Underwritten Public Offering of Senior Notes due 2019 and Senior Notes due 2024

On September 26, 2017, NetApp, Inc. (NetApp or the Company) entered into an underwriting agreement (the Underwriting Agreement) with J.P. Morgan Securities LLC and Morgan Stanley & Co. LLC, as representatives of the several underwriters named therein, to issue and sell \$400 million aggregate principal amount of 2.000% Senior Notes due 2019 (the 2019 Notes) and \$400 million aggregate principal amount of 3.300% Senior Notes due 2024 (the 2024 Notes and together with the 2019 Notes, the Notes) in a public offering (the Offering). The Offering was made pursuant to the Company s shelf registration statement on Form S-3 (File No. 333-208311) and a related prospectus filed with the Securities and Exchange Commission (the SEC) on December 2, 2015 and a prospectus supplement filed with the SEC on September 27, 2017. The Underwriting Agreement contains customary representations, warranties and agreements by NetApp, and customary closing conditions, indemnification rights and termination provisions.

The forgoing summary is qualified in its entirety by reference to the text of the Underwriting Agreement which is filed as Exhibit 1.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Supplemental Indenture Relating to Senior Notes due 2019 and Senior Notes due 2024

On September 29, 2017, NetApp entered into a Third Supplemental Indenture, relating to the issuance by the Company of the Notes (the Third Supplemental Indenture) which supplemented the Indenture, dated December 12, 2012 (the Base Indenture, and together with the Third Supplemental Indenture, the Indenture) with U.S. Bank National Association, as trustee, to establish the terms and form of the Notes. Interest is payable on the 2019 Notes semi-annually in arrears on March 27 and September 27 of each year, commencing March 27, 2018. Interest is payable on the 2024 Notes semi-annually in arrears on March 29 and September 29 of each year, commencing March 29, 2018. The 2019 Notes will mature on September 27, 2019, and the 2024 Notes will mature on September 29, 2024.

NetApp intends to use the net proceeds of the Notes for general corporate purposes, including repayment of \$750 million in aggregate principal amount of NetApp s outstanding 2.00% Senior Notes due 2017 (including accrued and unpaid interest and any make-whole payment thereon) on or prior to their maturity in December 2017. NetApp may also be required to offer to repurchase the Notes upon a change in control and a contemporaneous downgrade of the Notes below an investment grade rating, and it may elect to redeem the Notes in whole or in part at any time, as further specified in the Indenture.

The Indenture contains limited affirmative and negative covenants of NetApp. The negative covenants restrict the ability of NetApp and its subsidiaries to incur debt secured by liens on its principal property or on shares of stock or indebtedness of its subsidiaries that own principal property; to engage in certain sale and lease-back transactions with respect to any principal property; and to consolidate, merge or sell all or substantially all of its assets.

Events of default under the Indenture include a failure to make payments, non-compliance with affirmative and negative covenants, and the occurrence of bankruptcy and insolvency-related events. NetApp s obligations may be accelerated upon an event of default, in which case the entire principal amount of the Notes would become immediately due and payable.

The foregoing description of certain terms of the Indenture and the Notes does not purport to be complete and is qualified in its entirety by reference to the full text of the Base Indenture, which is filed as Exhibit 4.1 to the Current Report on Form 8-K filed on December 12, 2012 and is incorporated herein by reference, and the Third Supplemental Indenture, form of 2019 Note and form of 2024 Note, which are filed with this report as Exhibits 4.2, 4.3 and 4.4,

respectively, and are incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth under Item 1.01 above with respect to the Notes and the Second Supplemental Indenture is incorporated herein by reference.

Item 8.01. Other Events.

Wilson Sonsini Goodrich & Rosati, Professional Corporation, counsel to NetApp, has issued an opinion to NetApp dated September 29, 2017 regarding the legality of the Notes. A copy of the opinion is filed as Exhibit 5.1 hereto.
