Morgan's Foods, Inc. ("Company") is unable to file its Annual Report on Form 10-K for the fiscal year ended February 26, 2006 by the prescribed due date of May 30, 2006 without incurring unreasonable effort and expense. The Company requires additional time to complete the analysis of a technical accounting issue related to the determination of the amount of its deferred tax asset valuation allowance. The issue was identified during the fiscal 2006 closing process. Depending upon the final results of this analysis, the Company may be required to restate its financial statements for 2003, 2004 and 2005 with respect to its deferred tax asset valuation allowance, which would also cause deferred tax expense and net income to change. If the Company determines it is necessary to restate its prior financial statements, there will be no impact on the Company's previously reported cash flow or cash position. The Company expects to complete this analysis and file its Annual Report on Form 10-K by June 14, 2006.
