***EXPLANATORY NOTE***

Middlefield Banc Corp. is filing this Post-Effective Amendment No. 1 to Form S-8 Registration Statement to deregister certain securities originally registered by Middlefield Banc Corp. pursuant to its Registration Statement on Form S-8 (Commission File No. 333-65432 and referred to herein as the Registration Statement ) filed with the United States Securities and Exchange Commission on July 19, 2001, with respect to shares of Middlefield Banc Corp. s common stock, no par value, to be offered and sold pursuant to the 1999 Stock Option Plan. A total of 153,932 shares of common stock, as adjusted for stock dividends, were initially registered for issuance under the 1999 Stock Option Plan.

Middlefield Banc Corp. has since adopted a new equity incentive plan, the 2007 Omnibus Equity Plan, which replaces the 1999 Stock Option Plan as of May 14, 2008, the date Middlefield Banc Corp. s stockholders approved the 2007 Omnibus Equity Plan. No future awards will be made under the 1999 Stock Option Plan. The shares of common stock that were available for grant under the 1999 Stock Option Plan as of May 14, 2008, (the Carried Forward Shares ) and any shares that otherwise would have been returned to the 1999 Stock Option Plan after May 14, 2008, on account of the cancellation, expiration, forfeiture, or other termination without delivery of awards granted thereunder are included in the reserve of shares available for issuance under the 2007 Omnibus Equity Plan. The total number of shares of common stock available for grant under the 1999 Stock Option Plan on May 14, 2008, was 65,721. The Carried Forward Shares are hereby deregistered. The Registration Statement otherwise remains in effect as to the shares of common stock remaining available for offer and sale pursuant thereto.

Contemporaneously with the filing of this Post-Effective Amendment No. 1 to Form S-8 Registration Statement, Middlefield Banc Corp. is filing a Registration Statement on Form S-8 to register the shares of common stock available for offer or sale pursuant to the 2007 Omnibus Equity Plan (the New Registration Statement ), including the Carried Forward Shares.

In accordance with the principles set forth in Interpretation 89 under Section G of the Manual of Publicly Available Telephone Interpretations of the Division of Corporation Finance of the Securities and Exchange Commission (July 1997) and Instruction E to the General Instructions to Form S-8, this Post-Effective Amendment No. 1 to Form S-8 Registration Statement is hereby filed (i) to reallocate the Carried Forward Shares from the 1999 Stock Option Plan to the 2007 Omnibus Equity Plan and (ii) to carry over from the Registration Statement to the New Registration Statement the registration fees paid for the Carried Forward Shares being registered under the New Registration Statement.

To the extent any additional shares of common stock that remain subject to outstanding awards under the 1999 Stock Option Plan otherwise would have been returned to the 1999 Stock Option Plan after May 14, 2008, on account of the cancellation, expiration, forfeiture, or other termination without delivery of such outstanding awards, those shares of common stock instead will be included in the reserve of shares of common stock for issuance under the 2007 Omnibus Equity Plan. Accordingly, Middlefield Banc Corp. may periodically file additional post-effective amendments to the Registration Statement and additional Registration Statements on Form S-8 in order to carry forward such shares of common stock from the 1999 Stock Option Plan to the 2007 Omnibus Equity Plan for issuance thereunder.
