Item 4. Description Of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

The Company's Restated Certificate of Incorporation limits the liability of directors (in their capacity as directors but not in their capacity as officers) to the Company or its stockholders to the fullest extent permitted by the Delaware General Corporation Law (the "DGCL"). Specifically, no director of the Company will be personally liable for monetary damages for breach of the director's fiduciary duty as a director, except for liability; (i) for any breach of the director's duty of loyalty to the Company or its stockholders; (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; (iii) under Section 174 of the DGCL, which relates to unlawful payments of dividends or unlawful stock repurchases or redemptions; or (iv) for any transaction from which the director derived an improper personal benefit. The inclusion of this provision in the Restated Certificate of

Edgar Filing: INTERPOOL INC - Form S-8

Incorporation may have the effect of reducing the likelihood of derivative litigation against directors, and may discourage or deter stockholders or management from bringing a lawsuit against directors for breach of their duty of care, even though such an action, if successful, might otherwise have benefitted the Company and its stockholders.

Under the Restated Certificate of Incorporation, the Company will indemnify those persons whom it shall have the power to indemnify to the fullest extent permitted by Section 145 of the DGCL, which may include liabilities under the Securities Act. Accordingly, in accordance with Section 145 of the DGCL, the Company will indemnify any person who was or is a party, or is threatened to be made a party, to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than a "derivative" action by or in the right of the Company) by reason of the fact that such person is or was a director, officer, employee or agent of the Company, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement in connection with such action, suit or proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the Company, and, with respect to any criminal action or proceeding, had no reasonable cause to believe was unlawful. A similar standard of care is applicable in the case of derivative actions, except that indemnification only extends to expenses (including attorneys' fees) incurred in connection with the defense or settlement of such an action and then, where the person is adjudged to be liable to the Company, only if and to the extent that the Court of Chancery of the State of Delaware or the court in which such action was brought determines that such person is fairly and reasonably entitled to such indemnity and then only for such expenses as the court deems proper.

The Restated Certificate of Incorporation provides that the Company will advance expenses to the fullest extent permitted by Section 145 of the DGCL. Accordingly, the Company, in accordance therewith, will pay for the expenses incurred by an indemnified person in defending the proceedings specified in the preceding paragraph in advance of their final disposition, provided that, if the DGCL so requires, such person agrees to reimburse the Company if it is ultimately determined that such person is not entitled to indemnification. In addition, pursuant to the DGCL the Company may purchase and maintain insurance on behalf of any person who is or was a director, employee or agent of the Company against any liability asserted against and incurred by such person in such capacity, or arising out of the person's status as such whether or not the Company would have the power or obligation to indemnify such person against such liability under the provisions of DGCL. The Company has obtained insurance for the benefit of the Company's officers and directors insuring such persons against certain liabilities, including liabilities under the securities laws.

The Company has entered into agreements to indemnify its outside directors which are intended to provide the maximum indemnification permitted by Delaware law. These agreements, among other things, indemnify each of the Company's outside directors for certain expenses (including attorneys' fees), judgments, fines and settlement amounts incurred by such director in any action or proceeding, including any action by or in the right of the Company, on account of such director's service as a director of the Company.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions discussed in Item 6 of

Edgar Filing: INTERPOOL INC - Form S-8

this registration statement, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

(d) The undersigned registrant hereby undertakes that, for purposes of conforming to the requirements of this registration statement and Item 601 of Regulation S-K, registrant will submit the Plan and any amendment thereto to the Internal Revenue Service (the "IRS") in a timely manner and will make all changes required by the IRS in order to qualify the Plan.
