**PROXY STATEMENT**

**FOR**

**ANNUAL MEETING OF STOCKHOLDERS**

**TO BE HELD MAY 4, 2005**

**INFORMATION ABOUT THE ANNUAL MEETING**

Our annual meeting will be held at First American Bank, 1927 First Avenue North, Birmingham, Alabama on Wednesday, May 4, 2005 at 10:00 a.m. local time.

**Solicitation Of Proxies**

Our Board of Directors has sent you this proxy statement to solicit your vote at the annual meeting (including any adjournment or postponement of the annual meeting). In this proxy statement we summarize information that we are required to provide you under the rules of the Securities and Exchange Commission. This proxy statement is designed to assist you in voting your shares. On or about March 28, 2005, we began mailing this proxy statement and the 2004 Annual Report to all stockholders of record at the close of business on March 18, 2005.

ANB will bear the cost of the solicitation of proxies. ANB will request brokers or nominees to forward this proxy statement to their customers and principals and will reimburse them for expenses so incurred. If deemed necessary, ANB may also use its officers and regular employees, without additional compensation, to solicit proxies personally or by telephone.

**Stockholders Entitled To Vote**

The Board of Directors has set March 18, 2005 as the record date for the annual meeting. Only stockholders of record at the close of business on the record date will be entitled to notice of and to vote at the annual meeting. At the close of business on March 15, 2005, there were 17,013,628 shares of the common stock of ANB, par value \$1.00 per share, outstanding. Each stockholder is entitled to one vote in person or by proxy for each share of common stock held on all matters properly to come before the annual meeting.

**Proposals To Be Considered By You At The Annual Meeting**

At the annual meeting, we will ask you to:

- Proposal 1: Elect 16 directors to serve on the Board of Directors of the Company for a one-year term expiring at the 2006 Annual Meeting;
- Proposal 2: Consider and vote upon a proposal to amend the Company's Restated Certificate of Incorporation to increase the number of authorized shares of common stock of the Company;
- Proposal 3: Consider and vote upon the Third Amendment and Restatement of the Alabama National Bancorporation Performance Share Plan; and
- Proposal 4: Ratify the appointment of PricewaterhouseCoopers LLP as independent auditors for 2005.

## **Table of Contents**

### **Information About A Quorum**

At the annual meeting, the presence of a majority of the shares of common stock entitled to vote, represented in person or by proxy, shall constitute a quorum for the transaction of business. If a quorum is not present or if we decide that more time is necessary for the solicitation of proxies, we may adjourn the annual meeting. We may do this with or without a stockholder vote. If there is a stockholder vote to adjourn, the named proxies will vote all shares of common stock for which they have voting authority in favor of adjournment.

### **Votes Necessary For Each Proposal To Be Approved**

Assuming the presence of a quorum, directors of the Company shall be elected at the annual meeting (Proposal 1) by a plurality of the votes cast, whether in person or by proxy. Proposal 2, amendment to the Company's Restated Certificate of Incorporation, requires for adoption the affirmative vote of the holders of a majority of the outstanding shares of common stock entitled to vote at the annual meeting. Both Proposal 3, approving the Third Amendment and Restatement to the Performance Share Plan, and Proposal 4, ratification of the appointment of auditors, require for adoption the affirmative vote of the holders of a majority of shares of common stock present in person or represented by proxy and entitled to vote on the proposal at the annual meeting.

A stockholder may abstain or withhold his or her vote (collectively, "abstentions") with respect to each item submitted for stockholder approval. Abstentions will be counted as present for purposes of determining the existence of a quorum but will be counted as not voting on any proposal brought before the Annual Meeting. Since the election of directors (Proposal 1) is determined by the votes cast at the annual meeting, abstentions will not affect the outcome of this matter. An abstention as to the approval of the increase in the number of shares of authorized common stock (Proposal 2), the approval of the Third Amendment and Restatement to the Performance Share Plan (Proposal 3), and the ratification of the appointment of the auditors (Proposal 4) will have the same effect as voting against these proposals.

Generally, a broker is entitled to vote shares held in "street name" on routine matters without instructions from the beneficial owner of such shares. On the other hand, a broker may not be entitled to vote shares held in "street name" on certain non-routine items absent instructions from the beneficial owner of such shares (a "broker non-vote"). Broker non-votes, if any, while counted for general quorum purposes, are not deemed to be present with respect to any matter for which a broker does not have authority to vote. Broker non-votes will not be counted for purposes of the election of directors and will have no effect on the outcome of the vote for Proposal 3 or Proposal 4, but will count as votes against Proposal 2, amendment to the Company's Restated Certificate of Incorporation.

### **Submission Of Proxies**

Please complete, sign, date and return the proxy card in the enclosed envelope so the common stock you own will be voted in accordance with your wishes. If you desire to revoke your proxy, you may do so either by attending the annual meeting in person or by delivering written notice of revocation so that it is received by ANB or its transfer agent, SunTrust Bank, on or before May 3, 2005. The address for SunTrust Bank is Stock Transfer Department, P.O. Box 4625, Atlanta, Georgia 30302, Attention: Sue Hampton. "Street name" stockholders must contact your broker or other nominee and follow its instructions if you wish to change your vote.

## **PROPOSAL 1**

**ELECTION OF DIRECTORS**

**General**

Based on the nomination by the Nominating and Corporate Governance Committee, the Board of Directors recommends the 16 persons described below for election as directors to serve until the next annual meeting of stockholders or until their successors are elected and qualified.

## **Table of Contents**

The persons named in the enclosed proxy card, unless a contrary direction is indicated on the enclosed proxy card, intend to vote the shares appointing them as proxies in favor of the nominees named herein. If any of the nominees should be unable to serve, which the Board of Directors does not anticipate will occur, the proxies will be voted for a substitute selected by the Board of Directors, or the Board of Directors may decide not to select an additional person as a director.

Although the Company's Restated Certificate of Incorporation provides for a maximum of 20 directors, only 16 persons have been nominated to serve on the Board of Directors. The Nominating and Corporate Governance Committee and the current Board of Directors believes that a Board of Directors of 16 persons is practical and efficient at this point in time. The Board of Directors has no current intention to fill the vacancies on the Board of Directors prior to the next annual meeting, although circumstances could necessitate the appointment of additional directors in the future. Unless otherwise specified in the enclosed proxy card, it is intended that votes will be cast for the election of all of the nominees as directors. Proxies cannot be voted for a greater number of persons than the number of actual nominees so named. Vacancies that occur on the Board of Directors may be filled by remaining directors until the next annual meeting of stockholders.

**THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE IN FAVOR OF THE DIRECTORS NOMINATED BY THE NOMINATING AND CORPORATE GOVERNANCE COMMITTEE.**

## **Table of Contents**

### **CORPORATE GOVERNANCE AND BOARD MATTERS**

#### **Governance Guidelines**

The Company is committed to having sound corporate governance principles. Having such principles is essential to running the Company's business efficiently and to maintaining the Company's integrity in the marketplace. ANB's Board of Directors has adopted corporate governance guidelines that set forth fundamental corporate governance principles of the Company in order to demonstrate the Board's accountability and its desire to achieve superior business results. The Company has adopted a Code of Ethics which is filed as an exhibit to its Annual Report on Form 10-K for the year ended December 31, 2003, as filed with the Securities and Exchange Commission (SEC). The Company's Board of Directors and Board committee structure are described below.

#### **Board Independence**

Presently there are fourteen members on our Board of Directors, eleven of whom currently are neither officers nor employees of the Company. The Board has determined that the following eight directors have no relationship with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company) that would interfere with the exercise of their independent judgment in carrying out their responsibilities, and such persons are independent within the meaning of the Company's independence standards, which reflect The Nasdaq Stock Market, Inc. (Nasdaq) director independence standards as currently in effect: W. Ray Barnes, John V. Denson, Griffin A. Greene, John D. Johns, William D. Montgomery, C. Lloyd Nix, John Plunk and W. Stancil Starnes. Therefore, a majority of the members of the Board of Directors are independent under the Nasdaq director independence standards. Additionally, the Board has determined that Bobby A. Bradley and W. Edgar Welden, the two nominees who do not currently serve on the Board, are independent within the meaning of Nasdaq's listing standards.

#### **Board Structure and Committee Composition**

Each Director serves for a term of one year and until his successor is elected and qualified. The Board of Directors oversees the business and affairs of the Company and monitors the performance of its management. Although the Board of Directors is not involved in the Company's day-to-day operations, the directors keep themselves informed about the Company through meetings of the Board, reports from management and discussions with key executives. Directors also communicate with the Company's outside advisors, as necessary. The Board of Directors met six times in 2004.

There are currently four standing committees of the Board of Directors: (i) the Audit Committee, (ii) the Compensation Committee, (iii) the Nominating and Corporate Governance Committee, and (iv) the Executive Committee. Each committee is composed of members of the Board of Directors, and each committee reports its actions to the full Board of Directors. Each committee other than the Executive Committee operates under a written charter adopted by the Board. The Board of Directors may from time to time form other committees as circumstances warrant. Such committees will have the authority and responsibility as delegated by the Board.

Other than Mr. McWane, none of the incumbent directors attended less than 75% of the aggregate of (a) the total number of meetings of the Board of Directors and (b) the total number of meetings held by all committees of the Board of Directors on which he served. Absent extenuating circumstances, directors are expected to attend annual meetings of the Company's stockholders. Eleven directors attended the 2004

annual meeting of stockholders.

**Table of Contents**

The following tables describe the functions and current membership for each committee of the Board of Directors, as well as the number of meetings held in 2004.

**Audit Committee Eight Meetings in 2004****Functions and Other Disclosures**

The primary purpose of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities with respect to: the financial reports and other financial information provided by the Company to its stockholders and others; the Company's financial policies and procedures and disclosure controls and procedures; the Company's system of internal controls; and the Company's auditing, accounting and financial reporting processes. The Audit Committee is directly responsible for appointing and overseeing the independent auditor of the Company. A copy of the Charter of the Audit Committee is attached to this proxy statement as Appendix A. The Board of Directors has carefully evaluated the backgrounds of the members of the Audit Committee and has determined that such members qualify as independent as defined in the applicable Nasdaq listing standards and by applicable SEC rules for Audit Committee membership. Furthermore, in accordance with SEC rules, the Board has determined that each of John D. Johns and William D. Montgomery is an audit committee financial expert as defined by the applicable SEC rules. The Report of the Audit Committee appears in this proxy statement at page 22.

**Consideration of Director Nominees**

*Director Qualifications*

Criteria that is used by the Nominating and Corporate Governance Committee in connection with evaluating and selecting new directors includes factors relating to whether the director candidate would meet the definition of independence required by the Nasdaq listing standards, as well as skills, occupation and experience in the context of the needs of the Board. The Company's Guidelines of Significant Governance Issues (the Governance Guidelines) also set forth certain factors that should be considered by the Nominating and Corporate Governance Committee in recommending a nominee to the Board, including relevant experience, intelligence, independence, commitment, integrity, diligence, conflicts of interest, age, compatibility with the Board and the Board culture, prominence, understanding of the Company's business, the ability to act in the interests of all stockholders and other factors deemed relevant. The Board believes that the backgrounds and qualifications of the directors, considered as a group, should provide a significant composite mix of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities.

*Process for Evaluating Nominees for Director*

The process followed by the Nominating and Corporate Governance Committee to identify and evaluate candidates includes requests to Board members and others for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates and interviews of selected candidates by members of the Nominating and Corporate Governance Committee and the Board. Assuming that appropriate biographical and background material is provided for candidates recommended by stockholders, the Nominating and Corporate Governance Committee will evaluate those candidates by following substantially the same process, and applying substantially the same criteria, as for candidates submitted by Board members.

***Defined Benefit Plan***

As a result of the merger of National Commerce Corporation, the former parent of NBC, and Commerce Bankshares, Inc. with and into ANB (the NBC Merger), NBC became a wholly-owned subsidiary of ANB. NBC, now known as First American Bank, has maintained the NBC Pension Plan for the benefit of its employees since January 1, 1982. The NBC Pension Plan pays its participants a monthly retirement income equal to 1.3% of each participant's Average Monthly Earnings multiplied by the number of years of continuous service to NBC. Both the Average Monthly Earnings and continuous service are measured through December 31, 1999, which is the date that the plan was frozen to future benefit accruals. The Average Monthly Earnings equals the participant's annual compensation converted to a monthly amount and then averaged over the sixty (60) months immediately preceding December 31, 1999. However, no participant's actual annual compensation shall exceed the maximum compensation limit in a given year as required by law. Pension plan benefits are not subject to deduction for Social Security and other offset amounts.

The following table reflects estimated annual benefits payable upon retirement under the NBC Pension Plan based upon the participant's years of service and compensation level.

(1) Annual compensation for purposes of the NBC Pension Plan is capped as required by law. For the 1999 plan year, compensation was capped at \$160,000.

Effective December 31, 1999, the NBC Pension Plan was amended and restated. Pursuant to this restatement, the pension plan was frozen such that there is no accrual of future benefits after December 31, 1999. The annual compensation and credited years of service attributable to each of Messrs. Holcomb, Nichol, Murray, Matthews and Bragg as of December 31, 1999 are as follows:

options equaled the fair market value of Community Bank of Naples common stock at the time of the grant. Following the merger, these options became exercisable for shares of ANB common stock.

First American Bancorp Non-Qualified Stock Option Agreements. ANB assumed two First American Bancorp Non-Qualified Stock Option Agreements in connection with ANB's merger with First American Bancorp in November 1997. At the time the outstanding options were granted, the options were exercisable for common stock of First American Bancorp. All outstanding options were granted prior to ANB's merger with First American Bancorp, and options are no longer granted under the agreements.

Community Financial Corporation 1996 Stock Option Plan. ANB assumed the Community Financial Corporation 1996 Stock Option Plan in connection with ANB's merger with Community Financial Corporation in October 1998. At the time the outstanding options were granted, the options were exercisable for common stock of Community Financial Corporation. All outstanding options were granted prior to ANB's merger with Community Financial Corporation, and awards are no longer granted under this plan. Under this plan, the exercise price of the options could not be less than the fair market value of the stock into which the options were exercisable at the time of grant. Following the merger, these options became exercisable for shares of ANB common stock.

Millennium Bank Directors' Stock Option Plan and Millennium Bank Officers' and Employees' Stock Option Plan. ANB assumed the Millennium Bank Directors' Stock Option Plan and the Millennium Bank Officers' and Employees' Stock Option Plan in connection with ANB's acquisition of Millennium Bank in June 2003. At the time the outstanding options were granted, the options were exercisable for common stock of Millennium Bank. All outstanding options were granted prior to ANB's acquisition of Millennium Bank, and awards are no longer granted under these plans. Under these plans, the exercise price of the options could not be less than the fair market value of the stock into which the options were exercisable at the time of grant. Following the acquisition of Millennium Bank, these options became exercisable for shares of ANB common stock.

Cypress Bank Directors' Stock Option Plan and Cypress Bank Officers' and Employees' Stock Option Plan. ANB assumed the Cypress Bank Directors' Stock Option Plan and the Cypress Bank Officers' and Employees' Stock Option Plan in connection with ANB's acquisition of Cypress Bankshares, Inc. in February 2004. At the time the outstanding options were granted, the options were exercisable for common stock of Cypress Bank. All outstanding options were granted prior to ANB's acquisition of Cypress Bank, and awards are no longer granted under these plans. Under these plans, the exercise price of the options could not be less than the fair market value of the stock into which the options were exercisable at the time of grant. Following the acquisition of Cypress Bankshares, Inc., these options became exercisable for shares of ANB common stock.

Indian River Banking Company 1999 Stock Option Plan and Indian River Banking Company 1999 Director Fee Stock Option Plan. ANB assumed the Indian River Banking Company 1999 Stock Option Plan and the Indian River Banking Company 1999 Director Fee Stock Option Plan in connection with ANB's acquisition of Indian River Banking Company in February 2004. At the time the outstanding options were granted, the options were exercisable for common stock of Indian River Banking Company. All outstanding options were granted prior to ANB's acquisition of Indian River Banking Company, and awards are no longer granted under these plans. Under these plans, the exercise price of the options could not be less than the fair market value of the stock into which the options were exercisable at the time of grant. Following the acquisition of Indian River Banking Company, these options became exercisable for shares of ANB common stock.

## **EMPLOYMENT CONTINUATION AGREEMENTS**

## Edgar Filing: ALABAMA NATIONAL BANCORPORATION - Form PRE 14A

ANB has entered into employment continuation agreements with each of the Named Executive Officers (excluding Mr. Nichol, who resigned in November 2004) which provide for certain benefits in the event of a change in control of ANB. Upon a change of control, all stock options of each Named Executive Officer become immediately vested and exercisable in full, and all outstanding performance shares are paid in cash as if

## **Table of Contents**

the applicable target performance level(s) had been met (or, in some cases, exceeded). Each agreement provides for a two-year employment period, during which time each Named Executive Officer would be entitled to maintain his pre-change of control position with ANB at the same base salary, bonus/incentive compensation and benefits. If during this time, the Named Executive Officer terminates his employment for good reason or if ANB terminates the Named Executive Officer's employment other than for cause, the Named Executive Officer would receive certain benefits. Such benefits include (i) a payment equal to three times the sum of (a) the annual base salary in effect at the time of the change in control, (b) the average annual incentive plan bonus for the three years preceding the change in control or the date of termination (whichever is greater) and (c) the cash value of any performance shares awarded in the year in which the change of control occurs; (ii) continuation for up to twenty-four months in the Company's hospital, medical, accident, disability, and life insurance plans as provided to the executive immediately prior to the date of his termination of employment; (iii) supplemental retirement benefits in the form of a deferred annuity contract payable upon the Named Executive Officer's 65th birthday; and (iv) an additional payment, if necessary, to reimburse the executive for any additional tax (other than normal, Federal, state and local income taxes) incurred as a result of any benefits received in connection with the change in control.

## **COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION**

The Compensation Committee, which establishes the compensation of the executive officers of ANB, during 2004 was comprised of Messrs. Johns, Plunk and Starnes. No member of the Committee during 2004 was an executive officer of another company whose board of directors has a comparable committee on which one of our executive officers serves.

## **REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION**

### **To Our Stockholders**

The Compensation Committee of the Board of Directors oversees and administers the executive compensation program on behalf of the Board of Directors. This report provides details and background information regarding our executive compensation program.

### **The Committee**

The Compensation Committee is composed of three non-employee members of the Board of Directors, each of whom is independent, as determined by the Board, within the meaning of applicable Nasdaq listing standards. It has oversight of and approves the compensation paid to the Chief Executive Officer and certain other senior officers of ANB and its subsidiaries, including the Named Executive Officers. The specific duties and responsibilities of the Compensation Committee are described above under CORPORATE GOVERNANCE AND BOARD MATTERS Board Structure and Committee Composition, and in the Compensation Committee Charter which is attached as Appendix B to ANB's proxy statement for the 2004 Annual Meeting of Stockholders.

### **Components of Executive Compensation**

Total compensation for the executive officers is reviewed and set annually and includes three primary types of compensation:

Base salary;

Bonuses paid under the ANB Annual Incentive Plan; and

Long-term incentive compensation under the Performance Share Plan and other long-term plans.

The following discussion is applicable to executive officers of ANB, including the Chief Executive Officer and the Named Executive Officers.

**Base Salary.** Executive officers' base salaries are determined by several factors, but principally by the level of responsibilities required by the position. In establishing base salaries, the Compensation Committee reviews

**Table of Contents**

recommendations by the Chief Executive Officer and considers information provided by an outside compensation consultant relating to compensation paid by other banking companies and bank holding companies of comparable size. Individual competence, length of service in a position, and comparisons to salaries for similar positions in other comparable companies guide the determination of the appropriate level of an executive officer's salary. Company performance may also be a factor in determining the amount of any base salary increase. The Committee's compensation strategy for executive officers is to pay salaries at or near the median. Performance-based cash bonus and performance share awards, when totaled, are used to provide significant performance-based compensation. Based on these factors, Mr. Holcomb's base salary for calendar year 2004 was set at \$409,500. The base salaries and incentive bonuses for Messrs. Holcomb, Murray, Matthews and Bragg, each of whom was an officer of NBC, were paid by NBC. Since the merger of NBC with and into First American Bank in February 2005, each of these persons has been an officer of First American Bank. Accordingly, their base salaries and incentive bonuses, along with those of Mr. David (who has been an officer of First American Bank since 1995) are paid by First American Bank. ANB reimburses First American Bank for a portion of the base salary and bonus of these individuals based on an allocation of time that such executives spent on ANB holding company matters.

**Annual Incentive Plan Bonus.** The Annual Incentive Plan was established for the purpose of rewarding, retaining, and providing incentives for performance through annual bonuses for those employees who contribute most to the operating progress of ANB. The Compensation Committee sets the total target amount of bonuses for each year and reviews the methodology used to determine individual bonuses, which is ratified by the Board of Directors. Individual bonuses of employees participating in the Annual Incentive Plan are determined by ANB's executive officers with the approval of the Chief Executive Officer. The Compensation Committee specifically reviews and approves each annual bonus paid to the executive officers participating in the Annual Incentive Plan (the "AIP"), including the Chief Executive Officer.

Each of the executive participants is assigned a target bonus percentage expressed as a percentage of each participant's salary. The target bonus percentages were set at amounts ranging from 27.5% to 75% for 2004 by the Compensation Committee. The target bonus percentage is established by determining the desired total incentive compensation component for the particular employee and by reviewing the practices of certain peer banks as reflected in available surveys. Bonus payments under the AIP, when made, may range from 33% to 200% of the target amount. Other than the Chief Executive Officer, an individual's AIP bonus is based upon a combination of ANB's performance, departmental performance and the individual's performance. The AIP bonus of the Chief Executive Officer is based on ANB's performance according to a range fixed for the year by the Compensation Committee relating to certain earnings per share goals, subject to adjustment by the Compensation Committee. The AIP bonus relating to 2004 for Mr. Holcomb was determined based on ANB earnings per share during 2004. Under the terms set by the Compensation Committee, Mr. Holcomb would earn a target AIP bonus award of 75% of salary if the Company's 2004 earnings per share (diluted) were \$3.48. A maximum bonus, 200% of target or 150% of 2004 base salary, would be paid if the Company's earnings per share (diluted) were \$3.56 or higher. A threshold bonus, 33% of target or 25% of Mr. Holcomb's base salary, would be paid if the Company's earnings per share (diluted) were \$3.33, and no bonus would be paid if the Company's earnings per share (diluted) were below \$3.33. The Company's 2004 earnings per share (diluted) of \$3.39 exceeded the threshold, but was less than the target. Based on his performance Mr. Holcomb received an AIP Bonus of \$183,600, representing 60% of the target bonus.

**Performance Share Plan.** The Performance Share Plan is administered by the Compensation Committee and was established to promote the long-term success of ANB and its subsidiaries. The Performance Share Plan is a key component of executive compensation, and is designed to attract individuals of outstanding ability and to encourage key employees to acquire a proprietary interest in ANB, to continue employment with ANB and to render superior performance during such employment. ANB develops its performance share award amounts under the Performance Share Plan by reviewing the long-term incentive opportunities provided to executives in similar positions at peer banks and determining the desired total long-term compensation component of the particular employee's compensation package.

## **Table of Contents**

The Performance Share Plan enables the Compensation Committee to select, at its discretion, executive officers to receive incentive compensation awards under the plan. Each award granted generally represents one share of ANB common stock. At the time the Compensation Committee grants incentive compensation awards (also referred to as performance share awards) under the Performance Share Plan, the Compensation Committee is required to fix an award period not to exceed five calendar years. Award grants are ratified by the Board of Directors. If, at the close of any award period applicable to a performance share award, the Compensation Committee determines that the participant has met the conditions for payment of the award, then, unless otherwise directed by the Compensation Committee, the award will be paid to the participant as promptly as possible. A more detailed discussion of the Performance Share Plan is found beginning on page 25 of this proxy statement under Proposal 3 Description of Performance Share Plan.

The performance share awards made under Performance Share Plan relating to 2004 were determined by calculating the desired total long-term compensation component of the particular employee's compensation package and by comparison of this long-term component to long-term awards made at a peer group of comparable banks and bank holding companies. Award grants relating to the four year period beginning on January 1, 2004 were made to executive officers using performance criteria based on return on average equity in comparison to a peer group of banks and bank holding companies. Target awards were established based on this criteria, and maximum awards were set at 170% of the target award. The maximum award for the 2004 award grant can be achieved if ANB ranks in the top 10% of its peer group during the award period in terms of return on average equity. Mr. Holcomb was granted a performance share award in 2004 based on a target of 6,000 shares and return on average equity benchmarks established by the Compensation Committee in conformance with overall compensation criteria for Mr. Holcomb. For the 2005 award grants, the Compensation Committee changed the performance criteria to the compounded annual growth rate of the annual earnings per share of the Company during the four-year award period.

### **Limits to Tax Deductibility of Executive Compensation.**

Under Section 162(m) of the Internal Revenue Code, the Company may not take tax deductions for amounts greater than \$1 million that are paid annually to an executive whose pay must be disclosed separately in the Company's proxy statement, unless the payments are made under qualifying performance-based compensation plans which meet certain specific requirements. The Company's executive compensation plans have been designed to comply with these specific requirements.

### **Summary**

The Committee believes that the caliber and motivation of our employees, and their leadership, are critical to our success in a competitive marketplace. Effective and motivational compensation programs are essential ingredients to success. The Committee believes that our compensation programs are effective in serving us and our shareholders in the short and long term.

**CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**

**Relationship between First American Bank and Woodward Properties**

First American Bank's main office is occupied under a lease with an affiliated party, Woodward Properties, of which (i) Mr. Ruffner Page, as Custodian of the three minor children of Mr. Phillip McWane, (ii) Mr. Phillip McWane, (iii) Mr. John McMahon and (iv) a family partnership, of which Mr. McMahon has beneficial ownership, are partners. This office lease originated in 1984. NBC (now First American Bank) has leased 84,617 square feet at an annual rental rate of \$16.25 per square foot through the year 2020, subject to adjustment based on the Consumer Price Index. ANB believes this lease represents an arms-length rate and terms for comparable space in the Birmingham market.

**Relationships between ANB and its Directors and Executive Officers**

ANB and its subsidiary banks (the Banks) have and expect to continue to have banking and other transactions in the ordinary course of business with directors and executive officers of ANB and their affiliates, including members of their families or corporations, partnerships or other organizations in which such directors or executive officers have a controlling interest, on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with unrelated parties. Such transactions are not expected to involve more than the normal risk of collectibility nor present other unfavorable features to ANB and the Banks. Each of the Banks is subject to limits on the aggregate amount it can lend to the Banks and ANB's directors and officers as a group. This limit is generally equal to the applicable entity's unimpaired capital and surplus. Loans to individual directors and officers must also comply with the Bank's lending policies and statutory lending limits, and directors with a personal interest in any loan application are excluded from the consideration of such loan application.

**REPORT OF THE AUDIT COMMITTEE**

The Audit Committee of the Board of Directors is composed of five directors who are independent directors as defined under applicable Nasdaq listing standards and SEC rules currently in effect. The Audit Committee operates under a written charter amended and restated by the Board of Directors on February 16, 2005, a copy of which is attached hereto as Appendix A.

The Audit Committee hereby submits the following report:

We have reviewed and discussed with management ANB's audited financial statements as of, and for, the year ended December 31, 2004.

We have discussed with the independent auditors, PricewaterhouseCoopers LLP, the matters required to be discussed by Statement on Auditing Standard No. 61, *Communication with Audit Committees*, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

We have received and reviewed the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, as amended by the Independence Standards Board, and have discussed with the auditors the auditors' independence. We considered whether the provision of non-financial audit services was compatible with PricewaterhouseCoopers LLP's independence in performing financial audit services.

Based on the reviews and discussions referred to above, we recommend to the Board of Directors that the financial statements referred to above be included in ANB's Annual Report on Form 10-K for the year ended December 31, 2004. It should be noted that management is responsible for the Company's financial reporting process including its system of internal control, and of the preparation of consolidated financial statements in accordance with generally accepted accounting principles. The Company's independent auditors are responsible for auditing those financial statements. Our responsibility is to monitor and review these processes. It is not our duty or our responsibility to conduct auditing or accounting reviews or procedures.

**PROPOSAL 2**

**APPROVAL OF INCREASE TO THE NUMBER OF AUTHORIZED  
SHARES OF COMMON STOCK**

The Board of Directors has approved and recommends to the stockholders that they consider and approve the proposed amendment of the Company's Restated Certificate of Incorporation to increase the number of authorized shares from 27,600,000 to 50,100,000, of which 50,000,000 shares will be Common Stock, and 100,000 shares will be preferred stock, \$1.00 par value ( Preferred Stock ). The form of the proposed amendment is attached to this proxy statement as Appendix B. The effect of the proposed amendment is to increase the authorized shares of Common Stock from 27,500,000 to 50,000,000. If the proposed amendment is approved by the stockholders, paragraph A of Article FOURTH of ANB's Restated Certificate of Incorporation would read in its entirety as follows:

A. The total number of shares of stock which the Corporation shall have authority to issue is fifty million one hundred thousand (50,100,000), consisting of fifty million (50,000,000) shares of common stock, par value \$1.00 per share ( Common Stock ), and 100,000 shares of preferred stock, par value \$1.00 per share ( Preferred Stock ).

Pursuant to Delaware corporate law, the Board of Directors is authorized to issue from time to time any and all authorized and unissued shares of Common Stock for any proper corporate purpose without prior stockholder approval, except as may be required for a particular transaction by such law, ANB's Restated Certificate of Incorporation, or by the rules of the NASDAQ Stock Market, or any other stock exchange on which ANB's securities may then be listed.

As of March 15, 2005, there were 17,013,628 shares of Common Stock outstanding. An aggregate of 1,219,405 shares of Common Stock are reserved for issuance upon exercise of options and awards granted or to be granted under ANB's employee benefit plans.

The Board of Directors believes that the proposed increase in the number of authorized shares of Common Stock is in the best interests of ANB and its stockholders. The proposed increase in the number of authorized shares of Common Stock will give ANB greater flexibility by allowing shares of Common Stock to be issued by the Board of Directors without the delay and expense of a special meeting of stockholders to increase the number of authorized shares. The Board of Directors may deem it appropriate to issue Common Stock in order to facilitate possible future mergers or acquisitions, to raise capital, in connection with potential future stock dividends or stock splits, or other corporate purposes. The current amount of authorized but unissued shares of Common Stock could limit the timing of any such future transaction, if ANB were required to hold a special meeting of its stockholders to facilitate the issuance of additional shares of Common Stock in such transactions.

Stockholders do not now have preemptive rights to subscribe for or purchase additional shares of Common Stock and the stockholders will have no preemptive rights to subscribe for or purchase any of the additional shares authorized by the proposed amendment.

*Possible Effects of the Proposal - Anti-Takeover Considerations.* If the proposed amendment is adopted, the authority of the Board of Directors to issue the newly authorized but unissued shares of Common Stock might be considered as having the effect of discouraging an attempt by another person or entity to effect a takeover or otherwise gain control of ANB, because the issuance of additional shares of Common Stock would dilute the voting power of the Common Stock then outstanding.

## Edgar Filing: ALABAMA NATIONAL BANCORPORATION - Form PRE 14A

ANB is presently authorized to issue 100,000 shares of Preferred Stock, \$1.00 par value per share. No shares of the Preferred Stock have been issued, and ANB has no present intention to issue any such shares. The Board of Directors has the authority, without action by the stockholders, to create one or more series of Preferred Stock and determine the number of shares, designation, price, sinking fund terms, conversion, and voting rights with respect to any such series. The issuance of any such series of Preferred Stock could be used to render more difficult an unfriendly tender offer, proxy contest, merger, or other change in control of ANB.

**Table of Contents**

The authority of the Board of Directors to issue additional shares of Common Stock or shares of Preferred Stock could be used by the Board of Directors in a manner calculated to prevent the removal of management and make more difficult or discourage a change in control of ANB.

ANB is not aware of any efforts to accumulate ANB's securities or to obtain control of ANB, and ANB has no present intention or agreement to issue any additional shares of Common Stock other than shares which may be issued from time to time pursuant to employee benefit plans and outstanding options.

*Required Vote.* An affirmative vote by the holders of a majority of the outstanding shares of Common Stock entitled to vote at the Annual Meeting is required to adopt the proposal to increase the number of authorized shares of capital stock. As a result, any shares not voted (whether by abstention, broker non-vote or otherwise) will have the same effect as a vote against the proposal.

**PROPOSAL 3**

**APPROVAL OF THE THIRD AMENDMENT AND RESTATEMENT**

**OF THE ALABAMA NATIONAL BANCORPORATION**

**PERFORMANCE SHARE PLAN**

On May 16, 1996, the stockholders of the Company approved the Alabama National Bancorporation Performance Share Plan (as previously amended, the Performance Share Plan). The Board of Directors has recently approved, and is seeking approval by the stockholders, of the Third Amendment and Restatement of the Performance Share Plan, the form of which is attached as Appendix C hereto (the Amended Performance Share Plan). The Board of Directors has approved amendments to the Performance Share Plan, subject to the approval of the Company's stockholders, to: (1) extend the final performance share award date from December 31, 2005 to December 31, 2015, (2) increase the total performance shares that may be awarded under the Performance Share Plan from 400,000 to 800,000 and (3) provide limited discretion for award criteria to be revised during the award period where special or non-recurring circumstances exist. The purpose of the Performance Share Plan is to further the long-term growth in profitability of the Company by offering long-term incentives in addition to current compensation to key employees of the Company who will be largely responsible for such growth.

The Performance Share Plan authorizes the award of performance shares to a select group of executive officers and key employees which will vest based on the attainment of certain preestablished levels of performance with respect to certain objective measurements of performance set forth in the Performance Share Plan. The Board of Directors has approved certain changes to the Performance Share Plan, subject to the approval of stockholders, including the extension of the plan to December 31, 2015, and increasing total performance shares that may be awarded from 400,000 to 800,000. There are currently 86,083 performance shares available for future award under the plan. These amendments permit the continued use of the Performance Share Plan to provide long-term incentives to key employees of the Company.

The Board has also approved an amendment to the plan to allow for revision of the award criteria in certain special or non-recurring situations or circumstances prior to the end of an award period. There are certain circumstances where the original award criteria are no longer a key indicator of the long-term success of the Company, and this discretion will provide the Company the opportunity to have flexibility in these situations. The Company has historically used return on average equity based criteria as compared to a peer group of banks and bank holding companies for awards made to executive officers under the plan. The Board of Directors is evaluating whether this remains an appropriate measure since the Company's financial goals are now more focused on long-term annual earnings per share growth. Management has been successful in expanding the Company into high growth markets in Florida and greater Atlanta over the past several years. With purchase accounting treatment, such acquisitions are typically dilutive to return on average equity. However, the Board believes such acquisitions have been accretive to shareowner value. The Board believes the maximization of shareowner value is most dependent upon the compound annual growth rate of the Company's earnings per share, and that such a factor is therefore a better measure of management's success and a better award criteria. Award grants in 2005 to executive officers were based on net income per share growth criteria.

The following summary of the Amended Performance Share Plan is qualified in its entirety by reference to the complete text of the Performance Share Plan, which is attached hereto as Appendix C. The existence of the Amended Performance Share Plan shall not preclude the Company from making any additional payments outside the Amended Performance Share Plan to participants therein or to other employees.

*Required Vote.* In order to be adopted, this proposal must receive the affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy and entitled to be voted at the Annual Meeting. Unless instructed to the contrary, shares represented by proxies will be voted to approve the Amended Performance Share Plan.

Edgar Filing: ALABAMA NATIONAL BANCORPORATION - Form PRE 14A

On March 15, 2005, the closing price of the Company's Common Stock on the NASDAQ National Market System was \$61.57 per share.

## **Table of Contents**

### **Description of Performance Share Plan**

*Eligibility.* The Performance Share Plan authorizes a committee (the Committee) to make awards of performance shares representing shares of the Company's Common Stock (the Performance Shares) to officers and other key employees of the Company and its subsidiaries, including all of the Company's Named Executive Officers. The number of eligible participants in the Performance Share Plan will vary from year to year at the discretion of the Committee. During 2004, 40 employees (including all of the Company's Named Executive Officers) were eligible to receive awards under the Performance Share Plan and it is expected that approximately 55 employees will be eligible for awards under the Performance Share Plan in 2005.

*Administration.* The Performance Share Plan is administered by a Committee designated by the Board of Directors which must be composed of at least three directors of the Company. The Compensation Committee currently serves as the Committee. The Committee has the authority to determine (i) which eligible employees will be participants, (ii) the performance objectives with respect to any awards made, (iii) the terms and conditions of all awards made, and (iv) the amount of compensation that may be payable to any participant upon the attainment of the applicable performance objectives.

*Performance Criteria.* The Committee will award a number of Performance Shares with respect to a period of more than one year (the Performance Period) and pursuant to performance objectives (the Performance Objectives) it shall establish. The Performance Objectives may be based upon any of the following areas: (i) net income per share, (ii) return on average equity, and (iii) other reasonable bases. The Performance Objectives selected by the Committee for each Performance Period will be established prior to the beginning of such Performance Period (or at such later time as may be permitted under Section 162(m) of the Code). A determination of whether the applicable Performance Objectives have been attained, in whole or in part, will be made by the Committee following the end of the relevant Performance Period. In connection with its determination as to payment of Performance Shares, the Committee has limited discretion to adjust or (subject to stockholder approval of the Amended Performance Share Plan) to revise the Performance Objectives to recognize special situations or circumstances for the Company.

*Payment.* If the Committee determines that the Performance Objectives for a Performance Period have been attained, a participant will be entitled to receive, as soon as practicable after such determination has been made, a payment equal to the value of one share of the Company's Common Stock for each Performance Share earned with respect to such Performance Period. The Performance Share Plan provides that payment of awards shall, unless otherwise directed by the Committee, be made partly in shares of Common Stock and partly in cash, with the cash portion being approximately equal to the Federal, state and local taxes required to be withheld as a result of such award. If the Amended Performance Share Plan is approved by stockholders, the maximum number of Performance Shares which may be earned under the Performance Share Plan will increase from 400,000 to 800,000. This maximum number is subject to adjustment to reflect a change in the Company's Common Stock. No participant may earn more than 25% of the Performance Shares available under the Performance Share Plan.

*Termination of Employment.* If a participant's employment is terminated by death, disability or by retirement on or after normal retirement age or prior to normal retirement age at the request of the Company, after any Performance Shares have been awarded, such participant will receive a pro-rata payment with respect to any outstanding Performance Shares based on the period of employment during the applicable Performance Period and determined by reference to the performance achieved as of the end of the fiscal year immediately preceding the termination date. If a participant's employment is terminated by reason of (i) retirement prior to normal retirement age at the request of the participant and approved in writing by the Company, (ii) the divestiture of a business segment or a significant portion of the assets of the Company, or (iii) a significant reduction by the Company in its work force, the determination of whether any payment with respect to any unvested portion of an award shall be at the discretion of the Committee. If a participant's employment is terminated for any other reason, any unvested portion of a participant's Performance Share award will be forfeited.

Edgar Filing: ALABAMA NATIONAL BANCORPORATION - Form PRE 14A

*Amendment and Termination.* The Board of Directors of the Company may amend, suspend or terminate the Performance Share Plan at any time. However, no amendment may, without stockholder approval, (i) increase

## **Table of Contents**

the total number of Performance Shares which may be awarded under the Performance Share Plan or (ii) change the definition of Performance Share under the Performance Share Plan. If the Amended Performance Share Plan is approved by stockholders, awards may be made to participants under the plan through December 31, 2015. Currently, the final date for awards is December 31, 2005.

*Plan Termination.* In the event the Board of Directors terminates the Performance Share Plan, such termination shall not adversely affect any right or obligation with respect to a Performance Share Award theretofore made.

*Change in Control.* In the event of a Change in Control (as defined in the Performance Share Plan), the Performance Share Plan will automatically terminate and each participant shall be deemed to have earned Performance Shares with respect to all outstanding awards based upon performance as of the December 31<sup>st</sup> preceding the date of such Change in Control, except that, in no event shall the number of Performance Shares earned be less than the aggregate number of Performance Shares at the target performance level with respect to all such outstanding awards. Each Performance Share so earned shall be canceled in exchange for a payment in cash of an amount equal to the greater of the value of the Common Stock immediately preceding such Change in Control or the value as determined in connection with such Change in Control. In addition, each of the Named Executive Officers has entered into Employment Continuation Agreements with the Company which could impact the amount of Performance Share Award payments upon a Change in Control. See **Employment Continuation Agreements**.

*Deferral of Payments of Performance Shares.* Each participant who is a management or highly compensated employee and who is entitled to participate in the Alabama National BanCorporation Deferral of Compensation Plan for Key Employees may elect to defer payment of any Performance Share payment in accordance with this deferral plan.

## **Federal Income Tax Consequences**

The following is a brief summary of the significant aspects of current Federal income tax treatment of the Performance Share Awards that may be granted under the Performance Share Plan. This summary does not cover the tax effect, if any, of any state or local tax laws or any foreign tax laws.

Payments made under the Performance Share Plan will be taxable to the recipients thereof when paid, and the Company or the subsidiary of the Company which employs or employed the recipient will generally be entitled to a Federal income tax deduction in the calendar year for which the amount is paid. To the extent that payment is made in the form of Common Stock, the amount of taxable income to the participant and the deduction to the Company will be equal to the fair market value of the Common Stock on the date of payment.

The Performance Share Plan has been designed for certain awards to qualify for favorable treatment under Section 162(m) of the Code. Under Section 162(m) of the Code, no deduction is allowed in any taxable year of the Company for compensation in excess of \$1 million paid to each of its Chief Executive Officer and its four most highly paid other executive officers who are serving in such capacities as of the last day of such taxable year. An exception to this rule applies to certain performance-based compensation that is paid pursuant to a plan or program approved by the Company's Stockholders and that specifies the performance objectives to be obtained, the class of employees eligible to receive awards and the maximum amount that can be paid to eligible employees under such plan or program. To qualify for the exception available for performance-based compensation, Stockholders must approve the performance objectives to which such awards relate.

**Table of Contents****New Plan Benefits Table**

Because payment of any award will be contingent on the attainment of Performance Objectives established for such Performance Period by the Committee, the amounts payable to eligible participants under the Performance Share Plan for any calendar year during which the Performance Share Plan is in effect cannot be determined until the award period with respect to the award has been completed. The table set forth below illustrates the amounts of award payouts for 2004 under the Performance Share Plan to each of the individuals, to the executive officers as a group and to the non-executive officer employees as a group. Non-employee directors do not participate in the Performance Share Plan.

### **Pre-Approval Policies and Procedures**

During 2004 the Audit Committee of the Board of Directors set updated policies and procedures for the pre-approval of audit and permissible non-audit services performed by the independent auditor. Any proposed services exceeding pre-approved cost levels will require specific pre-approval by the Audit Committee. During 2004, all fees other than audit fees were pre-approved by the Audit Committee under these pre-approval policies and procedures. **AUDIT COMMITTEE CHARTER**

**Amended and Restated on February 16, 2005**

**I. PURPOSE.**

A. The primary purpose of the Audit Committee (the "Committee") is to assist the Board of Directors (the "Board") of Alabama National Bancorporation (the "Company") in fulfilling its oversight responsibilities with respect to: the financial reports and other financial information provided by the Company to its stockholders and others; the Company's financial policies and procedures and disclosure controls and procedures; the Company's system of internal controls; and the Company's auditing, accounting and financial reporting processes.

B. In carrying out this function, the Committee shall serve as an independent and objective party to oversee the Company's financial reporting process and internal control system; review and evaluate the qualifications and independence of the Company's independent accountants; approve all audit and permissible non-audit services provided by the Company's independent accountants; review and evaluate the audit efforts of the Company's independent accountants and the Internal Auditor; and provide open communication among the independent accountants, financial and senior management, legal counsel, the Internal Auditor and the Board.

All members of the Committee shall be able to read and understand fundamental financial statements, including a company's balance sheet, income statement and cash flow statement, or meet such other standard required by applicable law (including SEC and NASDAQ rules). At least one member of the Committee shall be a financial expert as defined by SEC rules.

B. The members of the Committee shall be elected by the Board at the annual meeting of the Board or until their successors shall be duly elected and qualified. Unless a Chair is elected by the full Board, the members of the Committee may designate a Chair by majority vote of the full Committee membership.

**III. MEETINGS.**

The Committee shall meet at least four times annually, or more frequently as circumstances dictate. As part of its job to foster open communication, the Committee should meet at least annually with management, the director of the internal auditing department (if any) and the independent accountants in separate executive sessions to discuss any matters that the Committee or each of these groups believe should be discussed privately.

#### **IV. KEY RESPONSIBILITIES.**

A. The Committee's job is one of oversight and it recognizes (i) that the Company's management is responsible for preparing the Company's financial statements and (ii) that the outside auditors are responsible for auditing those financial statements. Additionally, the Committee recognizes that financial management including the internal audit staff, as well as the outside auditors, have more time, knowledge and more detailed information on the Company than do Committee members; consequently, in carrying out its oversight responsibilities, the Committee is not providing any expert or special assurance as to the Company's financial statements or any professional certification as to the outside auditor's work.

17. Submit the minutes of all meetings of the Committee to, or discuss substantive matters discussed at each Committee meeting with, the board of directors.

18. Investigate any matter brought to its attention within the scope of its duties, with the power to retain outside counsel for this purpose if, in its judgment, that is appropriate.

19. At the time of grant of each Award, the Committee shall decide whether there will be an Interim Period or Periods. If the Committee determines that there shall be one or more Interim Periods for the Award to any Participant, each such Participant granted an Award with an Interim Period shall be entitled to partial payment on account thereof as of the close of the particular Interim Period, but only if and after the Committee has determined that the conditions for partial payment of the Award set by the Committee have been satisfied. Performance Shares paid to a Participant for an Interim Period may be retained by the Participant and shall not be repaid to the Company, notwithstanding that based on the conditions set for payment at the end of the Award Period such Participant would not have been entitled to payment of some or any of his Award. Any Performance Shares paid to a Participant for an Interim Period during an Award Period shall be deducted from the Performance Shares to which such Participant is entitled at the end of the Award Period.

Unless otherwise directed by the Committee, payment of Awards shall be made as promptly as possible by the Company after the determination by the Committee that payment has been earned. Unless otherwise directed by the Committee, all payments of Awards to Participants shall be made partly in shares of Common Stock and partly in cash, with the cash portion being approximately equal to the amount of federal, state and local taxes which the Participant's employer is required to withhold on account of said payment. The Committee, in its discretion, may provide for payment of cash and distribution of shares of Common Stock in such other proportions as the Committee deems appropriate, except and provided that the Committee must pay in cash an amount equal to the federal, state and local taxes which the Participant's employer is required to withhold on account of said payment. There shall be deducted from the cash portion of all Awards all taxes to be withheld with respect to such Awards.

For payment of each Award, the number of shares of Common Stock to be distributed to Participants shall equal the Fair Market Value of the total Performance Shares determined by the Committee to have been earned by the Participant, less the portion of the Award that was paid in cash, divided by the Fair Market Value of a Performance Share. To the extent that shares of Common Stock are available in the treasury of the Company on the date payment is to be made, such shares may be issued in payment of Awards.

(b) Each Participant who is a management or highly compensated employee and who is entitled to participate in the Alabama National Bancorporation Deferral of Compensation Plan for Key Employees may elect to defer payment of any Award in accordance with said plan.

**7. Death or Disability.** If, prior to the close of an Award Period, a Participant's employment terminates by reason of his death or by his total and permanent disability (as determined under the Company's Pension Plan), payment of his outstanding Award or Awards shall be made as promptly as possible after death or the date of the determination of total and permanent disability, and the number of Performance Shares to be paid shall be computed as follows: First, determine (based on the conditions set by the Committee for payment of Awards for the subject Award Period) the number of Performance Shares that would have been paid if each subject Award Period had ended on the December 31st immediately preceding the date of death or the date of determination of total and permanent disability. Then, multiply each above-determined number by a fraction, the numerator of which is the number of months during the subject Award Period that the Participant was an active Employee, and the denominator of which is the number of months in the Award Period. This product shall be reduced by any Performance Shares for which payment has been made with respect to any Interim Period during each Award Period. In this instance, the Fair Market Value of the Common Stock shall be based on the twenty (20) days immediately preceding the date of death or the date of the determination of total and permanent disability.

**8. Retirement Prior to Close of an Award Period.** If, prior to the close of an Award Period, a Participant's employment terminates by reason of his retirement on or after his normal retirement date (as determined under the Company's Pension Plan) or prior to his normal retirement date if such retirement was at the request of his employer, payment of the Participant's outstanding Award or Awards will be made as promptly as possible after such retirement and such payment shall be computed in the same manner as in Section 7, using the effective date of retirement in place of the date of death or determination of total and permanent disability.

**9. Termination Under Certain Circumstances.** If, prior to the close of an Award Period, a Participant's employment terminates by reason of (i) his retirement prior to his normal retirement date (as determined under the Company's Pension Plan) and such retirement was at the request of the Participant and approved in writing by his employer, (ii) the divestiture by the Company of one or more of its business segments or a significant portion of the assets of a business segment, or (iii) a significant reduction by the Company in its salaried work force, the determination of whether such Participant shall receive payment of his outstanding Award or Awards shall be within the exclusive discretion of the Committee. Payment, if any, of his Award or Awards to such Participant shall be made as of the close of each such Award Period by multiplying the amount of payment otherwise due under the Award at that date had the Participant remained employed through such date by a fraction, the numerator of which is the number of months during the subject Award Period that the Participant was an active Employee and the denominator of which is the number of months in the Award Period.

**10. Voluntary Termination or Discharge.** If, prior to the close of an Award Period, a Participant's status as an Employee terminates and there is no payment due under the terms of Sections 7, 8, 9, or 20, all of such Participant's outstanding Performance Shares shall forthwith and automatically be canceled and all rights of the former holder of such canceled Performance Shares in respect to such canceled Performance Shares shall forthwith terminate.

**11. Limitation on Awards and Payments.** The maximum number of Performance Shares which may be awarded under the Plan shall not exceed an aggregate of 800,000 (except as adjusted in accordance with Section 18); provided, however, that since January 1, 1996 for the term of the Plan, payments of Awards shall involve no more than 800,000 shares of Common Stock (similarly adjusted in accordance with Section 18). If any Performance Shares awarded under the Plan are not paid because of death, total and permanent disability, retirement, voluntary termination, discharge or cancellation or because they lapse when conditions to their payment are not met, they shall thereupon become available again for award under the Plan.

12. **Term of Plan.** This Plan was originally effective January 1, 1996 as it was approved by the stockholders of the Company at the Annual Meeting of Stockholders held on June 6, 1996, and has been subsequently

amended. This Third Amendment and Restatement of the Plan shall be effective upon approval by the stockholders of the Company at the Annual Meeting of Stockholders held on May 4, 2005. The Board of Directors of the Company may terminate the Plan at any time. If not sooner terminated, the Plan will expire on the date on which all of the Performance Shares subject to award under the Plan have been paid, but no grant of Awards may be made after December 31, 2015. Termination or expiration shall not adversely affect any right or obligation with respect to an Award theretofore made.

**13. Cancellation of Performance Shares.** With the written consent of a Participant holding Performance Shares granted to him under the Plan, the Committee may cancel such Performance Shares. In the event of any such cancellation, all rights of the former holder of such canceled Performance Shares in respect to such canceled Performance Shares shall forthwith terminate; and in no such event may such Participant be granted another Award within twelve months thereafter.

**14. No Assignment of Interest.** The interest of any Participant in the Plan shall not be assignable, either by voluntary assignment or by operation of law, and any assignment of such interest, whether voluntary or by operation of law, shall render the Award void, except that cash or shares of Common Stock payable under the Plan shall be transferable by testamentary will or by the laws of descent and distribution. All shares of Common Stock paid pursuant to this Plan are to be taken subject to an investment representation by the Participant or other recipient that any such shares are acquired for investment and not with a view to distribution and that such shares shall not be transferred or sold until registered in compliance with the Securities Act of 1933 or unless an exemption therefrom is available in the opinion of the counsel for the Company.

**15. Designation of Beneficiary.** Each Participant may designate a beneficiary or beneficiaries (which beneficiary may be an entity other than a natural person) to receive any payments which may be made following the Participant's death. Such designation may be changed or canceled at any time without the consent of any such beneficiary. Any such designation, change or cancellation must be made in a form approved by the Compensation Committee and shall not be effective until received by the Compensation Committee. If no beneficiary has been named, or the designated beneficiary or beneficiaries shall have predeceased the Participant, the beneficiary shall be the Participant's spouse or, if no spouse survives the Participant, the Participant's estate. If a Participant designates more than one beneficiary, the rights of such beneficiaries shall be payable in equal shares, unless the Participant has designated otherwise.

**16. Employment Rights.** An Award made under the Plan shall not confer any right on the Participant to continue in the employ of the Company or any subsidiary or limit in any way the right of his employer to terminate his employment at any time.

**17. Expenses.** The expenses of administering the Plan shall be borne by the Company.

**18. Dilution, Recapitalization and Other Adjustments.** In case the Company shall at any time issue any shares of Common Stock (i) in a stock split or other increase of outstanding shares of Common Stock, by reclassification or otherwise, whereby the par value of shares is reduced, or (ii) in payment of a stock dividend, the number of Performance Shares which have been awarded but not paid, the maximum number of Performance Shares which may be awarded under the Plan, and the maximum number of shares of Common Stock which may be issued in payment of the Awards (see Section 11) shall be increased proportionately; and in like manner, in case of any combination of shares of Common Stock, by a reverse stock split, reclassification or otherwise, the number of Performance Shares which have been awarded but not paid, the maximum number of Performance Shares which may be awarded under the Plan, and the maximum number of shares of Common Stock which may be issued in payment of the Awards shall be reduced proportionately.

**19. Amendment and Termination of the Plan.** The Board of Directors of the Company may amend, suspend or terminate the Plan at any time; provided, however, that no amendment may, without stockholder approval, increase the total number of Performance Shares which may be

awarded or paid under the Plan or change the definition of Performance Share.

20. **Plan Termination.** The Board of Directors may terminate the Plan at any time in their discretion and in such event no Awards shall be made after the date of such Plan Termination. Payment of all Awards outstanding at the date of Plan Termination shall be made as promptly as possible after such date and payment of each such Award shall be computed in the same manner as in Section 7 using the effective date of Plan Termination in place of the date of death or the date of the determination of total and permanent disability, except that the Common Stock will be priced at Fair Market Value based on the twenty (20) trading days immediately preceding the date of Plan Termination.

21. **Change in Control.** In the event of a Change in Control, each Participant shall be deemed to have earned Performance Shares with respect to each of his or her Awards outstanding at the date of such Change in Control. The number of Performance Shares so earned shall be computed by determining (based on the conditions set by the Committee for payment of Awards for the subject Award Period) the number of Performance Shares that would have been paid if each subject Award Period had ended on the December 31st immediately preceding the Change of Control provided that in no event shall the number of Performance Shares earned be less than the aggregate number of Performance Shares at the target performance level (as identified in the applicable award letter) with respect to all such Awards. Thus, in the event of a Change in Control, the minimum Performance Shares to be awarded shall be equal to the aggregate number of Performance Shares that would have been awarded at the end of the Award Period(s) if the target performance level(s) applicable thereto had been met. Performance Share Awards granted in the year of the Change in Control shall be earned at the same percentage as Awards granted in the year preceding the year of the Change in Control. Each Performance Share so earned shall be canceled in exchange for an immediate payment in cash of an amount equal to the Change in Control Price.

For purposes of this Section 21, the following terms shall have the meanings ascribed thereto:

Change in Control means (i) acquisition by any person (within the meaning of Section 13(d) of the Securities Exchange Act of 1934 (the Exchange Act )) of beneficial ownership (within the meaning of Rule 13d-3 under the Exchange Act) of 20% or more of the Common Stock then outstanding; or (ii) the consummation of (A) any consolidation or merger of the Company in which the Company is not the continuing or surviving corporation or pursuant to which shares of the Common Stock are converted into cash, securities or other property, other than a merger of the Company in which the holders of Common Stock immediately prior to the merger have the same proportionate ownership of common stock of the surviving corporation immediately after the merger as they had in Common Stock immediately prior to the merger, or (B) any sale, lease, exchange or other transfer (in one transaction or a series of related transactions) of all, or substantially all, of the assets of the Company, including, without limitation, any sale, lease, exchange or other transfer (in one transaction or a series of related transactions) of all or substantially all, of the assets of the Company.

Change in Control Price means the greater of (x) the price per share of Common Stock immediately preceding any transaction resulting in a Change in Control or (y) the highest price per share of Common Stock offered in conjunction with any transaction resulting in a Change in Control (as determined in good faith by the Committee if any part of the offered price is payable other than in cash).
