### **Item 1.01. Entry into a Material Definitive Agreement.**

Burlington Resources Inc., a Delaware corporation (the “Company”), ConocoPhillips, a Delaware corporation, and Cello Acquisition Corp., a Delaware corporation and a wholly-owned subsidiary of ConocoPhillips (“Merger Sub”), have entered into an Agreement and Plan of Merger (the “Merger Agreement”), dated as of December 12, 2005. The Merger Agreement provides that, upon the terms and subject to the conditions set forth in the Merger Agreement, the Company will merge with and into Merger Sub, with Merger Sub continuing as the surviving corporation (the “Merger”).

On March 29, 2006, the Board of Directors of the Company, took the following actions with respect to certain of the Company’s plans and agreements:

#### **BURLINGTON RESOURCES INC. 2005 DEFERRED COMPENSATION PLAN**

The Board of Directors of the Company adopted the Burlington Resources Inc. 2005 Deferred Compensation Plan (the “2005 Deferred Compensation Plan”). The 2005 Deferred Compensation Plan is a nonqualified plan permitting designated employees to defer base salary for periods after December 31, 2004 until termination of employment. The 2005 Deferred Compensation Plan also serves as a vehicle for deferrals after December 31, 2004 under certain other plans (including the Burlington Resources Inc. Incentive Compensation Plan, the Burlington Resources Inc. 2001 Performance Share Unit Plan, and the Burlington Resources Inc. 2005 Performance Share Unit Plan). During the deferral period, the deferred amounts may be invested at the election of the participant in an interest-bearing investment option (with an interest rate no less than the Moody’s Long-Term Corporate Bond Yield Average), an S&P 500 investment option or employer phantom stock investment option or any combination thereof. Upon termination of employment, payments may be made in a lump sum or in 5 or 10 annual installments as elected by the participant. For certain key employees, distribution is delayed for 6 months following termination of employment, as required by Section 409A of the Internal Revenue Code. Distribution may be accelerated if the participant incurs an unforeseeable emergency.

#### **STOCK INCENTIVE PLANS**

The Company’s Board of Directors approved a resolution providing that all outstanding options to purchase shares of the Company’s common stock under the Burlington Resources Inc. 1993 Stock Incentive Plan, the 1997 Employee Stock Incentive Plan, the 2002 Stock Incentive Plan, the 1992 Stock Option Plan for Non-Employee Directors and the 2000 Stock Option Plan for Non-Employee Directors, whether or not vested, will, at the effective time of the Merger, convert into options to purchase shares of common stock of ConocoPhillips in accordance with the formula set forth in the Merger Agreement.

The Board of Directors further approved a resolution providing that, at the effective time of the Merger, the restricted stock granted on January 25, 2006 under the Burlington Resources Inc. 2002 Stock Incentive Plan and the 1997 Employee Stock Incentive Plan shall not convert into the right to receive the Merger Consideration (as defined in the Merger Agreement) but shall instead convert into restricted shares of ConocoPhillips common stock in accordance with the formula set forth in the Merger Agreement.

#### **TERMINATION OF EMPLOYMENT OF MR. BOBBY SHACKOULS**

The Board of Directors of the Company adopted certain resolutions relating to the benefits of Bobby S. Shackouls, the Company’s Chairman of the Board, President and Chief Executive Officer, in connection with his termination of employment with the Company. ConocoPhillips and the Company agreed that the employment of Mr. Shackouls will

be terminated simultaneous with or immediately prior to the effective time of the Merger so that he may serve as an independent director of ConocoPhillips. Because an early termination of employment might jeopardize Mr. Shackouls' entitlement to certain benefits conditioned on a "Change in Control", the Board adopted resolutions designed to ensure that Mr. Shackouls would receive payments and benefits equal to what he would have received if a "Change in Control" occurred immediately before his termination of employment, including his entitlement to severance benefits under the Company's Executive Change in Control Severance Plan and his employment agreement (subject to the coordination of benefits provision therein), vesting of a bonus payment under

the Company's Incentive Compensation Plan, vesting in performance share units under the Company's 2005 Performance Share Unit Plan, and vesting in outstanding stock options and restricted stock.

#### AMENDMENT OF DEFERRAL PROVISIONS OF COMPENSATION PLANS

The Board of Directors approved amendments to various compensation plans of the Company primarily designed to allow deferrals of compensation to continue after December 31, 2004 in compliance with Section 409A of the Code and to preserve grandfathering for prior deferrals, with the following principal changes (to the extent applicable to the particular plan): (i) with respect to the interest-bearing investment alternative, the minimum interest rate will be no less than the Moody's Long-Term Corporate Bond Yield Average, (ii) with respect to the phantom stock investment alternative, provision is made for the substitution of ConocoPhillips phantom stock for Company phantom stock at the effective time of the Merger, (iii) the participant has the right to select among the available investment options (interest-bearing investment option, S&P 500 investment option and employer phantom stock) following termination of service pending full distribution, and (iv) provisions are added designed to comply with Section 409A of the Code with respect to benefits subject to Section 409A and to preserve grandfathering protection for benefits satisfying the grandfather provisions under Section 409A. The plans affected by some or all of these amendments are the following:

Burlington Resources Inc. Deferred Compensation Plan

Burlington Resources Inc. 1992 Performance Share Unit Plan
