The Annual Meeting of Shareholders of M/I Schottenstein Homes, Inc. (the "Company") will be held on Tuesday, April 22, 2003 (the "Annual Meeting"), for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. This Proxy Statement and the accompanying form of proxy are first being sent to shareholders on or about March 20, 2003. This Proxy Statement is furnished in connection with the solicitation of proxies by the Company's Board of Directors (the "Board") for use at the Annual Meeting and at any adjournment thereof. The Annual Report of the Company for the fiscal year ended December 31, 2002, including financial statements, is being mailed to all shareholders together with this Proxy Statement.

Edgar Filing: M I SCHOTTENSTEIN HOMES INC - Form DEF 14A

enclosed proxy card in the envelope provided. Alternatively, shareholders holding common shares registered directly with the Company's transfer agent, EquiServe, may vote their proxy electronically via the Internet or telephonically by following the instructions on their proxy card. The deadline for voting electronically via the Internet or telephonically is 11:59 p.m., Eastern Daylight Time, on April 21, 2003. There are no fees or charges associated with voting electronically via the Internet or telephonically, other than fees or charges, if any, that shareholders pay for access to the Internet and for telephone service. Shareholders holding common shares in "street name" with a broker, bank or other holder of record may also be eligible to vote their proxy electronically via the Internet or telephonically. Such shareholders should review the information provided to them by such holder of record. This information will set forth the procedures to be followed in instructing the holder of record how to vote the "street name" common shares and how to revoke previously given instructions.

You may revoke your proxy at any time before it is exercised at the Annual Meeting by filing a written notice with the Company revoking it, by duly executing a proxy card bearing a later date, by casting a new vote electronically via the Internet or telephonically or by attending the Annual Meeting and voting in person. Attending the Annual Meeting without voting will not revoke a proxy. Subject to such revocation and except as otherwise stated herein or in the form of proxy, all proxies properly executed or properly voted electronically via the Internet or telephonically that are received prior to, or at the time of, the Annual Meeting will be voted in accordance with the instructions contained therein. If no instructions are given (excluding broker non-votes), proxies will be voted for the nominees for election of directors set forth herein, for Proposal Nos. 2 and 3 and, at the discretion of the proxyholders, on all other matters that may properly be brought before the Annual Meeting or any adjournment thereof.

OUTSTANDING SHARES AND VOTING RIGHTS

There were 14,519,969 of the Company's common shares, par value \$.01 per share (the "Common Shares"), issued and outstanding on February 26, 2003 (the "Record Date"), which date has been set as the record date for the purpose of determining the shareholders entitled to notice of, and to vote at, the Annual Meeting. Each Common Share outstanding on the Record Date entitles the holder to one vote on each matter submitted to a shareholder vote at the Annual Meeting. A quorum for the Annual Meeting is a majority of the outstanding Common Shares on the Record Date.

Information concerning the nominees and the remaining members of the Board is set forth below.

Edgar Filing: M I SCHOTTENSTEIN HOMES INC - Form DEF 14A

Unless otherwise specified in your proxy, the Common Shares voted pursuant thereto will be voted FOR each of the persons named below as nominees for election as directors. The Board has no reason to believe that any nominee will not serve if elected. If any nominee becomes unwilling or unable to serve as a director, the proxyholders reserve full discretion to vote the Common Shares represented by the proxies they hold for the election of the remaining nominees and for the election of any substitute nominee designated by the Board.

NOMINATION OF DIRECTORS

Nomination for the election of directors may be made by the Board or a committee appointed by the Board or by any shareholder entitled to vote in the election of directors generally. To nominate one or more persons for election as a director, the Regulations require that a shareholder give written notice of such shareholder's intent to make such nomination or nominations by personal delivery or by United States Mail, postage prepaid, to the Secretary of the Company not less than 60 days nor more than 90 days prior to the first anniversary of the date of the preceding year's annual meeting (or, if the date of the annual meeting is changed by more than 30 days from the anniversary date of the preceding year's annual meeting or in the case of a special meeting, within seven days after the date the Company mails or otherwise gives notice of the date of the meeting). Such notice shall set forth: (1) the name and address of the person or persons to be nominated; (2) a representation that the shareholder is a holder of record entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; (3) a description of all arrangements or understandings between the shareholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the shareholder; (4) such other information regarding each nominee proposed by the shareholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission (the "Commission") had the nominee been nominated, or intended to be nominated, by the Board; and (5) the consent of each nominee to serve as a director of the Company, if so elected. The Chairman of the meeting may refuse to acknowledge the nomination of any person not made in compliance with the foregoing procedure.

BOARD AND COMMITTEE MEETINGS

The Board held six meetings during 2002. The Board has four standing committees: the Audit Committee, the Compensation Committee, the Executive Officer Compensation Committee and the Executive Committee. During 2002, all members of the Board attended at least 75% of all meetings of the Board and of the committees on which they served.

The Board does not have a nominating committee. The full Board currently selects the nominees for directors. However, in response to the rules proposed by the New York Stock Exchange ("NYSE") relating to corporate governance matters, the Board intends to create a nominating committee comprised of independent directors and adopt a written charter for such nominating committee, as contemplated by the proposed NYSE rules, once such rules have been finalized. Similarly, the Board is in the process of developing, and intends to adopt, a code of business conduct and ethics that complies with the requirement for such a code of business conduct and ethics under the proposed NYSE rules and constitutes a code of ethics applicable to the Company's principal executive officer and senior financial officers in accordance with the Sarbanes-Oxley Act of 2002 (the "Sarbanes-Oxley Act") and the rules and regulations promulgated by the Commission implementing the Sarbanes-Oxley Act.

The Audit Committee is organized and conducts its business pursuant to a written charter adopted by the Board (the "Audit Committee Charter"), a copy of which is attached to this Proxy Statement as Annex A. The Audit Committee periodically reviews and reassesses the Audit Committee Charter, and at least annually, obtains the Board's approval of the Audit Committee Charter. The Board is in the process of reviewing the Audit Committee Charter in light of the Sarbanes-Oxley Act and the proposed NYSE rules and intends to adopt a revised Audit Committee Charter that complies with the Commission's rules and regulations implementing the Sarbanes-Oxley Act and the proposed NYSE rules once such rules have been finalized. The Audit Committee's responsibilities include: reviewing the Company's auditing and accounting

4

procedures and policies, the activities of the internal auditors and the Company's independent accountants and auditors, and the independence and objectivity of the independent accountants and auditors, including potential conflicts of interest; monitoring and evaluating the Company's internal controls and procedures for financial reporting; selecting the Company's independent accountants and auditors and approving the fees to be paid to the independent accountants and auditors; and making recommendations concerning these matters to the Board. As contemplated by the Sarbanes-Oxley Act and the rules and regulations promulgated by the Commission thereunder, the Audit Committee will assume sole responsibility for the hiring, retention and fees of the Company's independent accountants and auditors in accordance with the timetable set forth by the Commission. Each member of the Audit Committee qualifies as independent under the rules of the NYSE as currently in effect and as proposed to be revised. The Audit Committee met four times in 2002. The Audit Committee's report relating to the 2002 fiscal year appears on page 19.

The Compensation Committee's duties include reviewing and reporting to the Board on specific compensation matters and administering the Company's stock option plan. The Compensation Committee met four times in 2002. The Compensation Committee's report relating to the 2002 fiscal year appears on page 16.

The Executive Officer Compensation Committee's duties include reviewing and determining the compensation for the Company's Chief Executive Officer and the other executive officers of the Company and developing and administering the plans necessary to ensure that the compensation paid to such officers will be tax deductible. Each member of the Executive Officer Compensation Committee is an outside director for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"). The Board is in the process of developing, and intends to adopt, a written charter for the Executive Officer Compensation Committee that complies with the proposed NYSE rules once such rules have been finalized. The Executive Officer Compensation Committee met four times in 2002. The Executive Officer Compensation Committee's report relating to the 2002 fiscal year appears on page 16.

Between meetings of the Board or when the Board is not in session, the Executive Committee may exercise, to the extent permitted by law, all of the powers and duties of the Board. During 2002, the Executive Committee did not hold any formal meetings but did take four written actions.

PROPOSAL NO. 2

FORMATION OF A HOLDING COMPANY STRUCTURE BY TRANSFERRING OPERATING ASSETS AND CERTAIN ASSOCIATED LIABILITIES TO WHOLLY-OWNED SUBSIDIARIES OF THE COMPANY

Edgar Filing: M I SCHOTTENSTEIN HOMES INC - Form DEF 14A

Under the Company's existing corporate structure, the Company directly owns and operates the assets used in connection with its homebuilding operations in each of its markets, except for those assets used in connection with its Indiana and Florida homebuilding operations, which assets are owned and operated by wholly-owned subsidiaries of the Company. For the reasons described below, the Board has approved, and recommends that the shareholders approve, the restructuring of the Company's corporate structure into a holding company structure (the "Holding Company Restructuring"). The Company currently intends to implement the Holding Company Restructuring by transferring the assets that it directly owns and operates in connection with its homebuilding operations, as well as certain associated liabilities, to five newly-formed, wholly-owned subsidiaries: M/I Homes of Charlotte, LLC, a Delaware limited liability company; M/I Homes of Raleigh, LLC, a Delaware limited liability company; M/I Homes of DC, LLC, a Delaware limited liability company; M/I Homes of Cincinnati, LLC, an Ohio limited liability company; and M/I Homes of Central Ohio, LLC, an Ohio limited liability company.

Specifically, in the Holding Company Restructuring, the Company plans to transfer the operating assets and certain associated liabilities used in connection with its

- Charlotte, North Carolina homebuilding operations to M/I Homes of Charlotte, LLC;
- Raleigh, North Carolina homebuilding operations to M/I Homes of Raleigh, LLC;
- Washington, D.C. homebuilding operations to M/I Homes of DC, LLC;
- Cincinnati, Ohio homebuilding operations to M/I Homes of Cincinnati, LLC; and
- Columbus, Ohio homebuilding operations to M/I Homes of Central Ohio, LLC.

5

As stated above, a separate, wholly-owned subsidiary of the Company already owns and operates the assets used in connection with the Company's homebuilding operations in each of its other markets: Indianapolis, Indiana; Tampa, Florida; Orlando, Florida; and West Palm Beach, Florida. Consequently, following the Holding Company Restructuring, the Company's homebuilding operations in each of its markets, and the assets and certain associated liabilities used in connection therewith, will be carried on and owned by a wholly-owned subsidiary of the Company. The Company's principal assets will change from the operating assets used in connection with its homebuilding operations to the capital stock, membership interests and limited partnership interests of each of its operating subsidiaries. Although the Company's corporate structure will have changed, its business will continue unchanged under the same name.

The Holding Company Restructuring will not affect the Company's management, corporate governance or capital stock. The Company's directors and executive officers immediately prior to the Holding Company Restructuring will continue to be the Company's directors and executive officers immediately following the Holding Company Restructuring.

Similarly, the Company's Amended and Restated Articles of Incorporation and the Regulations will not change in connection with the Holding Company Restructuring. The Company will also continue to be subject to the rules and regulations of the Commission and the NYSE. Thus, following the Holding Company Restructuring, the Company will be subject to the same corporate governance

Edgar Filing: M I SCHOTTENSTEIN HOMES INC - Form DEF 14A

rules and regulations as before the Holding Company Restructuring.

In addition, the Company's capital stock and the shareholders' rights therein will not change as a result of the Holding Company Restructuring. Each Common Share outstanding immediately prior to the Holding Company Restructuring will remain outstanding immediately following the Holding Company Restructuring with the same rights and privileges and will continue to be listed for trading on the NYSE under the current ticker symbol, "MHO." No Common Shares or other shares of capital stock of the Company will be issued in connection with the Holding Company Restructuring. Also, all of the Company's outstanding indebtedness under its credit facilities immediately prior to the Holding Company Restructuring will continue to be outstanding indebtedness of the Company after the Holding Company Restructuring, although the Company's credit facilities may be modified to add the new operating subsidiaries as subsidiary guarantors.

The Company contemplates that each of the limited liability company subsidiaries formed in connection with the Holding Company Restructuring will be managed by a management committee comprised of certain of the Company's executive officers. The employees of the Company who immediately prior to the Holding Company Restructuring provided services exclusively in connection with the Company's homebuilding operations in one market will become employees of the limited liability company subsidiary that is the transferee of the assets and certain associated liabilities used in such market.

The Company's current plan to implement the Holding Company Restructuring by transferring its operating assets and certain associated liabilities to the five wholly-owned subsidiaries named above involves a number of factors. As a result, the Company's implementation of the Holding Company Restructuring may differ in non-material respects from the description in this Proxy Statement. Any such differences will not, individually or in the aggregate, materially adversely affect the Company or its shareholders.

If the shareholders approve the Holding Company Restructuring at the Annual Meeting, the Company will work toward completing the Holding Company Restructuring as soon as reasonably possible thereafter.

6

REASONS FOR THE HOLDING COMPANY RESTRUCTURING

The primary purposes of the Holding Company Restructuring are:

- to provide a framework for future growth;
- to increase the Company's operational and administrative efficiency;
- to provide additional flexibility for financing operations; and
- to protect the Company and each of its subsidiaries from the potential liabilities that arise in connection with homebuilding operations by isolating such liabilities to the homebuilding operation with which they are associated.

FUTURE GROWTH

The Company continually monitors and analyzes potential business

Edgar Filing: M I SCHOTTENSTEIN HOMES INC - Form DEF 14A

opportunities for growth, including opportunities to expand into new markets, acquire competitors in new and existing markets and enter into related lines of business that complement its homebuilding operations. The Company believes that the holding company structure provides a better framework to capitalize on such future growth opportunities than the Company's existing corporate structure. Following the Holding Company Restructuring, if the Company desires to expand into a new market, make an acquisition, enter into a related line of business or pursue a similar business opportunity, the Company can easily integrate such opportunity into its holding company structure by creating a wholly-owned subsidiary to pursue and develop the business opportunity. In addition, as described below, the holding company structure allows the Company to isolate the potential risks and liabilities that may arise in connection with pursuing and developing the business opportunity.

OPERATIONAL AND ADMINISTRATIVE EFFICIENCY

By segregating the Company's homebuilding operations into subsidiaries on a market-by-market basis, the Company believes that the Holding Company Restructuring will increase the Company's operational and administrative efficiency. The holding company structure facilitates the Company's ability to promptly respond to industry or market changes or future needs that are unique to homebuilding operations in one market. In such a case, the applicable subsidiary can address the industry or market change or future need without impacting or involving the other subsidiaries. The holding company structure also fosters managerial accountability and allows each subsidiary to focus on its particular market. In addition, the holding company structure provides a framework to potentially realize income tax savings in the future.

FINANCING FLEXIBILITY

The Company believes that the holding company structure broadens the financing alternatives available to the Company without any impact on its capital structure or creditworthiness. Following the Holding Company Restructuring, the Company will be able to elect whether to raise capital on an enterprise-wide basis or to cause one or more of its subsidiaries to separately raise capital. Similarly, the holding company structure expands the intercompany financing alternatives available to the Company and its subsidiaries.

PROTECTION FROM LIABILITIES

Following the Holding Company Restructuring, a separate subsidiary of the Company will carry on the Company's homebuilding operations in each of its markets. As a holding company, the Company will, directly or indirectly, own all of the outstanding capital stock, membership interests or limited partnership interests of each operating subsidiary, but will be separated from each such subsidiary's homebuilding operations. Similarly, each subsidiary will be a distinct entity representing one of the Company's homebuilding markets and will, therefore, be separate from the homebuilding operations of each other homebuilding market. Provided that the Company and its subsidiaries observe the appropriate corporate, limited liability company or limited partnership formalities applicable to such entity, the Company and its subsidiaries should not be liable for each other's acts and debts. Thus, by separating the Company's homebuilding operations in each market within a distinct subsidiary, the Company believes that the holding company structure affords the Company and each of its subsidiaries better protection from the foreseen and unforeseen potential liabilities that arise in connection with homebuilding operations.

FEDERAL INCOME TAX CONSEQUENCES

Edgar Filing: M I SCHOTTENSTEIN HOMES INC - Form DEF 14A

The Holding Company Restructuring will not have any federal income tax consequences to the Company's shareholders.

REGULATORY APPROVALS

The Company is not required to comply with any material federal or state regulatory requirements or obtain any material federal or state approvals, other than shareholder approval, in connection with completing the Holding Company Restructuring.

RIGHTS OF DISSENTING SHAREHOLDERS

Under Section 1701.85 of the Ohio Revised Code, the Company's shareholders are entitled to exercise dissenters' rights in connection with the Holding Company Restructuring. The following summary is a description of the steps you must take if you desire to perfect dissenters' rights. The summary is not intended to be complete and is qualified in its entirety by reference to Section 1701.85, a copy of which is attached as Annex B to this Proxy Statement. The Company recommends that you consult with your own counsel if you have questions with respect to your rights under Section 1701.85.

"Dissenters' rights" is your right to dissent from the Holding Company Restructuring and have the "fair cash value" of your Common Shares determined by a court and paid in cash. The "fair cash value" of a Common Share is the amount that a willing seller who is under no compulsion to sell would be willing to accept and that a willing buyer who is under no compulsion to purchase would be willing to pay. The "fair cash value" is determined as of the day prior to the day on which the shareholder vote to approve the Holding Company Restructuring is taken. When determining the "fair cash value," any appreciation or depreciation in market value resulting from the proposed Holding Company Restructuring is excluded. In no event can the "fair cash value" of a Common Share exceed the amount specified in the demand of the particular shareholder discussed below.

To perfect your dissenters' rights, you must satisfy each of the following conditions:

- You must be the record holder of the dissenting shares at the close of business on February 26, 2003. If you have a beneficial interest in Common Shares held of record in the name of any other person for which you desire to perfect dissenters' rights, you must cause the holder of record to timely and properly act to perfect such rights;
- You must not vote in favor of approval of the Holding Company Restructuring. You waive your dissenters' rights if you vote for approval of the Holding Company Restructuring;
- On or before the tenth day following the shareholder vote approving the Holding Company Restructuring, you must serve a written demand on the Company for the "fair cash value" of the dissenting shares. The Company will not notify you of the date of such tenth day. The written demand must specify your name and address, the number of Common Shares as to which relief is sought and the amount that you claim as the "fair cash value" of the Common Shares for which you are exercising dissenters' rights;
- If requested by the Company, you must submit to the Company your certificates for the dissenting shares within 15 days after the date the Company sends such request. The Company will then endorse the certificates with a legend that demand for the "fair cash value" has been made; and

Edgar Filing: M I SCHOTTENSTEIN HOMES INC - Form DEF 14A

- If you and the Company cannot agree on the "fair cash value" of your dissenting shares, either you or the Company must, within three months after service of your written demand, file or join in a petition in the Court of Common Pleas of Franklin County, Ohio, for a determination of the "fair cash value" of the dissenting shares.

If you dissent from the Holding Company Restructuring, your right to be paid the "fair cash value" of your Common Shares will terminate if:

- for any reason, the Holding Company Restructuring is not completed;
- you fail to serve a timely and appropriate written demand upon the Company;

8

- you do not, upon request of the Company, make timely and appropriate surrender of the certificates evidencing your dissenting shares for endorsement of a legend that demand for the "fair cash value" of such Common Shares has been made;
- you withdraw your demand with the consent of the Board;
- you and the Company have not agreed upon the "fair cash value" of your dissenting shares and neither you nor the Company has timely filed or joined in an appropriate petition in the Court of Common Pleas of Franklin County, Ohio; or
- you otherwise fail to comply with the requirements of Section 1701.85.

VOTE REQUIRED

The affirmative vote of the holders of two-thirds of the outstanding Common Shares entitled to vote is required to approve the Holding Company Restructuring. Abstentions and broker non-votes will be counted for purposes of establishing a quorum and will have the same effect as a vote against the proposal. The Company's executive officers and directors and members of the Irving E. Schottenstein family, who collectively own, or have voting power with respect to, approximately 27.2% of the outstanding Common Shares, have indicated that they intend to vote FOR the proposal to approve the Holding Company Restructuring.

The Board reserves the right to withdraw the proposal to approve the Holding Company Restructuring at any time prior to the Annual Meeting or to terminate and abandon the Holding Company Restructuring after the Annual Meeting, whether or not the shareholders have approved the Holding Company Restructuring by the requisite vote, if such action is deemed to be in the best interests of the Company and its shareholders.

Edgar Filing: M I SCHOTTENSTEIN HOMES INC - Form DEF 14A

The Board, upon the recommendation of the Audit Committee, has appointed Deloitte & Touche LLP as the Company's independent accountants and auditors for the fiscal year ending December 31, 2003. Deloitte & Touche LLP served as the Company's independent accountants and auditors for fiscal year 2002. Abstentions and broker non-votes will be counted for purposes of establishing a quorum and will have the same effect as a vote against the proposal. The Company's executive officers and directors and members of the Irving E. Schottenstein family, who collectively own, or have voting power with respect to, approximately 27.2% of the outstanding Common Shares, have indicated that they intend to vote FOR the proposal to ratify the appointment of Deloitte & Touche LLP as the Company's independent accountants and auditors. COMPENSATION COMMITTEE AND EXECUTIVE OFFICER COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

General. In 2002, the Executive Officer Compensation Committee reviewed and determined the compensation for the Chief Executive Officer and for each of the other executive officers of the Company. The Compensation Committee reviewed

Edgar Filing: M I SCHOTTENSTEIN HOMES INC - Form DEF 14A

the Company's 401(k) plan with respect to investment selections, returns, audit results and the Company's discretionary contributions. The Compensation Committee also reviewed all stock option awards granted by the Company.

The Company's executive compensation program is intended to serve four primary objectives: (1) attract and retain qualified executives to manage the Company's business; (2) provide executives with incentives to accomplish the Company's business objectives and strategy and meet specific performance goals; (3) encourage stock ownership by executives in order to enhance mutuality of interest with the Company's shareholders; and (4) maximize shareholder value. The Executive Officer Compensation Committee and the Compensation Committee believe that the Company's executive compensation program promotes each of these objectives. Additionally, the Executive Officer Compensation Committee and the Compensation Committee believe that the executive compensation program fosters long-term growth and accountability for performance.

Elements of Compensation. Under the Company's executive compensation program, each of the executive officers of the Company receives compensation in the form of: (1) a base salary; (2) an annual performance bonus; and (3) stock options. The Company's current policy is not to provide pension or other retirement plans for the Company's executive officers other than the Company's 401(k) plan.

Under the Company's Executives' Deferred Compensation Plan, each executive officer has the right to elect to have a portion of his performance bonus invested in Common Shares, the payment of which is deferred until a future date. The Company believes that the Executives' Deferred Compensation Plan serves to further align the interests of the executive officers with the Company's shareholders.

Chief Executive Officer Compensation. The base salary paid to the Chief Executive Officer in 2002 was commensurate with the base salary paid to chief executive officers of other publicly traded, national and regional homebuilders.

The performance bonus for the Chief Executive Officer for 2002 was awarded in accordance with the Company's Executive Officers Compensation Plan, which plan was approved by the Company's shareholders at the 1999 Annual Meeting of Shareholders. Pursuant to the terms of the Executive Officers Compensation Plan, the Executive Officer Compensation Committee established the Award Formula (as defined in the plan) and the Performance Goals (also as defined) for the Chief Executive Officer for 2002. The Award Formula was based upon the Company's achievement of Performance Goals in the following areas: (1) achieving specified levels of net income; (2) return on shareholders' equity; and (3) achieving specified homeowner satisfaction ratings as measured by homeowner surveys conducted by the Company. The total amount that could be earned by the Chief Executive Officer was capped at five times his annual base salary.

In 2002, the Company achieved record net income, return on beginning equity exceeded 23% and homeowner satisfaction ratings exceeded 99%. As a result, the Chief Executive Officer earned the maximum performance bonus available in 2002.

Other Executive Officers' Compensation. The base salaries paid to the President, the Chief Operating Officer and the Senior Vice President/Chief Financial Officer in 2002 were commensurate with the base salaries paid to persons holding comparable positions with other publicly traded, national and regional homebuilders.

Pursuant to the Executive Officers Compensation Plan, the Executive Officer Compensation Committee established the Award Formulas and the Performance Goals for the President, the Chief Operating Officer

Edgar Filing: M I SCHOTTENSTEIN HOMES INC - Form DEF 14A

and the Senior Vice President/Chief Financial Officer for 2002. The Award Formulas for each of these executive officers were based upon the Company's achievement of Performance Goals in the following areas: (1) achieving specified levels of net income; (2) return on shareholders' equity; and (3) achieving specified homeowner satisfaction ratings as measured by homeowner surveys conducted by the Company. The total amount that could be earned by each of the President and the Chief Operating Officer was capped at three and one half times their annual base salaries. The total amount that could be earned by the Senior Vice President/ Chief Financial Officer was capped at one and three quarters times his annual base salary.

In 2002, the Company achieved record net income, return on beginning equity exceeded 23% and homeowner satisfaction ratings exceeded 99%. As a result, the President, the Chief Operating Officer and the Senior Vice President/Chief Financial Officer each earned the maximum performance bonus available in 2002. The President, the Chief Operating Officer and the Senior Vice President/Chief Financial Officer each invested a portion of his performance bonus in Common Shares pursuant to the Executives' Deferred Compensation Plan. In 2002, the Senior Vice President/Chief Financial Officer also received a \$50,000 discretionary bonus based on his outstanding performance as the Chief Financial Officer.

Stock Options. It is the Company's intent to award stock options to the Company's executive officers in amounts reflecting the financial performance of the Company, the executive officer's ability to influence the Company's overall performance and his position. Options are intended to motivate executive officers to improve the Company's financial results and stock performance and to retain executive officers. In 2002, the Compensation Committee approved the award of nonqualified stock options for 137,000 Common Shares at \$28.55 per share (the closing price on the date of grant) to the Named Executive Officers (see "-- Option Grants in Last Fiscal Year"). The nonqualified stock options vest at a rate of 20% per year over the first five years and lapse after ten years unless sooner exercised or forfeited.

Section 162(m) Compliance. Section 162(m) of the Code places certain restrictions on the amount of compensation in excess of \$1,000,000 which may be deducted for each executive officer. In 1999, the Company adopted the Executive Officers Compensation Plan and constituted the Executive Officer Compensation Committee (which consists solely of outside directors for purposes of Section 162(m)) to comply with Section 162(m) and to further ensure that compensation paid to executive officers in excess of \$1,000,000 will be fully deductible. The Company believes that all compensation paid to the executive officers in excess of \$1,000,000 will be fully deductible.

PERFORMANCE GRAPH

This graph charts the Company's performance in the form of cumulative total return to shareholders from December 31, 1997 until December 31, 2002 in comparison to (1) Standard and Poor's 500 Index (the "S&P 500 Index"); (2) Standard and Poor's 500 Homebuilding Index (the "S&P 500 Homebuilding Index"); and (3) the cumulative return on the common stock of the following four publicly traded peer issuers: Beazer Homes USA, Inc., Hovnanian Enterprises, Inc., MDC Holdings, Inc. and NVR, Inc. (the "Former Peer Group"). For fiscal year 2003 and thereafter, the Company intends to include the S&P 500 Homebuilding Index in lieu of the Former Peer Group. As a result of several business combinations involving corporations currently or formerly included within the Former Peer Group, the Company believes that the S&P 500 Homebuilding Index provides a more representative comparison of the Company's performance with respect to its principal competitors. In 2002, Crossmann Communities, Inc., which was formerly included in the Former Peer Group, merged with and into Beazer Homes USA, Inc.

ANNEX A

CHARTER OF THE AUDIT COMMITTEE

OF

M/I SCHOTTENSTEIN HOMES, INC.

I. SCOPE OF THE AUDIT COMMITTEE'S DUTIES AND RESPONSIBILITIES

This Charter governs the duties and responsibilities of the Audit Committee. The Audit Committee shall assist the Board of Directors in fulfilling its oversight responsibilities by providing oversight review of the Company's auditing, accounting and financial reporting processes. In so doing, the Audit Committee shall serve as an independent and objective body and provide a free and open means of communication among the Company's independent auditors, management and internal auditing department, the Audit Committee and the Board of Directors.

The Audit Committee shall periodically review its scope, policies and procedures. At least annually, the Audit Committee shall review and reassess the adequacy of this Charter and obtain the Board of Directors' approval of this Charter. In accordance with SEC rules and regulations, at least every three years, this Charter shall be filed as an appendix to the Company's proxy statement.

II. MEMBERSHIP ON THE AUDIT COMMITTEE

The Audit Committee shall consist of at least three directors selected by the Board of Directors. Each member of the Audit Committee shall be Independent (as defined herein). "Independent" shall mean (i) that the director is free from any relationship with the Company that, in the opinion of the Board of Directors, may interfere with the exercise of his or her independence from

Edgar Filing: M I SCHOTTENSTEIN HOMES INC - Form DEF 14A

management and the Company and (ii) subject to the proviso set forth in the immediately succeeding paragraph, that the director does not have a Restricted Relationship (as defined herein). "Restricted Relationship" shall include any of the following relationships and any other restricted or prohibited relationships set forth from time to time in the SEC Independence Requirements as defined and in the NYSE Listed Company Manual as the same may be amended or restated:

1. A director who is, or any time during the last three years has been, an employee (including non-employee executive officers) of the Company, any of its affiliates or any entity which at any time during the last three years was a former parent or predecessor of the Company;
2. A director (i) who is, or any time during the last three years was, a partner, controlling shareholder, or executive officer of an organization that has a business relationship with the Company, or (ii) who has, or any time during the last three years had, a direct business relationship with the Company (e.g., a consultant), unless, in each case, the Board of Directors determines in its business judgment that the relationship does not interfere with the director's exercise of independent judgment. In making a determination regarding the independence of a director pursuant to this sub-paragraph, the Board of Directors should consider, among other items, the materiality of the relationship to the Company, to the director, and, if applicable, to the organization with which the director is affiliated. For the purposes of this sub-paragraph, "business relationship" can include commercial, industrial, banking, consulting, legal, accounting and other relationships. A director can have a "business relationship" directly with the Company, or the director can be a partner, officer or employee of an organization that has such a relationship.
3. A director who is employed as an executive of another entity where any of the Company's executives serves on the other entity's compensation committee; or
4. A director who is an Immediate Family (as defined herein) member of an individual who is, or any time during the last three years was, an executive officer of the Company or any of its affiliates. "Immediate Family" includes a person's spouse, parents, children, siblings, mothers-in-law and fathers-in-law, sons and daughters-in-law, brothers and sisters-in-law, and anyone (other than employees) who shares such person's home.

A-1

Notwithstanding the requirements set forth in Restricted Relationships Nos. 1 and 4, one director who is no longer an employee or who is an Immediate Family member of a former executive officer of the Company or its affiliates, but is not considered Independent pursuant to the three-year restriction periods set forth in Restricted Relationships Nos. 1 and 4, may be appointed, under exceptional and limited circumstances, to the Audit Committee if the Board of Directors determines in its business judgment that membership on the Audit Committee by the person is required by the best interests of the Company and its shareholders, and the Company discloses, in the next annual proxy statement subsequent to such determination, the nature of the relationship and the reasons for that determination.

Each director serving on the Audit Committee shall be "financially literate," as such qualification is interpreted by the Board of Directors in its business judgment or must become "financially literate" within a reasonable period of time after his or her appointment to the Audit Committee. At least one member of the Audit Committee shall have accounting or related financial

Edgar Filing: M I SCHOTTENSTEIN HOMES INC - Form DEF 14A

management expertise, as the Board of Directors interprets such qualification in its business judgment.

In addition, each director serving on the Audit Committee shall have such qualification(s) and/or experience as may from time to time be required by the applicable rules and standards of the SEC and/or the primary exchange upon which the Company's common shares are then traded, the AICPA and Independence Standards Board (the "Applicable Rules and Standards").

The Chairman of the Audit Committee shall be selected by the Board of Directors or, in the absence of such selection, by the Audit Committee.

III. MEETINGS OF AND WITH THE AUDIT COMMITTEE; QUORUM AND AUDIT COMMITTEE ACTION

The Audit Committee shall meet at least annually, or more frequently as circumstances require. In connection with its duty to provide a free and open means of communication, the Audit Committee may ask members of management of the Company or others to attend any meeting of the Audit Committee. The Audit Committee shall meet at least annually with the Company's internal auditing department, independent auditors and management in separate executive sessions to discuss any matters that the Audit Committee or such groups believe should be discussed privately with the Audit Committee.

The Audit Committee shall obtain confirmation that the outside auditors and the internal auditing department will communicate directly and, on a timely basis, with the Audit Committee or the Chairman of the Audit Committee if such communication is warranted.

A majority of the members of the Audit Committee present in person or by telephone shall constitute a quorum, and action of the Audit Committee shall be by a majority of the members of the Audit Committee; provided, however, that if this Charter, the Audit Committee or the Board of Directors so provides, the Chairman of the Audit Committee may act on behalf of or represent the Audit Committee.

IV. RESPONSIBILITIES, POWERS AND DUTIES OF THE AUDIT COMMITTEE

A. General

1. The Audit Committee shall report Audit Committee actions to the Board of Directors and may make appropriate recommendations to the Board of Directors concerning matters within the Audit Committee's scope of responsibilities.
2. The Audit Committee shall have the power (but not the duty) to conduct or authorize investigations into matters within the Audit Committee's scope of responsibilities. The Audit Committee shall have the authority to retain independent counsel, accountants and others to assist in such investigations and to arrange and commit the Company with respect to compensation for such independent counsel, accountants and others.
3. Commencing in fiscal year 2001, the Audit Committee shall prepare a report of audit committee disclosures to the shareholders of the Company in accordance with the applicable rules and regulations of the SEC. Such report shall be included in the Company's proxy statement.

A-2

4. The Audit Committee may perform any activities consistent with this Charter, the Amended and Restated Articles of Incorporation, the

Edgar Filing: M I SCHOTTENSTEIN HOMES INC - Form DEF 14A

Amended and Restated Regulations and applicable law (including the Applicable Rules and Standards) as the Audit Committee or the Board of Directors deems advisable.

B. Engagement of Independent Auditors

1. The independent auditors shall be ultimately accountable to the Audit Committee and the Board of Directors, and, accordingly, the Audit Committee and the Board of Directors shall have the ultimate authority and responsibility to select, evaluate and, where appropriate, replace the independent auditors (or to nominate the independent auditors to be proposed for shareholder approval in any proxy statement). Consistent with the foregoing, the Audit Committee shall recommend to the Board of Directors for selection (or the replacement of) the independent auditors. The Audit Committee shall annually review the resume of each of the members of the independent auditors' audit team, the independent auditors' written quality control procedures and the written report concerning the independent auditors' most recent peer review. The Audit Committee shall review and approve the fees and other compensation to be paid to the independent auditors.
2. The independent auditors shall not be engaged to provide any services for the Company other than audit services and tax services unless the Audit Committee and the Board of Directors conclude that the engagement will not compromise the independent auditors independence. In addition, the Audit Committee shall ensure that the independent auditor submits to the Audit Committee on a periodic basis a formal written statement delineating all relationships between the independent auditors and the Company that may in their judgment have a bearing on the auditor's independence. The Audit Committee shall be responsible for actively engaging in a dialogue with the independent auditor with respect to any disclosed relationships or services that may impact the objectivity and independence of the independent auditor and for recommending that the Board of Directors take appropriate action in response to the independent auditors' report to satisfy itself of the independent auditors' independence. The Company shall not hire any person for the position of Chief Financial Officer, Treasurer or Corporate Controller who has been an employee of the independent auditor at any time during the proceeding three (3) years, without the approval of the Audit Committee.
3. The Audit Committee shall review, in consultation with management and the independent auditors, the scope of each audit to be conducted by the independent auditors.
4. The Audit Committee shall obtain confirmation that the independent auditors will provide the Audit Committee with all communications required of the independent auditors, including a timely analysis of significant financial reporting issues.
5. The Audit Committee shall obtain confirmation that the independent auditors will be available to the shareholders at the annual meeting and, upon request, to the Audit Committee and the Board of Directors.

C. Responsibilities for Review

1. The Audit Committee shall review any significant findings and recommendations made by the independent auditors together with management's responses to such findings and recommendations.
2. The Audit Committee shall review with management and the independent auditors all such matters as it deems appropriate, and as required by

Edgar Filing: M I SCHOTTENSTEIN HOMES INC - Form DEF 14A

 - f. Any serious difficulties or disagreements between the independent auditors and management or the internal auditing department during the course of the independent auditors' audit, including any restrictions on the scope of their work or access to required information.
3. The Audit Committee shall review with management and the internal auditing department all such matters as it deems appropriate, and as required by the Applicable Rules and Standards, including, but not limited to, the following:
- a. Any significant findings during the year and management's responses to such findings;

Edgar Filing: M I SCHOTTENSTEIN HOMES INC - Form DEF 14A

4. The Audit Committee or the Chairman of the Audit Committee shall meet (in person or by telephone) with the independent auditors and financial and/or senior management at least on a quarterly basis, prior to filing of the Quarterly Report on Form 10-Q and the release of earnings, to review financial matters, specifically the financial information included in the Company's Quarterly Report on SEC Form 10-Q.
5. The Audit Committee shall review with management and the independent auditors and, as appropriate, the internal auditing department, any significant changes to or the selection of the Company's accounting principles and practices.
6. The Audit Committee shall review any legal matter that could have a significant impact on the Company's financial statements.

directors and officers, as set forth in the Company's Amended and Restated Articles of Incorporation and Amended and Restated Regulations and such provisions are adopted by reference herein. ANNEX B

SECTION 1701.85 OF THE OHIO REVISED CODE

(A) (1) A shareholder of a domestic corporation is entitled to relief as a dissenting shareholder in respect of the proposals described in sections 1701.74, 1701.76, and 1701.84 of the Revised Code, only in compliance with this section.

(2) If the proposal must be submitted to the shareholders of the corporation involved, the dissenting shareholder shall be a record holder of the shares of the corporation as to which he seeks relief as of the date fixed for

Edgar Filing: M I SCHOTTENSTEIN HOMES INC - Form DEF 14A

the determination of shareholders entitled to notice of a meeting of the shareholders at which the proposal is to be submitted, and such shares shall not have been voted in favor of the proposal. Not later than ten days after the date on which the vote on the proposal was taken at the meeting of the shareholders, the dissenting shareholder shall deliver to the corporation a written demand for payment to him of the fair cash value of the shares as to which he seeks relief, which demand shall state his address, the number and class of such shares, and the amount claimed by him as the fair cash value of the shares.

(3) The dissenting shareholder entitled to relief under division (C) of section 1701.84 of the Revised Code in the case of a merger pursuant to section 1701.80 of the Revised Code and a dissenting shareholder entitled to relief under division (E) of section 1701.84 of the Revised Code in the case of a merger pursuant to section 1701.801 [1701.80.1] of the Revised Code shall be a record holder of the shares of the corporation as to which he seeks relief as of the date on which the agreement of merger was adopted by the directors of that corporation. Within twenty days after he has been sent the notice provided in section 1701.80 or 1701.801 [1701.80.1] of the Revised Code, the dissenting shareholder shall deliver to the corporation a written demand for payment with the same information as that provided for in division (A) (2) of this section.

(4) In the case of a merger or consolidation, a demand served on the constituent corporation involved constitutes service on the surviving or the new entity, whether the demand is served before, on, or after the effective date of the merger or consolidation.

(5) If the corporation sends to the dissenting shareholder, at the address specified in his demand, a request for the certificates representing the shares as to which he seeks relief, the dissenting shareholder, within fifteen days from the date of the sending of such request, shall deliver to the corporation the certificates requested so that the corporation may forthwith endorse on them a legend to the effect that demand for the fair cash value of such shares has been made. The corporation promptly shall return such endorsed certificates to the dissenting shareholder. A dissenting shareholder's failure to deliver such certificates terminates his rights as a dissenting shareholder, at the option of the corporation, exercised by written notice sent to the dissenting shareholder within twenty days after the lapse of the fifteen-day period, unless a court for good cause shown otherwise directs. If shares represented by a certificate on which such a legend has been endorsed are transferred, each new certificate issued for them shall bear a similar legend, together with the name of the original dissenting holder of such shares. Upon receiving a demand for payment from a dissenting shareholder who is the record holder of uncertificated securities, the corporation shall make an appropriate notation of the demand for payment in its shareholder records. If uncertificated shares for which payment has been demanded are to be transferred, any new certificate issued for the shares shall bear the legend required for certificated securities as provided in this paragraph. A transferee of the shares so endorsed, or of uncertificated securities where such notation has been made, acquires only such rights in the corporation as the original dissenting holder of such shares had immediately after the service of a demand for payment of the fair cash value of the shares. A request under this paragraph by the corporation is not an admission by the corporation that the shareholder is entitled to relief under this section.

(B) Unless the corporation and the dissenting shareholder have come to an agreement on the fair cash value per share of the shares as to which the dissenting shareholder seeks relief, the dissenting shareholder or the corporation, which in case of a merger or consolidation may be the surviving or new entity, within three months after the service of the demand by the dissenting shareholder, may file a complaint in the court of common pleas of the county in which the principal office of the corporation that issued the shares is located or

was located when the proposal was adopted by the shareholders of the corporation, or, if the proposal was not required to be submitted to the shareholders, was approved by the directors. Other dissenting shareholders, within that three-month period, may join as plaintiffs or may be joined as defendants in any such proceeding, and any two or more such proceedings may be consolidated. The complaint shall contain a brief statement of the facts, including the vote and the facts entitling the dissenting shareholder to the relief demanded. No answer to such a complaint is required. Upon the filing of such a complaint, the court, on motion of the petitioner, shall enter an order fixing a date for a hearing on the complaint and requiring that a copy of the complaint and a notice of the filing and of the date for hearing be given to the respondent or defendant in the manner in which summons is required to be served or substituted service is required to be made in other cases. On the day fixed for the hearing on the complaint or any adjournment of it, the court shall determine from the complaint and from such evidence as is submitted by either party whether the dissenting shareholder is entitled to be paid the fair cash value of any shares and, if so, the number and class of such shares. If the court finds that the dissenting shareholder is so entitled, the court may appoint one or more persons as appraisers to receive evidence and to recommend a decision on the amount of the fair cash value. The appraisers have such power and authority as is specified in the order of their appointment. The court thereupon shall make a finding as to the fair cash value of a share and shall render judgment against the corporation for the payment of it, with interest at such rate and from such date as the court considers equitable. The costs of the proceeding, including reasonable compensation to the appraisers to be fixed by the court, shall be assessed or apportioned as the court considers equitable. The proceeding is a special proceeding and final orders in it may be vacated, modified, or reversed on appeal pursuant to the Rules of Appellate Procedure and, to the extent not in conflict with those rules, Chapter 2505. of the Revised Code. If, during the pendency of any proceeding instituted under this section, a suit or proceeding is or has been instituted to enjoin or otherwise to prevent the carrying out of the action as to which the shareholder has dissented, the proceeding instituted under this section shall be stayed until the final determination of the other suit or proceeding. Unless any provision in division (D) of this section is applicable, the fair cash value of the shares that is agreed upon by the parties or fixed under this section shall be paid within thirty days after the date of final determination of such value under this division, the effective date of the amendment to the articles, or the consummation of the other action involved, whichever occurs last. Upon the occurrence of the last such event, payment shall be made immediately to a holder of uncertificated securities entitled to such payment. In the case of holders of shares represented by certificates, payment shall be made only upon and simultaneously with the surrender to the corporation of the certificates representing the shares for which the payment is made.

(C) If the proposal was required to be submitted to the shareholders of the corporation, fair cash value as to those shareholders shall be determined as of the day prior to the day on which the vote by the shareholders was taken and, in the case of a merger pursuant to section 1701.80 or 1701.801 [1701.80.1] of the Revised Code, fair cash value as to shareholders of a constituent subsidiary corporation shall be determined as of the day before the adoption of the agreement of merger by the directors of the particular subsidiary corporation. The fair cash value of a share for the purposes of this section is the amount that a willing seller who is under no compulsion to sell would be willing to accept and that a willing buyer who is under no compulsion to purchase would be willing to pay, but in no event shall the fair cash value of a share exceed the amount specified in the demand of the particular shareholder. In computing such fair cash value, any appreciation or depreciation in market value resulting from the proposal submitted to the directors or to the shareholders shall be

Edgar Filing: M I SCHOTTENSTEIN HOMES INC - Form DEF 14A

excluded.

(D) (1) The right and obligation of a dissenting shareholder to receive such fair cash value and to sell such shares as to which he seeks relief, and the right and obligation of the corporation to purchase such shares and to pay the fair cash value of them terminates if any of the following applies:

(a) The dissenting shareholder has not complied with this section, unless the corporation by its directors waives such failure;

(b) The corporation abandons the action involved or is finally enjoined or prevented from carrying it out, or the shareholders rescind their adoption of the action involved;

B-2

(c) The dissenting shareholder withdraws his demand, with the consent of the corporation by its directors;

(d) The corporation and the dissenting shareholder have not come to an agreement as to the fair cash value per share, and neither the shareholder nor the corporation has filed or joined in a complaint under division (B) of this section within the period provided in that division.

(2) For purposes of division (D) (1) of this section, if the merger or consolidation has become effective and the surviving or new entity is not a corporation, action required to be taken by the directors of the corporation shall be taken by the general partners of a surviving or new partnership or the comparable representatives of any other surviving or new entity.

(E) From the time of the dissenting shareholder's giving of the demand until either the termination of the rights and obligations arising from it or the purchase of the shares by the corporation, all other rights accruing from such shares, including voting and dividend or distribution rights, are suspended. If during the suspension, any dividend or distribution is paid in money upon shares of such class or any dividend, distribution, or interest is paid in money upon any securities issued in extinguishment of or in substitution for such shares, an amount equal to the dividend, distribution, or interest which, except for the suspension, would have been payable upon such shares or securities, shall be paid to the holder of record as a credit upon the fair cash value of the shares. If the right to receive fair cash value is terminated other than by the purchase of the shares by the corporation, all rights of the holder shall be restored and all distributions which, except for the suspension, would have been made shall be made to the holder of record of the shares at the time of termination.
