ITEM 5. OTHER EVENTS AND REGULATION FD DISCLOSURE

On December 16, 2003, Championship Auto Racing Teams, Inc. ("Championship" or "Company") (OTCBB: CPNT.OB) announced that it has entered into an Asset Purchase Agreement ("the Agreement") with Open Wheel Racing Series ("OWRS"). The Agreement would allow OWRS to purchase the assets of CART, Inc. ("CART") needed to operate the Champ Car World Series and the stock of Pro-Motion Agency, Inc., a Championship subsidiary that operates the Toyota Atlantics series. In addition, OWRS will assume from Championship and CART their rights and obligations under certain promoter, sponsor and other contracts. If the transaction is completed, OWRS intends to continue to operate the Champ Car World Series and the Toyota Atlantic series. The total consideration that will be paid if the agreement is completed is \$3.0 million less \$1.5 million in 2003

prize money to teams who are not affiliated with OWRS; which is an obligation of CART being assumed by OWRS.

The Agreement also terminates the previously announced merger agreement that had been entered into between Championship and OWRS on September 10, 2003. As a result, Championship will cancel the special meeting of its stockholders regarding the merger agreement that was scheduled to occur on December 19, 2003. It was reported previously that representatives of OWRS had advised Championship it did not believe that certain conditions to close the merger agreement were going to be met and, therefore, the merger would not be completed. Championship considered OWRS's position and believes that the closing condition requiring the absence of a material adverse effect could not be satisfied because of a decrease in the number of teams planning on participating in the 2004 season.
