Ratification of the Selection of Independent Registered Accounting Firm

Edgar Filing: TRANS LUX CORP - Form DEF 14A

Subject to stockholder ratification, the Audit Committee has appointed the firm of Eisner LLP as independent accountants to audit the financial statements of the Corporation's 2007 fiscal year. Representatives of such auditors are expected to be at the Meeting of the stockholders and will be permitted to make a statement to stockholders if they desire and to respond to any appropriate questions addressed by stockholders to such representatives. Eisner LLP has advised the Corporation that they have no direct financial interest or any material indirect financial interest in the Corporation, nor did they have any connection during the past three years with the Corporation in the capacity of promoter, underwriter, voting trustee, director, officer or employee. If the stockholders do not ratify the appointment of Eisner LLP, the selection of independent accountants will be reconsidered by the Audit Committee.

MEETINGS OF THE BOARD OF DIRECTORS AND CERTAIN COMMITTEES

During 2006, the Board of Directors held five meetings, one of which was a telephonic meeting. All directors attended 75% or more of such meetings and of committees of which they were members. The Corporation does not have a formal policy regarding directors' attendance at annual stockholders meetings. Nevertheless, the Corporation strongly encourages and prefers that directors attend regular and special Board meetings as well as the annual meeting of stockholders in person, although attendance by teleconference is considered adequate. The Corporation recognizes that attendance of the Board members at all meetings may not be possible, and excuses absences for good cause.

Edgar Filing: TRANS LUX CORP - Form DEF 14A

Non-employee directors receive an annual fee of \$3,500 and \$1,000 for each meeting of the Board attended, while employee directors and Mr. R. Brandt receives an annual fee of \$1,700 and \$400 for each meeting of the Board attended. Mr. Jankowski receives an annual fee of \$8,000 as Chairman of the Board and Mr. Liss receives an annual fee of \$1,000 as Vice Chairman of the Board. Fees for members of the Board and Committees are determined annually by the entire Board of Directors based on review of compensation paid by other similar size companies, the amounts currently paid by the Corporation, the overall policy for determining compensation paid to officers and employees of the Corporation and the general financial condition of the Corporation.

Corporate Governance Policies and Procedures

The Board of Directors has adopted a Code of Business Conduct and Ethics Guidelines that applies specifically to Board Members and Executive Officers. The Code is designed to promote compliance with applicable laws and regulations, to promote honest and ethical conduct, including full, fair, accurate and timely disclosure in reports and communications with the public. The Code is available for viewing on the Corporation's website at www.trans-lux.com. Any amendments to, or waivers from, the Code of Business Conduct and Ethics Guidelines will be posted on the website. In addition, the Board of Directors adopted a Whistle Blowing policy, which provides procedures for the receipt, retention and treatment of complaints received by the Corporation regarding accounting, internal accounting controls and auditing matters, as well as the confidential, anonymous submission of concerns regarding questionable accounting or auditing practices.

The American Stock Exchange Listing Standards (the "AMEX Listing Standards"), require that a listed company's Board of Directors must consist of a majority of independent directors as defined in Section 121A of such AMEX Listing Standards, unless the company is considered a controlled company. Section 801 of the AMEX Listing Standards defines a controlled company as a company in which over 50% of the voting power is held by an individual or group. In accordance with the AMEX Listing Standards, the Corporation is considered a controlled company, and therefore, exempt from the requirements of Section 121A.

Communication with the Board of Directors

Security holders are permitted to communicate with the members of the Board by forwarding written communications to the Corporation's Corporate Secretary at the Corporation's headquarters in Norwalk, Connecticut. The Corporate Secretary will present all communications, as received and without screening, to the Board at its next regularly scheduled meeting.

Committees of the Board of Directors

The Board of Directors has appointed an Executive Committee, a Compensation Committee and an Audit Committee.

-7-

Executive Committee

The members of the Executive Committee of the Board of Directors are Messrs. M. Brandt, R. Brandt, Jankowski, Liss and Modlin. The Executive Committee is authorized to exercise the powers of the Board of Directors during the intervals between the meetings of the Board and is, from time to time, delegated certain authorizations by the Board in matters pertaining to the Corporation. The Executive Committee held one telephonic meeting in 2006.

Edgar Filing: TRANS LUX CORP - Form DEF 14A

Members of said Committee receive a fee of \$400 for each meeting of the Committee they attend and the Chairman, Mr. M. Brandt, receives an annual fee of \$500.

Compensation Committee

The members of the Compensation Committee of the Board of Directors are Messrs. Modlin, Brenner and Jankowski and Ms. Firstenberg. The Compensation Committee reviews compensation and other benefits. The Compensation Committee did not hold any formal meetings in 2006. None of the members of the Compensation Committee during 2006 and continuing through 2007 is or has been an officer or employee of the Corporation. The Compensation Committee does not have a charter. There are no compensation committee interlock relationships with respect to the Corporation. Members of said Committee receive a fee of \$400 for each meeting of the Committee they attend and the Chairman, Mr. Modlin, receives an annual fee of \$2,000.

Audit Committee

The members of the Audit Committee of the Board of Directors are Ms. Firstenberg and Messrs. Brenner and Jankowski, and Mr. Modlin, ex officio. Each of the directors is considered "independent" as defined by AMEX Listing Standards. The Committee operates under a formal written charter approved by the Committee and adopted by the Board of Directors. The Board of Directors has determined that director Gene Jankowski meets the definition of "audit committee financial expert" set forth in Item 407 of Regulation S-K, as promulgated by the SEC. The Audit Committee held four meetings in 2006. The responsibilities of the Audit Committee include the appointment of the auditors, review of the audit function and material aspects thereof with the Corporation's independent auditors, and compliance with Corporation policies and applicable laws and regulations. On September 25, 2006, Mr. Brenner was appointed to the Audit Committee. Members of said Committee receive a fee of \$500 for each meeting of the Committee they attend and the Chairperson, Ms. Firstenberg, receives an annual fee of \$3,000 and \$100 for each quarterly telephonic meeting with the independent auditors.

Nominating or Similar Committee

The Board of Directors has not established a nominating or similar committee. In accordance with AMEX Listing Standards, as previously discussed in the section entitled "Corporate Governance Policies and Procedures," the Corporation is considered a controlled company, and therefore, not required by such AMEX Listing Standards to have a nominating committee recommend or cast votes for the nomination or election of directors. The Board of Directors does not have any specific, minimum qualifications that the Board believes must be met by a nominee for a position on the Board, or any specific qualities or skills that the Board believes are necessary for one or more of the directors to possess. The Board has consistently sought to nominate to the Board of Directors eminently qualified individuals whom the Board believes would provide substantial benefit and guidance to the Corporation. The Board believes that substantial judgment, diligence and care are required to identify and select qualified persons as directors and does not believe that it would be appropriate to place limitations on its own discretion. Currently, all directors participate in the consideration of director nominees.

Corporate Governance Committee

The Board of Directors has not established a corporate governance committee. The Board of Directors acts as the corporate governance committee.

Edgar Filing: TRANS LUX CORP - Form DEF 14A

Independence of Non-Employee Directors

A director is considered independent under AMEX rules if the Board of Directors determines that the director does not have any direct or indirect material relationship with the Corporation. Messrs. M. Brandt, T. Brandt, and M. Mulcahy are employees of the Corporation and Mr. R. Brandt is a consultant to the Corporation and, therefore, has been determined by the Board to fall outside the definition of "independent director." Messrs. Brenner, Jankowski, Liss and Modlin and Ms. Firstenberg are non-employee Directors of the Corporation. Mr. H. Modlin is not considered independent due to the legal services rendered by the law firm of which Mr. Modlin is the president. The Board of Directors has determined that Messrs. Brenner, Jankowski and Liss and Ms. Firstenberg are "independent directors" within the meaning of the rules of the AMEX, since they had no relationship with the Corporation other than their status and payment as non-employee Directors, and as stockholders. The Board of Directors has determined that Messrs. Brenner and Jankowski and Ms. Firstenberg are independent under the SEC's audit committee independence standards.

Non-Employee Director Stock Option Plan

The Board of Directors has previously established a Non-Employee Director Stock Option Plan, which as amended, covers a maximum of 30,000 shares for grant. Options are for a period of six years from date of grant, are granted at fair market value on date of grant, may be exercised at any time after one year from date of grant while a director and are based on years of service, with a minimum of 500 stock options for each director, an additional 500 stock options based on five or more years of service, another 500 stock options based on 10 or more years of service and an additional 1,000 stock options based on 20 or more years of service. Additional stock options are granted upon the expiration or exercise of any such option, which is no earlier than four years after date of grant, in an amount equal to such exercised or expired options.

Audit Committee Report

The following is a report of the Audit Committee of the Board of Directors.

Edgar Filing: TRANS LUX CORP - Form DEF 14A

The three members of the Audit Committee of the Board of Directors listed below are independent directors as defined by the AMEX Listing Standards. The Board of Directors has adopted a written charter for the Audit Committee; a copy of the Charter is attached as Appendix A.

The responsibilities of the Audit Committee include recommending to the Board of Directors an accounting firm to be engaged as the Corporation's independent registered public accounting firm. Management is responsible for the preparation of the Corporation's financial statements and the financial reporting process, including the system of internal controls. The independent registered public accountants are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles

-9-

generally accepted in the United States of America. The Audit Committee's responsibility is to oversee these processes.

The Audit Committee has met and held discussions with management and the independent registered public accountants. The Audit Committee has reviewed and discussed the matters required to be discussed by Statement On Auditing Standards No. 61, "Communication with Audit Committees." The Corporation's independent registered public accountants have provided to the Audit Committee the written disclosures and the letter required by Independent Standards Board Standard No. 1, "Independence Discussions with Audit Committees." The Audit Committee also considered the compatibilities of non-audit services with the accountants' independence.

In fulfilling its oversight responsibilities, the Audit Committee has reviewed and discussed with management the Corporation's audited consolidated financial statements contained in the Corporation's Annual Report on Form 10-K for the year ended December 31, 2006. The Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Corporation's Annual Report on Form 10-K for the year ended December 31, 2006, as filed with the Securities and Exchange Commission.

The Audit Committee has discussed the overall scope and plans for the audit with the independent accountants selected by the directors. The Audit Committee will meet with the independent accountants, with and without management present, to discuss the results of their examination and the overall quality of the Corporation's financial reporting.

Independent Auditors' Fees

During the years ended December 31, 2006 and 2005, audit fees of \$247,000 and \$224,000, respectively, were paid or accrued to Eisner LLP, the Corporation's independent registered public accounting firm. Audit fees for 2006 and 2005 consisted of (i) audit of the Corporation's annual financial statements, and (ii) reviews of the Corporation's quarterly financial statements. During the year ended December 31, 2006, audit-related fees of \$5,000 were paid to Eisner LLP. During the years ended December 31, 2006 and 2005, audit fees of \$5,000 and \$9,530, respectively, were paid or accrued to the Corporation's former independent registered public accounting firm, Deloitte & Touche LLP. Audit fees for 2006 and 2005 consisted of audit of the Corporation's annual financial statements. During the years ended December 31, 2006 and 2005, audit-related fees of \$10,520 and \$4,450, respectively, were paid to Deloitte & Touche LLP.

The Audit Committee of the Board of Directors has considered the absence of non-audit services by the auditors for financial information systems design and implementation and absence of all other non-audit services as compatible with

Edgar Filing: TRANS LUX CORP - Form DEF 14A

maintaining the auditor's independence.

This report is submitted by the Audit Committee. Its members are:

Jean Firstenberg, Chairperson
Howard M. Brenner
Gene Jankowski
Howard S. Modlin, ex officio

COMPENSATION OF EXECUTIVE OFFICERS

Compensation Discussion and Analysis

All matters concerning executive compensation for Messrs. Mulcahy and T. Brandt, Co-Chief Executive Officers, and other executive officers are considered by the Corporation's Compensation Committee. The following paragraphs discuss the principles underlying our executive compensation decisions and the most important factors relevant to an analysis of these decisions. It provides qualitative information regarding the manner and context in which compensation is awarded to and earned by our executive officers and places in perspective the data presented in the tables and other quantitative information that follows this section.

Our compensation of executives is designed to attract, as needed, individuals with the skills necessary for us to achieve our business plan, to reward those individuals fairly over time, and to retain those individuals who continue to perform at or above our expectations. Our executives' compensation has three primary components - base salary, a yearly cash incentive bonus and stock option awards.

Base Salary. We fix the base salary of each of our executives at a level we believe enables us to hire and retain individuals in a competitive environment and rewards satisfactory individual performance and a satisfactory level of contribution to our overall business goals. We also take into account the base salaries paid by similarly sized companies and the base salaries of other companies with which we believe we compete for talent. To this end, we subscribe to certain executive compensation surveys and other databases and review them when making a crucial executive hiring decision and annually or at the end of the term of the employment agreement when we review executive compensation.

Cash Incentive Bonus. We designed the cash incentive bonuses for each of our executives to focus the executive on achieving key financial and/or operational objectives within a yearly time horizon, as described in more detail below.

Stock Options. We use stock options when employment agreements are entered into and/or to reward long-term performance; these options are intended to produce value for each executive if the Corporation's performance is outstanding and if the executive has an extended tenure and are also based on availability of options.

We view the three primary components of our executive compensation as related but distinct. Although we review total compensation, we do not believe that significant compensation derived from one component of compensation should negate or reduce compensation from other components. We determine the appropriate level for each compensation component based in part, but not

Edgar Filing: TRANS LUX CORP - Form DEF 14A

exclusively, on our view of internal equity and consistency, individual performance and other information we deem relevant, such as the survey data referred to above. We believe that salary and cash incentive bonuses are primary considerations and that stock options are secondary considerations. Except as described below, we have not adopted any formal or informal policies or guidelines for allocating compensation between long-term and currently paid out compensation, between cash and non-cash compensation, or among different forms of compensation. This is due to the small size of our executive team and the need to tailor each executive's award to attract and retain that executive.

In addition to the three primary components of compensation described above, we provide our executives with benefits that are generally available to our salaried employees. These benefits include health and medical benefits, flexible spending plans and life insurance. We also provide our executives with severance and certain additional benefits in the event of a change of control of the Corporation, as described in more detail below.

We account for the equity compensation expense for our employees under the rules of SFAS 123R, which requires us to estimate and record an expense for each award of equity compensation over the service period of the award. Accounting rules also require us to record cash compensation as an expense at the time the

-11-

obligation is accrued. No stock options were awarded during 2006 to any employees, and therefore, the Corporation did not record any related compensation expense.

Cash Incentive Bonuses. Yearly cash incentive bonuses for our executives are established as part of their respective individual employment agreements. Each of these employment agreements provides that the executive will receive a cash incentive bonus determined in the discretion of our Board of Directors, based upon the financial performance of the Corporation. These criteria are established by the Compensation Committee and approved by the full Board of Directors at the time the individual employment agreement is entered into and includes specific objectives relating to the achievement of operational and/or financial results. Based on the results of the Corporation, no cash incentive bonuses were paid for the year ended December 31, 2006.

Severance and Change in Control Benefits. Each of our executives has a provision in his employment agreement providing for certain severance benefits in the event of termination without cause. The severance provisions are described below in the section entitled "Employment Agreements."

In addition to the severance benefits, Messrs. Mulcahy, M. Brandt and T. Brandt and Ms. A. Toppi's employment agreements provide for a "Change in Control of Employer" provision, entitling them to terminate the agreement on 75 days prior written notice and receive a lump sum payment, grossed up for taxes if subject to Section 4999 of the Internal Revenue Code of 1986 if such payment is deemed to be an "excess parachute payment" under Section 280G of the Internal Revenue Code of 1986, and the option of extending his/her agreement for three (3) years at his/her then current salary subject to the cost-of-living adjustment if such Change in Control is approved by Mr. R. Brandt.

Other Benefits. Our executives are eligible to participate in all of our employee benefit plans, such as medical, group life and disability insurance, pension plan and our 401(k) plan, in each case on the same basis as our other employees. There were no special benefits or perquisites provided to any executive officer in 2006.
