**Item 2.02. Results of Operations and Financial Condition.**

On January 23, 2008, Stephen D. Newlin, Chairman, President and Chief Executive Officer of PolyOne Corporation (the Company), will deliver a presentation at the Sidoti & Company Fifth Annual Emerging Growth Institutional Investor Forum in Palm Beach, Florida. The presentation is scheduled to begin at 9:05 a.m., Eastern Time. A copy of the slide show to be handed out at this presentation is attached as Exhibit 99.1.

The slide show contains preliminary estimates of the Company's results of operations for the fiscal year ended December 31, 2007, which remain subject to change as the Company finalizes its financial statements for such period.

The slide show also contains the following non-GAAP financial measures: pro forma revenue; gross margin; and operating income (loss) before special items. Below are reconciliations to the most directly comparable GAAP financial measures. The Company is unable to provide a reconciliation for non-GAAP financial measures for periods beyond 2006 without unreasonable efforts.

The Company has provided pro forma revenue, which includes revenue from the recently acquired GLS Corporation, to give an indication of the potential impact of the GLS acquisition on PolyOne's revenue. PolyOne's chief operating decision maker uses the other non-GAAP financial measures to monitor and evaluate the ongoing performance of the Company and each business segment and to allocate resources. In addition, operating income before special items is a component of various PolyOne annual and long-term employee incentive plans.

The information in this Form 8-K, including Exhibit 99.1 attached hereto, shall not be deemed to be filed for purposes of Section 18 of the Securities Exchange Act of 1934 (the Exchange Act), or otherwise subject to the liability of such section, nor shall it be deemed incorporated by reference in any filing of the Company under the Securities Act of 1933 or the Exchange Act, regardless of any general incorporation language in such filing, unless expressly incorporated by specific reference in such filing.
