**ITEM 5. Other Events and Required FD Disclosure.**

McLeodUSA Incorporated (the "Company") received notice on June 21, 2004, from the Nasdaq Stock Market that it is not in compliance with Nasdaq Marketplace Rule 4310(c)(4) (the "Rule"), which requires companies listed on the Nasdaq SmallCap Market to maintain a bid price of at least \$1.00 per share. Under the Rule, the Company has been provided 180 calendar days, or until December 20, 2004, to regain compliance. If at any time before that date the bid price of the Company's common stock closes at \$1.00 per share or more for a minimum of 10 consecutive business days, Nasdaq will provide written notification that the Company has regained compliance. If the Company does not regain compliance by December 20, 2004, it will be eligible to be granted an additional 180 calendar day compliance period if it meets the Nasdaq SmallCap Market initial listing criteria (other than minimum bid price) at that time. The Company may also be afforded an additional compliance period if certain additional conditions are met. If the Company does not regain compliance after expiration of all applicable grace periods, its Class A common stock could be subject to Nasdaq delisting pending an appeals process.
