiscal 2007. The exercise price of each equity award is based on the closing price of our common stock on the date of the grant (if not a business day, the immediately preceding business day) as defined under our 2002 Equity Incentive Plan. For newly hired employees receiving equity awards, the grant of such award occurs on the later of the first day of employment or upon Compensation Committee approval, with the exercise price being based upon the closing price of our common stock on such date.

Potential Payments Upon Termination or Change in Control

We do not maintain a general severance plan, and except as otherwise discussed in this section, there are no provisions for severance or change of control payments for our named executive officers. Our 2002 Equity Incentive Plan does not provide for automatic acceleration of vesting or other benefits in the event of a change of control. The Board of Directors may, in its sole discretion, cause all outstanding options to become fully-vested and immediately exercisable in the event of a change in control. Except as otherwise discussed in this section, there are no change of control vesting acceleration provisions included with any of our stock compensation grants and any severance payments to named executive officers would be subject to the approval of the Compensation Committee. The details regarding the potential post-employment benefits to which our executive officers are entitled are set forth below.

Robert E. Alderson, President and Chief Executive Officer

In May of 2006, the Compensation Committee approved a letter agreement with our President and Chief Executive Officer, Mr. Alderson, providing for certain severance benefits upon his separation from service with us. Pursuant to this agreement, upon his separation from the Company for any reason, Mr. Alderson will receive a single sum payment equal to the discounted present value of 24 monthly payments equal to 1/12 of his then-annual base salary. Additionally, the agreement provides for the continuation of group health benefits through COBRA or otherwise through the Company until the age of 72. The value of these benefits is reflected in the Summary Compensation Table and the All Other Compensation Table included elsewhere in this proxy statement. The payment of such benefits is subject to Mr. Alderson providing the Company with a general release of claims in a form reasonably prescribed by the Company.

Table of Contents

Assuming one of the following events occurred on February 2, 2008, Mr. Alderson's payments and benefits have an estimated value of:

Type of Separation	Guaranteed Severance Benefit	Welfare Benefit Continuation	Value of Option Subject to Acceleration	Company Provided Life Insurance Proceeds
Death	\$ 680,565(1)	\$ 49,305(2)	\$	\$ 10,000(3)

- (1) In the event of death, Mr. Alderson's heirs would be entitled to his severance benefit of a lump sum payment equal to the discounted present value of 24 monthly payments, each representing 1/12 of his base salary. The amount included represents the discounted present value of a 24 month payment stream based on his annual salary level as of February 2, 2008.

- (3) Amount represents life insurance proceeds from Company-provided life insurance policies. Executives enrolled in the Company's health insurance plan receive \$10,000 in additional life insurance coverage over and above the coverage available to other employees enrolled in the plan.

W. Michael Madden, Senior Vice President and Chief Financial Officer

In January of 2008, the Compensation Committee approved an arrangement with Mr. Madden which provides for certain post-employment benefits in the event of a termination of his employment by us without cause or resignation for good reason. Under these circumstances, Mr. Madden would be entitled to severance pay equal to his then-current base salary and continuation of health benefits through COBRA for a period of six months. The payment of any such benefits would be subject to Mr. Madden providing the Company with a general release of claims in a form reasonably prescribed by the Company.

Assuming one of the following events occurred on February 2, 2008, Mr. Madden's payments and benefits have an estimated value of:

	Salary Continuation	Welfare Benefit Continuation	Value of Option Subject to Acceleration	Company Provided Life Insurance Proceeds
Death				10,000(3)
Without Cause or due to Good Reason	115,875(1)	4,236(2)

- (3) Amount represents life insurance proceeds from Company-provided life insurance policies. Executives enrolled in the Company's health insurance plan receive \$10,000 in additional life insurance coverage over and above the coverage available to other employees enrolled in the plan.

The Board of Directors and the Compensation Committee will continue to evaluate the lack of a formal policy and guidelines on executive ownership of Company stock.

VII. RELATED PARTY TRANSACTIONS**Real Estate Lease**

In March 2004, Kirkland's Stores, Inc. entered into a lease for 11,700 square feet of retail real estate located in the Columns development in Jackson, Tennessee. The property is owned by Vann Drive Partners, a joint venture in which

Carl Kirkland, a member of our Board of Directors, and Robert Alderson, our President and Chief Executive Officer and member of our Board of Directors, hold minority equity positions. The term of the lease commenced in May 2004 and continues for an initial period of 5 years, with two 5-year renewal options. The lease provides for minimum rental payments of \$12,000 per month. The lease also provides for the payment of customary additional charges, including taxes and insurance. In fiscal 2007, the Company paid total rent and ancillary charges under the lease of \$154,057. Unless a type of service to be provided by the independent public accountants has received general pre-approval, it will require specific pre-approval by the Audit Committee. Any proposed services exceeding the pre-approved cost level requires specific pre-approval by the Audit Committee.

The Audit Committee has delegated pre-approval authority to the Audit Committee Chairperson and may in the future delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated must report any pre-approval decisions to the Audit Committee at its next scheduled meeting.

Audit Services

The annual audit services engagement terms and fees are subject to the specific pre-approval of the Audit Committee. The Audit Committee approves, if necessary, any changes in terms, conditions and fees resulting from changes in audit scope, Company structure or other matters. In addition to the annual audit services engagement specifically approved by the Audit Committee, the Audit Committee may grant general pre-approval for other audit services, which are those services that only the independent public accountants reasonably can provide.

Audit-Related Services

Audit-related services are assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements or that are traditionally performed by the independent public accountants. The Audit Committee believes that the provision of audit-related services does not impair the independence of the auditor.

Tax Services

The Audit Committee believes that the independent public accountants can provide tax services to the Company, such as tax compliance, tax planning and tax advice without impairing the independence of such independent public accountants. However, the Audit Committee will not permit the retention of the independent public accountants in connection with a transaction initially recommended by the independent auditor, the purpose of which may be tax avoidance and the tax treatment of which may not be supported in the Internal Revenue Code and related regulations.

All Other Services

Any services to be performed by the independent public accountants not classified in any of the aforementioned categories must be specifically pre-approved by the Audit Committee.

Pre-Approval Fee Levels

Pre-approval fee levels for all services to be provided by the independent public accountants are established annually by the Audit Committee. Any proposed services exceeding these levels require specific pre-approval by the Audit Committee.
