Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

As previously disclosed on Form 8-K filed on January 22, 2015, the New York Stock Exchange (the “NYSE”) notified RadioShack Corporation (the “Company”) that the average market capitalization of the Company was less than \$50 million over a period of 30 consecutive trading days and the stockholders’ equity of the Company was below \$50 million, which are the minimum market capitalization and stockholders’ equity requirements for continued listing on the NYSE under Rule 802.01B of the NYSE Listed Company Manual.

On February 2, 2015, the NYSE notified the Company that it had determined that the Company’s common stock should be delisted from the NYSE. Trading was suspended immediately after the close on February 2, 2015. The NYSE indicated that it made this determination in view of the fact that the Company informed the NYSE that it did not intend to submit a business plan to address its noncompliance with the NYSE’s continued listing standards.

The NYSE indicated that submission of a delisting application with the Securities and Exchange Commission is pending the completion of applicable procedures, including any appeal by the Company of the NYSE’s determination. The Company does not intend to appeal the delisting determination.
