Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

Effective January 17, 2007, the Board of Directors of Thermo Fisher Scientific Inc. (the “Company”) approved an amendment to Section 5 of Article I of the Company’s Amended and Restated Bylaws for purposes of implementing a majority vote standard in uncontested director elections in place of the plurality vote standard. The new majority vote standard provides that to be elected in an uncontested election, a director nominee must receive a majority of the votes cast such that the number of votes cast “for” a director must exceed the number of votes cast “against” that director. A plurality vote standard will be retained for the election of directors only in the event of a contested election, where the number of nominees for director is greater than the number of directors to be elected.

A copy of the Company’s Amended and Restated Bylaws is filed as Exhibit 3.1 to this Form 8-K.
