INDEPENDENT AUDITORS REPORT

To the Board of Trustees and Shareholders

U-Store-It Trust

Cleveland, Ohio

We have audited the accompanying combined statement of revenues and certain operating expenses of the Sure Save Storage Portfolio (the Properties) for the year ended December 31, 2005. The statement is the responsibility of the Properties management. Our responsibility is to express an opinion on this statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America.

Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement is free from material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Properties internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the statement. We believe that our audit provides a reasonable basis for our opinion.

The accompanying combined statement of revenues and certain operating expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission and for inclusion in Form 8-K/A of U-Store-It Trust, as described in Note 1. This presentation is not intended to be a complete presentation of the Properties revenues and expenses.

In our opinion, the statement referred to above presents fairly, in all material respects, the revenues and certain operating expenses described in Note 1 of the Properties for the year ended December 31, 2005, in conformity with accounting principles generally accepted in the United States of America.
