Edgar Filing: CHINA PETROLEUM & CHEMICAL CORP - Form 6-K

The board of the Company is pleased to announce that in the first 3 quarters of 2004, there was a strong increase in the domestic demand for refined oil and the global chemical industry boom cycle continued. The domestic demand for chemical products maintained its strong growing momentum. Having taken advantage of the opportunities, the Company had formulated and implemented a series of effective and efficient measures, and its production and operation were in good conditions.

At present, the Company estimates that, based on the People's Republic of China Accounting Rules and Regulations and according to unaudited data of the Company, its net profit for the first 3 quarters of 2004 is likely to record an increase of more than 50% compared to that in the same period of last year. Detailed financial information of the Company will be disclosed in the Third Quarterly Report for 2004 of the Company which is expected to be published on 29 October 2004. As such financial information may be different from the information contained in this announcement, potential investors and shareholders of the Company should exercise caution when dealing in the shares of the Company.

This announcement is made in accordance with the *Notice concerning the Proper Compilation and Publication of Third Quarterly Report for 2004 by Listed Companies* issued by the Shanghai Stock Exchange and rule 13.09(2) of the Hong Kong Listing Rules relating to simultaneous release of information.
