PROXY STATEMENT

We are furnishing this proxy statement to our stockholders in connection with the solicitation by the Board of Directors of proxies for use at the annual meeting of stockholders for our fiscal year ended March 31, 2004 ("Fiscal Year 2004"), as well as for use at any adjournment of the annual meeting, for the following purposes:

- To elect two Directors.
- To approve the selection of Deloitte & Touche LLP as our independent auditors for our fiscal year ending March 31, 2005 ("Fiscal Year 2005").
- To transact such other business as may properly come before the annual meeting or any adjournment of the annual meeting.

The annual meeting will be held on Thursday, July 29, 2004, at 11:00 a.m., Eastern Time, at the RIT Inn & Conference Center, 5257 West Henrietta Road, Rochester, New York 14602. This proxy statement and the accompanying form of proxy are being first mailed to our stockholders on or about June 29, 2004.

RECORD DATE AND SHARES OUTSTANDING

The record date for the annual meeting is June 11, 2004. Our records indicate that as of June 11, 2004 there were 1,658,327 shares of our common stock issued and outstanding. If you were a holder of our common stock on June 11, 2004, then you are entitled to one vote at the annual meeting for each share of our common stock that you held on that date.

PROXY CARDS AND VOTING

If we receive the enclosed proxy, properly executed, in time to be voted at the annual meeting, the Board of Directors will vote the shares represented by it in accordance with the instructions marked on the proxy. Executed proxies without instructions marked on them will be voted FOR each of the nominees for election as Directors and FOR the ratification of the appointment of Deloitte & Touche LLP as our independent auditors for Fiscal Year 2005.

Under our By-Laws, Directors are elected by a plurality of the votes cast at the annual meeting. The vote required for approval of any other matter before the annual meeting is a majority of shares present in person or by proxy and entitled to vote on the matter. Under Delaware law, the total votes received, including abstentions and votes on routine matters by brokers holding shares in "street name" or in some other fiduciary capacity, are counted in determining the presence of a quorum at the annual meeting. With respect to the election of Directors, votes may be cast for or withheld from voting for any or all Director nominees. Votes that are withheld will have no effect on the election of Directors. Abstentions may be specified on all proposals other than the election of Directors and will be counted as present for purposes of the matter with respect to which the abstention is noted. Therefore, under our By-Laws and under Delaware law, assuming the presence of a quorum at the annual meeting, non-votes

Edgar Filing: GRAHAM CORP - Form DEF 14A

by brokers will have no effect on any proposal to be acted upon at the annual meeting. However, abstentions would have the effect of "no" votes with respect to ratifying the appointment of Deloitte & Touche LLP as our independent auditors for Fiscal Year 2005.

REVOCABILITY OF PROXIES

Your presence at the annual meeting will not automatically revoke your proxy. However, you can revoke your proxy at any time prior to its exercise at the annual meeting by:

- delivering to our corporate secretary a written notice of revocation prior to the annual meeting;
- delivering to our corporate secretary a duly executed proxy bearing a later date; or
- attending the annual meeting, filing a written notice of revocation with our corporate secretary, and voting in person.

Notices of revocation and revised proxies should be sent to our corporate secretary at the following address: Graham Corporation, Attention: Corporate Secretary, 20 Florence Avenue, Batavia, New York 14020. In addition, notices of revocation and revised proxies can be delivered in person to our corporate secretary or his agents at the annual meeting.

SOLICITATION OF PROXIES

This proxy solicitation is made by the Board of Directors on our behalf, and we will bear the cost of soliciting proxies. In addition to solicitation by mail, our Directors, officers and employees, as well as our subsidiaries, may solicit proxies personally or by telephone or other telecommunication. We will not compensate our Directors, officers or employees or those of our subsidiaries for making proxy solicitations on our behalf. We will provide persons holding shares in their names or in the names of nominees, which in either case are beneficially owned by others, proxy materials for delivery to those beneficial owners and will reimburse the record owners for their expenses in doing so.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The table on the next page sets forth the beneficial ownership of our common stock as of June 11, 2004 by:

- each person who is known to us, based on reports filed with the Securities and Exchange Commission, to own beneficially more than 5% of our common stock;
- each of our "named executive officers" as of that date (See "Executive Compensation" on page 10);
- each of our Directors and Director nominees who beneficially owns shares of our common stock; and
- all of our executive officers as of that date and Directors as a group.

We have calculated beneficial ownership based upon the requirements promulgated by the Securities and Exchange Commission. Unless otherwise indicated below in the footnotes to the table, each stockholder named in the

Edgar Filing: GRAHAM CORP - Form DEF 14A

table has sole voting and investment power with respect to all shares shown as beneficially owned by that stockholder and the designated address of each individual listed in the table is as follows: Graham Corporation, 20 Florence Avenue, Batavia, New York 14020.

The Board of Directors has appointed an unrelated corporate trustee for the ESOP. The employee benefits committee instructs the ESOP trustee regarding investment of funds contributed to the ESOP. The ESOP trustee must vote all allocated shares held in the ESOP in accordance with the instructions of the participating employees. Unallocated shares held in the suspense account are voted by the ESOP trustee in a manner calculated to most accurately reflect the instructions the ESOP trustee has received from participants regarding the allocated stock, provided such instructions do not conflict with the ESOP trustee's fiduciary obligations under ERISA. As of June 11, 2004, all 108,968 shares were allocated to participants under the ESOP and no shares were unallocated.

PROPOSAL 1: ELECTION OF DIRECTORS

We currently have eight Directors. Our By-Laws provide for a classified Board of Directors consisting of three classes of Directors, with each class serving staggered three-year terms. As a result, only a portion of our Board of Directors is elected each year.

Our By-Laws require mandatory retirement at age 75 for directors who become members of the board for the first time after October 2002. No retirements pursuant to this provision have occurred during the last fiscal year.

Director Philip S. Hill has indicated his intention to retire from the Board following the expiration of his current term at this year's annual meeting. Mr. Hill has served as a Director since 1968, ever since the Company first became publicly traded. The entire Board of Directors thanks Mr. Hill for his service to the Company and its shareholders and for his contributions over the years.

The Board of Directors has reduced the size of the Board from eight to seven, effective upon Mr. Hill's retirement.

Two of our eight Directors are to be elected by our stockholders at the annual meeting, each to hold office for a three-year term expiring in 2007 or until his successor is duly elected and qualified.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE ELECTION OF THE NOMINEES TO SERVE AS DIRECTORS

Unless authority to vote for either or both of the nominees is specifically withheld, proxies in the enclosed form will be voted FOR the election of the nominees. The Board of Directors does not contemplate that either of the nominees will be unable to serve as a Director, but if that contingency should occur before the proxies are voted, the persons named in the enclosed proxy reserve the right to vote for such substitute nominees as they, in their discretion, determine.

The table below sets forth information concerning each of our Directors whose term in office expires at the annual meeting.

The Board of Directors has determined that the Audit Committee has at least one audit committee financial expert, Director William C. Denninger. Mr. Denninger and each of the other members of the Audit Committee is "independent" in accordance with the current listing standards of the American Stock Exchange.

In identifying and evaluating nominees for director, the Nominating Committee seeks candidates possessing the highest standards of personal and professional ethics and integrity; practical wisdom, independent thinking, maturity and the ability to exercise sound business judgment; skills, experience and demonstrated abilities that help meet the current needs of the Board; and a firm commitment to the interests of stockholders.

In addition, the Nominating Committee will take into consideration such other factors as it deems appropriate. These factors may include knowledge of the Company's industry and markets, experience with businesses and other organizations of comparable size, the interplay of the candidate's experience with the experience of other Board members, and the extent to which the candidate would be a desirable addition to the Board and any committees of the Board. The Committee may consider, among other factors, experience or expertise in some of the following areas: the heat-transfer industry, global business, science and technology, competitive positioning, corporate governance, finance or economics, public affairs.

Pursuant to our By-Laws, stockholders of record entitled to vote in the election of Directors at any annual meeting may recommend individuals for consideration by the Nominating Committee as potential nominees by submitting written recommendations to our corporate secretary no later than (a) 60 days in advance of the annual meeting, if the annual meeting is to be held within 30 days preceding the anniversary of the previous year's annual meeting, or (b) 90 days in advance of the annual meeting, if the annual meeting is to be held on or after the anniversary of the previous year's annual meeting. In addition, any stockholder submitting a recommendation must provide his or her own name and address as well as the class and number of our shares owned of record and the dates he or she acquired such shares. The stockholder also must describe all arrangements or understandings between the stockholder and the nominee and any other person or persons (naming such person or persons) pursuant

Edgar Filing: GRAHAM CORP - Form DEF 14A

to which the nominations are made by the stockholder. Furthermore, the stockholder must identify any person employed, retained, or to be compensated by the stockholder submitting the nomination or by the person nominated, or any person acting on his or her behalf, to make solicitations or recommendations to stockholders for the purpose of assisting in the election of such nominee, and briefly describe the terms of such employment, retainer or arrangement for compensation.

The Nominating Committee will evaluate nominees proposed by stockholders using the same criteria, and in the same manner, as described above.

MEETING ATTENDANCE

Each Director attended at least 75% of the aggregate of (a) the total number of meetings of the Board of Directors and (b) the total number of meetings of all committees of the Board of Directors on which he or she served (during the periods that he or she served). All Directors attended the Company's 2003 Annual Meeting of Stockholders.

COMMUNICATIONS FROM SECURITY HOLDERS

Stockholders may send communications to the Board, or to individual directors, to the attention of: Cornelius S. Van Rees, Secretary, Graham Corporation, 20 Florence Avenue, Batavia, New York 14020. The Secretary will convey all such communications to the Board, or if addressed to an individual member of the Board, to that director.

COMPENSATION OF DIRECTORS

The Board has one employee-Director who does not receive any remuneration for service on the Board of Directors or on any committee of the Board.

Each of our non-employee Directors receives an annual fee of \$15,000 for service on the Board of Directors. Additionally, each non-employee Director receives a fee of \$1,000 for each Board or committee meeting attended, except that if such meeting is held by telephone conference call or by unanimous written consent, the fee is reduced to \$500. If a Board and/or one or more committees meet on the same day, a full meeting fee is paid for one meeting and one-half of the meeting fee is paid for each additional meeting attended that day. Each non-employee Director who serves on the Executive Committee receives an additional annual fee of \$5,000 for such service. The Chairman of the Board of Directors receives an additional annual fee of \$10,000 for such service. The Chairman of the Audit Committee receives an additional annual fee of \$5,000 and the chairman of each other committee receives an additional annual fee of \$2,000.

Non-employee Directors participate in the Outside Directors' Long-Term Incentive Plan (the "LTIP"). Under the LTIP, for the first five fiscal years in which we produce consolidated net income of at least \$500,000, starting with 1996 for Directors in office at that time and starting with election to the Board of Directors for new Directors, each non-employee Director will be credited with share equivalent units ("SEUs"). Each SEU is valued at the market value of one share of our common stock on the last day of trading of the first quarter following a fiscal year for which SEUs are to be credited. The number of SEUs to be credited is determined by dividing the value of one SEU into \$10,000. Upon termination of a Director's service on the Board of Directors, but not before, SEUs become redeemable, at our option, for either (a) a commensurate number of shares of our common stock or (b) subject to our consent, the cash value of a commensurate number of shares of our common stock as of the termination of service date.

Pursuant to the 1995 Graham Corporation Incentive Plan to Increase

Edgar Filing: GRAHAM CORP - Form DEF 14A

Shareholder Value (the "Incentive Plan"), each of our non-employee Directors was to be granted, annually for four years, an option to purchase 2,250 shares of our common stock at its closing price on the American Stock Exchange on the date of each grant, subject to availability under the Incentive Plan of unissued options reserved for Directors. However, no shares reserved for any non-employee Directors remain in the 1995 Incentive Plan and no grants from it were made to any non-employee Director during Fiscal Year 2004.

8

During Fiscal Year 2004, each of our non-employee Directors on October 24, 2003 was granted an option to purchase 1,000 shares of our common stock at its closing price on the American Stock Exchange on the date of grant, pursuant to the 2000 Graham Corporation Incentive Plan to Increase Shareholder Value.

(1) For the U.S. Retirement Plan (as defined below), with respect to Fiscal Year 2003, \$200,000 was the maximum amount of compensation that could be used as the basis for determining benefits under applicable law; for Fiscal Year 2004 the amount was \$205,000. For the Supplemental Plan (as defined below), with respect to Fiscal Year 2003 only non-contingent compensation over \$200,000 was used as the basis for determining benefits and for Fiscal Year 2004 only non-contingent compensation over \$205,000.

Our Retirement Income Plan is a defined benefit pension plan for the benefit of our eligible domestic employees and the eligible domestic employees of our United States subsidiaries (the "U.S. Retirement Income Plan"). The U.S. Retirement Income Plan takes income into account for future benefits on a calendar year basis. The portion of Fiscal Year 2004 compensation that is taken into account by the U.S. Retirement Income Plan for the purpose of calculating

Edgar Filing: GRAHAM CORP - Form DEF 14A

future pension benefits is as follows: \$205,000 for Mr. Cadena; \$146,931 for Mr. Hansen; \$137,966 for Mr. Lines; \$120,922 for Mr. Marks; and \$137,966 for Mr. Northrup.

The approximate years of creditable service as of June 11, 2004 of each of the named executive officers eligible to participate in the U.S. Retirement Income Plan are as follows: 35 years for Mr. Cadena; 11 years for Mr. Hansen; 20 years for Mr. Lines; 25 years for Mr. Marks; 30 years for Mr. Northrup.

In addition to the U.S. Retirement Income Plan, we maintain a Supplemental Executive Retirement Plan (the "Supplemental Plan") that is intended to provide eligible participants and their surviving spouses and beneficiaries with the amount of employer-provided retirement benefits that the U.S. Retirement Income Plan would provide but for the limitation on compensation that may be recognized under tax-qualified plans imposed by section 401(a)(17) of the Internal Revenue Code and the limitations on benefits imposed by sections 415(b) and (e) of the Internal Revenue Code. Any of our officers whose non-contingent compensation exceeded \$200,000 in 2003, or will exceed \$200,000 in 2004, are eligible to participate in the Supplemental Plan. Currently Mr. Cadena is the only eligible participant. The Supplemental Plan takes income into account for future benefits on a calendar year basis. The amount of Fiscal Year 2004 compensation taken into account by the Supplemental Plan for the purpose of calculating future benefits for Mr. Cadena was \$34,978.

EMPLOYMENT CONTRACTS

Each named executive officer has a one-year Employment Agreement with us that is renewable upon the parties' mutual consent for additional periods. Each Employment Agreement has a termination provision that, in certain circumstances, entitles each named executive officer to a payment equal to 12 months' salary (non-contingent salary only) upon the termination of his employment.

Mr. Cadena and Mr. Hansen are each party to a Senior Executive Severance Agreement with the Company. Each agreement provides that in the event of a change in control (defined generally as an acquisition of 25% or more of our outstanding voting shares, or a change in the majority of the Board of Directors as the result of any tender offer or business combination) effected by a third person, Mr. Cadena and Mr. Hansen are each entitled to three years' compensation, including bonuses, if his employment is terminated within two years of such a change of control.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The members of our Compensation Committee during Fiscal Year 2004 were Directors Lemcke (Chairman) Berkeley, Bidlack, Hill, Malvaso and Van Rees. Director Cornelius S. Van Rees is our corporate secretary but receives no compensation for his service in such capacity. Mr. Van Rees participated in the Board of Directors' deliberations regarding compensation of all of our compensated officers.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Our Compensation Committee establishes levels of cash compensation and forms and amounts of non-cash compensation for our executive officers and our subsidiaries' executive officers. The guiding principles of our Compensation Committee are as follows:

- To provide a reasonable level of compensation sufficient to attract and retain executive personnel best suited by training, ability, and

Edgar Filing: GRAHAM CORP - Form DEF 14A

other relevant criteria for the management requirements of our company.

- To balance base compensation (non-contingent) and incentive compensation (contingent upon performance) for the purpose of motivating executive personnel.
- To determine the extent and method of aligning the financial interest of our executive personnel with the interest of our stockholders in the appreciation of their investment.

For Fiscal Year 2004, the Compensation Committee held the non-contingent salaries of our Chief Executive Officer and of our other executive officers to the level of the previous year. Traditionally, compensation for our Chief Executive Officer and executive officers has been below the mid-range of competitive levels. We believe that compensation for our Chief Executive Officer and other executive officers remains below the median compensation levels for similarly situated executive officers of comparably-sized companies both in our industry and our geographic region. We also believe that non-cash compensation, in the form of stock options, is below that offered by comparably-sized companies both in our industry and our geographic region.

Decisions regarding executive compensation made during Fiscal Year 2004 derived principally from the perceived need to limit increases in costs during a period of difficult business conditions. The Compensation Committee considered the need to continue to provide incentives for members of management and sought to do so by granting stock options to the Chief Executive Officer and other executive officers, as described below.

In the interest of linking corporate performance to officer compensation while maintaining competitive overall nominal salary rates, a portion of the annual salary for each named executive officer is contingent. The contingent portion is payable, on a deferred basis, only following the end of each fiscal year, and payment is subject to attainment of performance-based goals for the year by us and by each named executive officer individually. Under this arrangement, a target performance-based amount for each eligible officer, representing a percentage of non-contingent salary, is recommended to the Compensation Committee annually by the Chief Executive Officer; a target performance-based amount for the Chief Executive Officer is determined by the Compensation Committee. We must meet a predetermined earnings threshold in order for any eligible officer to receive performance-based pay. The actual amount of performance-based pay earned, if any, depends upon the degree of attainment of goals established by the Compensation Committee for each year in the following areas: corporate and subsidiary return on capital employed and an individual performance goal for each officer. These determinations were based on the Compensation Committee's review of pertinent data with reference to literature in the field and to industry practices for comparably-sized companies and expectations of attainable results under existing market conditions.

No contingent compensation was paid to any officer for Fiscal Year 2004.

13

In Fiscal Year 2004, we granted stock options to the Chief Executive Officer and other executive officers. These stock option grants were made pursuant to our 1995 and 2000 Incentive Plans to Increase Shareholder Value for the purpose of further increasing incentives for our officers to increase shareholder value. No stock appreciation rights or other forms of equity compensation were granted.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors and is directly responsible for the compensation, appointment and oversight of the Company's independent auditors. Management has the primary responsibility for the financial statements and the reporting process. The Company's independent auditors, Deloitte & Touche LLP ("Deloitte & Touche"), are responsible for auditing the Company's financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States. Under its written charter, the Audit Committee has the authority to conduct any inquiry appropriate to fulfilling its responsibilities, has direct access to the independent auditors as well as anyone in the Company, and has the ability to retain, at the Company's expense, special legal, accounting, or other consultants or experts it deems necessary in the performance of its duties.

The Audit Committee reviewed and discussed the audited financial statements in the Annual Report with management and Deloitte & Touche. The Audit Committee has also discussed and reviewed with Deloitte & Touche the matters required to be discussed by Statements on Auditing Standards No. 61 -- "Communications with Audit Committees", as amended. In addition, the Audit Committee obtained from Deloitte & Touche the written disclosures and the letter required by Independence Standard No. 1, "Independence Discussions with Audit Committees," as amended, by the Independence Standards Board and discussed with the auditors any relationships that may impact their objectivity and independence. The Audit Committee has also considered whether the provision of non-audit services by Deloitte & Touche is compatible with maintaining their independence, and has satisfied itself with respect to Deloitte & Touche's independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended March 31, 2004 for filing with the Securities and Exchange Commission.

PROPOSAL 2: RATIFICATION OF INDEPENDENT AUDITORS

The Audit Committee of the Board of Directors has selected Deloitte & Touche LLP as our independent auditors for Fiscal Year 2005. This selection will be presented to our stockholders for approval at the annual meeting. The Board of Directors recommends a vote in favor of the proposal to approve and ratify this selection, and, unless otherwise instructed in the proxy, the persons named in the enclosed proxy will vote the proxies FOR this proposal. The Company has been advised by Deloitte & Touche LLP that they are independent auditors with

Edgar Filing: GRAHAM CORP - Form DEF 14A

respect to the Company within the meaning of the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated under such act.

A representative from Deloitte & Touche LLP is expected to be at the annual meeting, will have an opportunity to make a statement if he or she so desires and will be available to respond to appropriate questions during the meeting.

FEES PAID TO DELOITTE & TOUCHE LLP

The Company paid the following fees to Deloitte & Touche LLP for fiscal 2004 and fiscal 2003:

	FISCAL 2004	FISCAL 2003
Audit Fees	\$ 84,030	\$ 79,800
Audit-Related Fees	22,095	24,645
Tax Fees	44,453	58,118
All Other Fees	0	0
TOTAL	\$150,578	\$162,563

Audit fees include fees associated with the annual audit, reviews of the Company's quarterly reports on Form 10-Q and reviews of the Company's registration statements. Audit-related services generally include benefit plan audits and review of accounting for benefit plan curtailment. Tax services primarily include tax compliance and tax planning services. The Company did not pay any fees to Deloitte & Touche LLP during the last two fiscal years for financial system design and implementation.

The Audit Committee has determined that the provision of non-audit services described above has not compromised the independence of Deloitte & Touche LLP.

The Audit Committee has adopted procedures for pre-approving all audit and permitted non-audit services provided by the Company's independent auditor. The Audit Committee annually pre-approves a list of specific services and categories of services, subject to a specified cost level. Part of this approval process includes making a determination on whether non-audit services are consistent with the SEC's rules on auditor independence. The Audit Committee has delegated pre-approval authority to the Chairman of the Audit Committee, subject to reporting any such approvals at the next subsequent Audit Committee meeting. The Audit Committee quarterly monitors the services rendered and actual fees paid to the independent auditors to ensure such services are within the scope of approval.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT
STOCKHOLDERS VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT
OF DELOITTE & TOUCHE LLP AS INDEPENDENT AUDITORS

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

1. LONG-TERM STOCK OWNERSHIP PLAN

Edgar Filing: GRAHAM CORP - Form DEF 14A

At our annual meeting for Fiscal Year 2000, our stockholders approved the Long-Term Stock Ownership Plan of Graham Corporation. Certain of our Directors and named executive officers are participants in this plan and are indebted to us for a balance due on the purchase of shares of our common stock at the closing price on the American Stock Exchange on the date of purchase, which was April 5, 2001.

As of June 11, 2004, pursuant to the terms of both a stock subscription agreement executed by each participant in this plan and a note executed by each such person, Mr. Cadena is indebted to us in the amount of \$18,302, Mr. Hansen is indebted to us in the amount of \$13,063 and Mr. Northrup is indebted to us in the amount of \$12,466. Of the Director participants as of the same date, Mr. Bidlack is indebted to us for \$42,896, Mr. Hill for \$25,736, Mr. Lemcke for \$44,684 and Mr. Van Rees for \$ 42,896. The largest aggregate amount of indebtedness to us by each participating officer since the beginning of our last fiscal year was \$156,406 for Mr. Cadena, \$100,100 for Mr. Hansen and \$100,100 for Mr. Northrup. The largest aggregate amount of indebtedness outstanding during the fiscal year for each participating Director was \$50,048 for Mr. Bidlack, \$30,028 for Mr. Hill, \$51,836 for Mr. Lemcke and \$50,048 for Mr. Van Rees. Each subscription agreement states that 18 months after purchasing the shares of common stock, a participant is entitled to sell up to 50% of his shares and that the participant agrees to hold the remainder of his shares until such time as he terminates employment with us or his service as a Director ends. The terms of each note provide that a participant will repay the balance of the note in thirty-two equal consecutive quarterly installments beginning on June 30, 2002.

The loans are interest-free during a participant's employment with the Company or service as Director. Interest on each note is imputed as income to each participant at the applicable federal rate established by the Internal Revenue Service. Shares remain in our custody until a participant's note is paid in full, unless the participant sells his shares (when and to the extent permitted). Each note provides that until it is paid in full, any shares sold will be sold through a broker who will forward any proceeds, less expenses, to us to pay off all or a portion of such note. Each note also contains provisions that grant a security interest to us in the purchased shares and any proceeds from any subsequent sale of the purchased shares. If a participant ceases to be an officer or director any time after 18 months after purchase, the participant may sell all or a portion of his shares. However, because the subscription agreement states that no participant may sell any shares prior to 18 months after purchase, if a participant ceases to be an officer or director prior to 18 months after purchase, such participant has the discretion to retain or sell all or a portion of his shares only if we waive our rights under that provision in such participant's subscription agreement.

The Sarbanes-Oxley Act that became law on July 30, 2002 prohibits any further loans under the Long-Term Stock Ownership Plan. It also prohibits renewal, or any material modification of the terms, of any of the loans outstanding under the plan.

2. CONSULTATION AGREEMENTS

Director Cornelius S. Van Rees, Secretary to the Company, is party to a consultation agreement with the Company whereby he is compensated \$22,000 annually to consult with the Company regarding legal matters.

EMPLOYEE BENEFITS COMMITTEE

June 29, 2004

Dear Plan Accountholder:

The Employee Stock Ownership Plan of Graham Corporation ("ESOP") has a related trust (the "ESOP Trust") which owns common stock of Graham Corporation ("Graham"). GreatBanc Trust Company as trustee of the ESOP is a stockholder of Graham and may vote on matters presented for stockholder action at Graham's 2004 Annual Meeting of Stockholders scheduled to be held on July 29, 2004 ("Annual Meeting").

The ESOP Trust provides that in casting its vote at the 2004 Annual Meeting, the ESOP Trustee is to follow directions given by Graham's Employee Benefits Committee ("Committee"). The Committee in turn follows instructions provided by participants, former participants and beneficiaries of deceased former participants with respect to the Graham common stock allocated to their accounts in the ESOP as of June 11, 2004.

The records for the ESOP indicate that you are among the individuals who may give voting instructions. You may give your instructions by completing and signing the enclosed Confidential Voting Instruction Card ("Instruction Card") and returning it in the envelope provided to the Burke Group, which maintains the records for this plan. The Instruction Card lets you give instructions for each matter expected to be presented for stockholder action at the Annual Meeting. The Committee expects the Burke Group to tabulate the instructions given on a confidential basis and to provide the Committee with only the final results of the tabulation. The final results will be used in directing the ESOP Trustee.

The voting of the common stock held by the ESOP Trust is subject to legal requirements under the Employee Retirement Income Security Act of 1974, as amended. The Committee, in consultation with its legal advisors, considers these requirements in establishing voting instruction procedures and directing the ESOP Trustee how to vote. The remainder of this letter describes the voting procedures which the Committee expects to follow for the 2004 Annual Meeting.

Edgar Filing: GRAHAM CORP - Form DEF 14A

How your voting instructions count depends on whether it was anticipated that the matter being voted upon would be presented for stockholder action at the Annual Meeting; if you had an interest in the ESOP Trust on the proper date; and how large your interest was, as follows:

ANTICIPATED PROPOSALS

If Graham Common Stock Was Allocated to Your Account Under the ESOP Trust as of June 11, 2004

In general, the ESOP Trustee will be directed to vote the number of shares of Graham common stock (if any) held by the ESOP Trust and allocated as of June 11, 2004 to your individual account under the ESOP according to the instructions specified on the reverse side of the Instruction Card. The Instruction Card shows the number of shares of Graham common stock allocated to your individual account under the ESOP Trust as of June 11, 2004. If you do not file the Instruction Card by July 16, 2004, you will be deemed to have instructed the ESOP Trustee to ABSTAIN as to all proposals.

UNANTICIPATED PROPOSALS

- 2 -

It is possible, although very unlikely, that proposals other than those specified on the Instruction Card will be presented for stockholder action at the 2004 Annual Meeting. If this should happen, the ESOP Trustee will be instructed to vote upon such matters in their discretion, or to cause such matters to be voted upon in the discretion of the individuals named in any proxies executed by them.

Your interest in the ESOP Trust offers you the opportunity to participate, as do Graham's stockholders, in decisions that affect Graham's future, and we encourage you to take advantage of it. To help you decide how to complete the Instruction Card, enclosed is a copy of the Proxy Statement that is being furnished to all holders of Graham common stock in connection with the 2004 Annual Meeting. Please complete, sign and return your Instruction Card today. Your instructions are important regardless of the size of your interest in the ESOP Trust.

If you have questions regarding the terms of the ESOP, or how to complete the Instruction Card, please call J. Ronald Hansen, Vice President-Finance & Administration at (585) 343-2216.

Sincerely,

EMPLOYEE BENEFITS COMMITTEE
