-

**ITEM 8.01 Other Events**

On December 9, 2008, General Motors Corporation ( GM ) and GMAC LLC ( GMAC ) agreed on a temporary basis to adjust GMAC 's terms for making advance payments to GM for wholesale financing of vehicles sold to GM dealers. GM typically has an increase in its inventory levels in advance of the year-end shut down and this adjustment will help finance purchases of this inventory. Ordinarily, GMAC pays GM the invoice amount for a vehicle shipped by GM to a GMAC financed dealer on the first business day after the shipping date. Beginning on December 9, 2008, GMAC will be obligated to pay GM the invoice amount when such amounts are due from dealers. As a result of this change in payment terms, GMAC will be able to defer payment until December 30, 2008 of up to \$1.5 billion in cash due to GM. During the shipping period GM will have a security interest in the financed vehicles.
