On March 29, 2005, NACCO Industries, Inc. (NACCO), The North American Coal Corporation (NA Coal), NACCO Materials Handling Group, Inc. (NMHG), Hamilton Beach/Proctor-Silex, Inc. The Annual Incentive Plans provide that each participant is eligible to earn a target incentive award during the award term of January 1, 2005 to December 31, 2005. Final awards for each individual under the Annual Incentive Plans are based on the participant s target award measured against established performance criteria and, for all such plans except the Supplemental Plan, performance by the participant against individual goals. The Compensation Committee of the Board of Directors of each of NACCO, NA Coal, NMHG, HB/PS and KCI (collectively referred to herein as the Compensation Committees), in its discretion, may also increase or decrease awards under its respective Annual Incentive Plan (except for the Supplemental Plan pursuant to which awards may be decreased, but not increased) and, except for the Supplemental Plan, may approve the payment of awards where performance would otherwise not meet the minimum criteria set for payment of awards. Awards under the Annual Incentive Plans range from 0% to 150% of the participant s target award amount.

For 2005, the performance criteria under the Annual Incentive Plans are as follows:

NACCO Annual Incentive Plan: 60% of the award is based on the performance criteria (other than return on total capital employed) established under the Annual Incentive Plans for NACCO s subsidiaries and 40% of the award is based on NACCO s consolidated return on total capital employed;

Supplemental Plan: NACCO s consolidated return on total capital employed;
