=====  
=====

(1) Represents the maximum number of shares of common stock, par value \$0.01 per share ("Common Stock"), of Terex Corporation ("we", "us", the "Company" or the "Registrant") issuable upon exercise of options granted under the CMI Corporation Stock Option Plan, the CMI Corporation Stock Option and the Stock Option Agreement (together, the "CMI Stock Plans") and outstanding immediately prior to consummation of the merger (the "Merger") described in the Agreement and Plan of Merger, dated as of June 27, 2001, by and among CMI Corporation ("CMI"), the Company and a wholly-owned subsidiary of the Company (the "Merger Agreement"). The amount to be registered was calculated by multiplying the total number of options assumed by Terex by the

exchange ratio under the Merger Agreement (552,500 x 0.16). Pursuant to Rule 416(a) of the Securities Act of 1933, as amended, the number of shares being registered shall include an indeterminate number of additional shares of Terex's common stock that may become issuable as a result of any stock splits, stock dividends, or other similar transactions in accordance with the anti-dilution provisions of the CMI Stock Plans.

(2) Estimated solely for the purpose of calculating the registration fee pursuant to Rule 457 of the Securities Act of 1933, as amended, on the basis of the weighted average exercise price per share of the outstanding options. As adjusted by the exchange ratio under the Merger Agreement, the 552,500 options granted under the CMI Stock Plans have the following exercise prices (rounded to the nearest thousandth): \$12.109, \$13.438, \$17.188, \$21.875, \$25.781, \$28.125 and \$42.578, with a weighted average exercise price of \$22.142.

(3) The proposed maximum aggregate offering price was calculated by multiplying the number of shares subject to options exercisable at each of the seven exercise prices set forth in Note 2 above as adjusted by the exchange ratio under the Merger Agreement by the number of shares issuable at the respective exercise prices. The calculation is as follows: (3,200 options x \$12.109) + (1,200 options x \$13.438) + (40,000 options x \$17.188) + (8,000 options x \$21.875) + (8,000 options x \$25.781) + (24,800 options x \$28.125) + (3,200 options x \$42.578) = \$1,957,392 aggregate consideration payable for the exercise of all options.

INTRODUCTORY STATEMENT

This Registration Statement on Form S-8 is filed by the Registrant and relates to 88,400 shares of Common Stock issuable to employees and directors of CMI, whose options to purchase shares of common stock, par value \$0.10 per share, of CMI ("CMI Common") were converted into options to purchase shares of Common Stock. Pursuant to the Merger Agreement and in accordance with Oklahoma law, CMI was merged with and into Claudius Acquisition Corp., a wholly owned subsidiary of the Registrant, on October 1, 2001, and options to purchase 552,500 shares of CMI Common were assumed by the Registrant and converted into options to purchase 88,400 shares of Common Stock.

### Item 6. Indemnification of Directors and Officers

Section 145 of the Delaware General Corporation Law ("DGCL") and Article IX of the Company's Amended and Restated By-laws ("By-laws") provide for the indemnification of the Company's directors and officers in a variety of circumstances, which may include liabilities under the Securities Act.

Article IX of the Company's By-laws generally requires the Company to indemnify its officers and directors against all liabilities (including judgments, settlements, fines and penalties) and reasonable expenses incurred in connection with the investigation, defense, settlement or appeal of certain actions, whether instituted by a third party or a stockholder (either directly or indirectly) and including specifically, but without limitation, actions brought under the Securities Act and/or the Exchange Act; except that no such indemnification will be permitted if such director or officer was not successful in defending against any such action and it is determined that the director or officer breached or failed to perform his or her duties to the Company, and such breach or failure constitutes (i) a willful breach of his or her "duty of loyalty", (ii) acts or omissions not in good faith or involving intentional misconduct or a knowing violation of the law, (iii) a violation of Section 174 of the DGCL, relating to prohibited dividends or distributions or the repurchase or redemption of stock or (iv) a transaction where such individual derived an improper financial profit (unless it is deemed that such profit is immaterial in light of all of the circumstances) (collectively, "Breach of Duty").

## Edgar Filing: TEREX CORP - Form S-8

Notwithstanding the foregoing, subject to certain exceptions, the By-laws provide that directors or officers initiating an action are not entitled to indemnification.

The By-laws also establish certain procedures by which (i) a director or officer may request an advance on his or her reasonable expenses, prior to the final disposition of an action, (ii) the Company may withhold an indemnification payment from a director or officer, (iii) a director or officer may be entitled to partial indemnification and (iv) a director or officer may challenge the Company's denial to furnish him or her with requested indemnification. Additionally, the By-laws provide that the adverse termination of an action against an officer or director is not in and of itself sufficient to create a presumption that a director or officer engaged in conduct constituting a Breach of Duty.

Finally, the Company's Restated Certificate of Incorporation, as amended, contains a provision that eliminates the personal liability of a director to the Company and its stockholders for certain breaches of his or her fiduciary duty of care as a director. This provision does not, however, eliminate or limit the personal liability of a director (i) for any breach of such director's "duty of loyalty" (as further defined therein) to the Company or its stockholders, (ii) for acts or omissions not in "good faith" (as further defined therein) or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL, relating in general to the willful or negligent payment of an illegal dividend or the authorization of an unlawful stock repurchase or redemption, or (iv) for any transaction from which the director derived an improper personal profit to the extent of such profit. This provision of the Restated Certificate of Incorporation offers persons who serve on the Board of Directors of the Company protection against awards of monetary damages resulting from negligent (except as indicated above) and "grossly" negligent actions taken in the performance of their duty of care, including grossly negligent business decisions made in connection with takeover proposals for the Company. As a result of this provision, the ability of the Company or a stockholder thereof to successfully prosecute an action against a director for a breach of his duty of care has been limited. However, the provision does not affect the availability of equitable remedies such as an injunction or rescission based upon a director's breach of his duty of care. Although the validity and scope of Section 145 of the DGCL has not been tested in court, the SEC has taken the position that the provision will have no effect on claims arising under the Federal securities laws.

The Company maintains a directors' and officers' insurance policy which insures the officers and directors of the Company from any claim arising out of an alleged wrongful act by such persons in their respective capacities as officers and directors of the Company.

### Item 9. Undertakings

- a. The undersigned Registrant hereby undertakes:
  - (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
    - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;
    - (ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment hereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement;
    - (iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13

or 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities

at that time shall be deemed to be the initial bona fide offering thereof.

- (3) To remove from registration by means of a post-effective amendment any of the securities being registered that remain unsold at the termination of the offering.
  
- b. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
  
- c. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

6
