ITEM 5. OTHER EVENTS

In April 2002, the Financial Accounting Standards Board (FASB) issued SFAS No. 145, "Rescission of FASB Statements No. 4, 44, and 64, Amendment of FASB Statement No. 13 and Technical Corrections," which, among other things, eliminates the requirement to report certain extinguishments of debt as extraordinary items. As a result, gains and losses from extinguishment of debt should be classified as extraordinary items only if they meet the criteria of Accounting Principles Board Opinion No. 30, "Reporting the Results of Operations--Reporting the Effects of Disposal of a Segment of a Business, and Extraordinary, Unusual and Infrequently Occurring Events and Transactions." The provisions of this Statement were required to be adopted by the Company on January 1, 2003. In connection with the Company's issuance of \$150,000,000 senior notes in July 2003, the Company adopted SFAS No. 145 effective January 1, 2003. Accordingly, the loss on extinguishment of debt of approximately \$5.3 million (net of tax provision of approximately \$2.0 million) in 1998, \$1.3 million (net of tax provision of approximately \$800,000) in 1999 and \$1.2 million (net of tax provision of approximately \$648,000) in 2002 all previously recorded as extraordinary items, have been reclassified as interest and income tax expense in the accompanying consolidated statements of operations and in other financial information.

Exhibits 99.1, 99.2, and 99.3 to this Current Report on Form 8-K, which are incorporated by reference herein, represent revisions of Item 6 - Selected

Edgar Filing: WESTINGHOUSE AIR BRAKE TECHNOLOGIES CORP - Form 8-K

Financial Data, Item 7 - Management's Discussion and Analysis of Financial Condition and Results of Operations, and Item 8 - Financial Statements and Supplementary Data, respectively, from the Company's Annual Report on Form 10-K for the year ended December 31, 2002. The revisions relate to certain reclassifications necessary, as described above, to present losses from early extinguishment of debt recorded in 2002, 1999, and 1998 as part of income from continuing operations in accordance with SFAS No. 145. The revisions of Item 7 - Management's Discussion and Analysis of Financial Condition and Results of Operations also relate to the Company's adoption of a new definition of EBITDA in fiscal year 2003. The items discussed above did not affect net income for any of the five years in the period ended December 31, 2002.

Except as otherwise expressly noted, the financial statement disclosures, management estimates and forward looking statements contained in this Current Report on Form 8-K have not been updated to reflect any developments subsequent to December 31, 2002.
