PROXY STATEMENT

Annual Meeting of Shareholders
May 1, 2003

Introduction

The Board of Directors is soliciting your proxy to encourage your participation in the voting at the Annual Meeting and to obtain your support on each of the proposals. You are invited to attend the Annual Meeting and vote your shares directly. However, even if you do not attend, you may vote by proxy, which allows you to direct another person to vote your shares at the meeting on your behalf.

This Proxy Solicitation

Included in this package are the proxy card and this proxy statement. The proxy card and the identification number on it is the means by which you authorize another person to vote your shares in accordance with your instructions.

This proxy statement provides you with information about the proposals and about The Andersons, Inc. (Corporation) that you may find useful in deciding how to vote. After this introduction, you will find the following six sections:

Board of Directors

Other Information

The Annual Meeting

As shown on the Notice of Annual Meeting, the Annual Meeting will be held on Thursday, May 1, 2003, at The Andersons Activities Building in Maumee, Ohio. The Corporation's Code of Regulations requires that a majority of our Common Shares be represented at the Annual Meeting, either in person or by proxy, in order to transact business. Abstentions and broker non-votes (proxies held in street name by brokers that are not voted on all proposals) will be treated as present for purposes of determining whether a majority is represented.

Table of Contents

Representatives from PricewaterhouseCoopers LLP are expected to attend the meeting. They will have an opportunity to make a statement at the meeting if they desire to do so and are expected to be available to respond to questions.

There were no shareholder proposals submitted for the Annual Meeting. We must receive any shareholder proposals for the 2004 Annual Meeting at our principal offices in Maumee, Ohio by December 31, 2003.

Common Shares Outstanding

On February 28, 2003, The Andersons, Inc. had issued and outstanding 7,206,361 shares of common stock.

Voting

You are entitled to one vote at the Annual Meeting for each Common Share of The Andersons, Inc. that you owned of record as of the close of business on February 28, 2003.

How to Vote Your Shares

You may vote your shares at the Annual Meeting by proxy or in person. Even if you plan to attend the meeting, we urge you to vote in advance. If you own your shares in record name, you may cast your vote in one of two ways:

Vote by telephone: You can vote by phone at any time by calling the toll-free number (for residents of the U.S.) listed on your proxy card. To vote, enter the control number listed on your proxy card and follow the simple recorded instructions. **If you vote by phone, you do not need to return your proxy card.**

Vote by mail: If you choose to vote by mail, simply mark your proxy card, and then date, sign and return it in the postage-paid envelope provided.

Shareholders who hold their shares beneficially in street name through a nominee (such as a bank or a broker) may be able to vote by telephone or the Internet as well as by mail. You should follow the instructions you receive from your nominee to vote these shares.

When you vote by proxy, the shares you hold will be voted in accordance with your instructions. Your telephone or mail proxy vote will direct the designated persons (known as proxies) to vote your shares at the Annual Meeting in accordance with your instructions. The Board has designated Beverly J. McBride, John P. Kraus and Matthew C. Anderson to serve as the proxies for the Annual Meeting.

How to Revoke Your Proxy

You may revoke your proxy at any time before it is exercised by any of the following means:

Notifying Beverly J. McBride, our Corporate Secretary, in writing prior to the Annual Meeting;
Submitting a later dated proxy card or telephone vote;

Table of Contents

Attending the Annual Meeting and revoking your proxy in writing. Your attendance at the Annual Meeting will not, by itself, revoke a proxy.

Voting at the Annual Meeting

Your shares will be voted at the meeting as directed by the instructions on your proxy card or voting instructions if: (1) you are entitled to vote, (2) your proxy was properly executed, (3) we received your proxy prior to the annual meeting, and (4) you did not revoke your proxy prior to the meeting.

The Board's Recommendations

If you send a properly executed proxy without specific voting instructions, the designated proxies will vote your shares for the election of the nominated directors and the ratification of the independent accountants.

Votes Required to Approve Each Item

The Code of Regulations also states that the nominees for director receiving the greatest number of votes shall be elected. Therefore, abstentions and broker non-votes will not count as a vote for or against the election of directors. The ratification of independent accountants requires a majority of the common shares present and eligible to vote. A broker non-vote or abstention will count as a vote against this proposal.

Where to Find Voting Results

We will announce the voting results at the Annual Meeting and will publish the voting results in the Corporation's Form 10-Q for the second quarter ended June 30, 2003. We will file that Form 10-Q with the Securities and Exchange Commission in August 2003.

Proposals

The Board has nominated ten directors each for a one-year term. The Board has approved PricewaterhouseCoopers LLP as the Corporation's independent accountants for the year 2003 and recommends that you vote for their ratification.

Election of Directors

The Board of Directors has nominated and recommends the election of each of the nominees listed below. Each Director that is elected will serve until the next Annual Meeting or until their earlier removal or resignation. Each of the nominees listed is currently a Director of the Corporation. The Board of Directors expects all nominees named below to be available for election. In case any nominee is not available, the proxy holders may vote for a substitute, unless the Board of Directors reduces the number of directors.

Directors will be elected at the Annual Meeting by a plurality of the votes cast at the Annual Meeting by the holders of shares represented in person or by proxy. There is no right to cumulate voting as to any matter, including the election of directors.

Annual growth of 5% results in a share price of \$12.76 per share and 10% results in a price of \$16.11 per share for the five-year option term. See (b) for a discussion of these annual growth factors used in calculating potential realizable value.
- (b) Potential realizable value is based on the assumed annual growth of the Corporation's Common Shares for the option term. Actual gains, if any, on share option exercises are dependent on the future performance of the shares. There can be no assurance that the amounts reflected in this table will be achieved.
- (c) These options, granted on January 1, 2002, were 100% vested immediately and were taken in lieu of salary. Annual growth of 5% results in a stock price of \$16.29 per share and 10% growth results in a price of \$25.94 per share for the ten-year option term. See (b) for a discussion of these annual growth factors used in calculating potential realizable value.

Compensation Committee Report on Executive Compensation

The Compensation Committee of the Board of Directors is pleased to present its report on executive compensation. The Committee exercises the Board's powers in reviewing all aspects of cash and long-term compensation for executive officers and other key employees. All members of the Compensation Committee are independent as defined by the Securities and Exchange Commission and the National Association of Securities Dealers.

Compensation Philosophy. Our compensation philosophy is to endeavor to directly link executive compensation to continuous improvements in corporate performance and increases in shareholder value. We have adopted the following objectives as guidelines for compensation decisions:

Display a willingness to pay levels of compensation that are necessary to attract and retain highly qualified executives.

Be willing to compensate executive officers in recognition of superior individual performance, new responsibilities or new positions.

Take into account historical levels of executive compensation and the overall competitiveness of the market for high quality executive talent.

Implement a balance between short- and long-term compensation to complement our annual and long-term business objectives and strategy and encourage executive performance in fulfilling those objectives.

Provide variable compensation opportunities based on company performance, encourage share ownership by executives and align executive compensation with the interests of shareholders.

Compensation Program Components. We regularly review our compensation program to ensure that pay levels and incentive opportunities are competitive with the market and reflect the

Corporation's performance. Elements of the compensation program for executive officers are further explained below.

Base Salary and Bonus. Base pay levels are largely determined by evaluating the responsibilities of the position held and the experience of the individual and by comparing the salary scale with that of companies of similar size and complexity. Actual base salaries are kept within a competitive salary range for each position that is established through job evaluation and market comparisons. Our bonus program considers a portion of this base salary at risk and determines how much of the at risk dollars are awarded each year based on both quantitative and qualitative factors.

Long-Term Compensation Plan. We sponsor a long-term performance compensation plan that provides certain employees with share options and/or share awards based both on company and individual performance. The exercise price of options is the market price of the Common Shares on the grant date. Share awards may include restrictions that require continued employment prior to vesting.

Employee Benefit Plans. We also sponsor an Employee Share Purchase Plan that allows employees (other than Anderson family members) to purchase Common Shares at the lower of the beginning or end of the year market price. Funding of these purchases is made through payroll deductions.

Chief Executive Officer Compensation. We set the 2002 fiscal year cash compensation for Mr. Michael J. Anderson based on past compensation practices, policies and performance. Taking these factors into account, Mr. Anderson's annual base salary was set at \$340,000 for 2002. He also received a 2002 performance bonus of \$200,000 and a January 1, 2003 grant of 30,000 options. Mr. Anderson elected to receive \$40,000 of his base salary in the form of 10,000 options on the Company's common shares. These options were granted at fair market value on January 1, 2002 and expire ten years from the date of grant. In the future, we will continue to take responsibility for establishing the Chief Executive Officer's annual cash and equity-based compensation. In doing so, the Committee will consider a number of factors, including prior compensation arrangements, corporate performance, individual performance and competitive standards.

Summary. After our review of all existing programs, we continue to believe that the total compensation program for executives is focused on increasing shareholder value and enhancing corporate performance. We currently believe that the compensation of executive officers is properly tied to share appreciation through the Amended and Restated Long-Term Performance Compensation Plan. We also believe that executive compensation levels are competitive with the compensation programs provided by our competitors. All members of the Committee have approved this report.
