Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard.

XOMA Ltd. (“XOMA”) received a letter from the staff of The NASDAQ Stock Market LLC (the “Staff”) on November 13, 2009 indicating that the Staff has concluded that XOMA’s previously-announced common share financing completed on September 30, 2009 did not comply with NASDAQ’s Listing Rule 5635(d)(2). Listing Rule 5635(d)(2) requires that a company obtain shareholder approval for the issuance of common shares or securities exercisable for common shares equal to 20% or more of the common shares outstanding before the issuance for less than the greater of book or market value of the shares. Receipt of this letter has no effect on the current listing status of XOMA’s common shares.

XOMA management is working with the Staff and the investor to address the Staff’s concerns and take any required corrective action. In the event XOMA is unable to do so, the Staff could issue a letter of reprimand or a determination to initiate a process to de-list XOMA’s common shares. At that point, XOMA would have the opportunity for a hearing to review these issues before a NASDAQ Listing Qualifications Panel. The common shares would continue to be listed pending resolution of the hearing process.

On November 19, 2009, XOMA issued a press release, a copy of which is attached as Exhibit 99.1.
