Edgar Filing: IGAMES ENTERTAINMENT INC - Form NT 10-K

In January 2004, we completed a reverse merger with Money Centers of America, Inc. and the acquisition of Available Money, Inc. In connection with these transactions, we changed our plan of business from providing gaming and security applications to casinos to providing cash access services to casino patrons. As a result of this change in our business, we wrote off all inventory related to our former business, recorded an expense for impairment of intangible assets and recorded a non-cash compensation expense related to the grant of options to Money Centers employees and consultants at below market exercise prices. Accordingly, we anticipate a net loss of approximately \$6,650,000 for fiscal 2004.
