MDU RESOURCES GROUP, INC.
401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of the Plan

The following description of the MDU Resources Group, Inc. 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General --

The Plan, formerly the MDU Resources Group, Inc. Tax Deferred Compensation Savings Plan, was initially adopted by the Board of Directors of MDU Resources Group, Inc. (the Company) on August 4, 1983, to be effective January 1, 1984. The Plan is a defined contribution plan. On January 1, 1999, the name was changed and the Plan was amended to reflect the merger of the MDU Resources Group, Inc. Tax Deferred Compensation Savings Plan for Collective Bargaining Unit Employees (the Bargaining Plan) into the Plan. Each participant in the Bargaining Plan automatically became a participant in the Plan. The merger and the transfer of assets were effectuated in accordance with Sections 401(a)(12), 411(d)(6) and 414(l) of the Internal Revenue Code of 1986, as amended (the Code) and the regulations thereunder.

The Company and any of its direct or indirect subsidiaries that

Edgar Filing: MDU RESOURCES GROUP INC - Form 11-K

choose to participate in the Plan are the Employers (the Employers). The fiscal year of the Plan is the calendar year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended.

The Board of Directors of the Company may, at any time, amend, modify or terminate the Plan, and the Boards of Directors of the Employers may, at any time, terminate participation in the Plan with respect to the respective Employer. Effective January 1, 2002, the Company may delegate to a committee the authority to amend or modify the Plan. The Board of Directors of the Company shall approve certain amendments as identified in the plan document.

The plan administrator is the committee of those individuals serving from time to time in the position of or related position of Chief Administrative Officer of the Company, Chief Financial Officer of the Company, Vice President - Human Resources of the Company, and four other individuals appointed by the Chief Executive Officer who are employed by the Company or an Affiliate of the Company. The recordkeeper and trustee of the Plan are New York Life Benefits Services LLC (the Recordkeeper) and New York Life Trust Company (the Trustee), respectively.

The Plan contains three parts: 1) The Deferred Savings feature, which allows an eligible employee to elect a pre-tax deferral of a portion of current compensation into a tax-free trust and allows Employers to provide for employer matching contributions based on the amount of the eligible employee's pre-tax deferral contribution, 2) The MDU Resources Group, Inc. Employee Stock Ownership Plan (ESOP) feature, which is the part of the Plan related to participation in the ESOP, and 3) The Profit Sharing/Special Contribution feature, which allows the Employers to make discretionary contributions to the individual accounts of eligible employees, based on attainment of pre-determined earnings levels, and nondiscretionary contributions based on compensation of eligible employees.

Deferred Savings

Eligibility --

Generally an employee may participate in the Plan upon hire if they are at least 18 years of age and a regular full-time or part-time employee.

Contributions --

The Plan allowed participants to elect pre-tax deferral contributions varying from one percent through 22 percent, in one percent increments, of eligible compensation for each pay period, up to a maximum pre-tax deferral contribution of \$10,500 for the 2001 Plan year. Effective January 1, 2002, the Plan was amended to increase the maximum employee contribution to 50 percent for a participant who is not a highly compensated employee and 22 percent if the participant is a highly compensated employee, up to a maximum pre-tax deferral contribution of \$11,000 for the 2002 Plan year. Effective January 1, 2002, the Plan was also amended to allow participants who are eligible to make pre-tax deferral contributions and will have attained age 50 before the close of the Plan year to make catch-up elective deferrals of up to \$1,000 for 2002. All participant contributions are credited

Edgar Filing: MDU RESOURCES GROUP INC - Form 11-K

to the participant's Savings Contribution account. In addition, the Plan accepts rollover contributions from other qualified retirement plans or an Individual Retirement Account that holds only assets distributed from a qualified plan. Such savings contributions on behalf of a participant are credited to the participant's Rollover Account.

An election is made by each participant to allocate contributions in one percent increments to any or all of the following twelve currently available investment options:

- MDU Resources Group, Inc. Common Stock
- New York Life Anchor Account - Stable Value Option
- Baron Asset Fund - Growth Mutual Fund
- Dodge & Cox Balanced Fund - Growth and Income Mutual Fund
- Eclipse Indexed Bond Fund - Income Mutual Fund
- Eclipse Indexed Equity Fund - Growth and Income Mutual Fund
- Eclipse Small Cap Value Fund - Growth Mutual Fund
- Janus Balanced Fund - Growth and Income Mutual Fund
- Janus Fund - Growth Mutual Fund
- Janus Overseas Fund - International Equity Mutual Fund
- RS Emerging Growth Fund - Growth Mutual Fund
- Templeton Foreign Fund - International Equity Mutual Fund

Prior to January 2, 2001, the Eclipse Indexed Bond Fund and the Eclipse Indexed Equity Fund were known as the MainStay Institutional Bond Fund and the MainStay Institutional Indexed Equity Fund, respectively.

Employer Contributions --

Each participant's Employer may elect to provide a matching contribution, equal to a percentage of such participant's monthly pre-tax deferral contributions up to a specified percent of the participant's compensation as provided under the Plan, which is credited to such participant's Matching Contribution Account. In addition, the participant's Employer may make an additional discretionary variable matching contribution to a participant's Matching Contribution Account based on the Employer's attainment of pre-determined earnings levels. All matching contributions are invested in common stock of the Company; however, effective February 15, 2001, matching contributions are initially invested in the common stock of the Company but can be transferred, at the participant's discretion, to other investment options.

The Employers remit all authorized contributions made by the participants to the Trustee to be held in trust and invested for the respective accounts of the participants, pursuant to the terms of a trust agreement effective January 1, 1998. Contributions for common stock, including the Employers' matching contributions, are used by the Trustee to purchase shares of MDU Resources Group, Inc. common stock directly on the open market. All such market purchases may be made at such prices as the Trustee may determine in its sole and absolute discretion. The Trustee may also purchase shares of authorized but unissued common stock directly from the Company if the Company chooses to issue new stock.

Vesting --

A participant's interest in a Savings Contribution Account, Rollover Account or a Matching Contribution Account is at all

Edgar Filing: MDU RESOURCES GROUP INC - Form 11-K

times fully vested and nonforfeitable. Participant accounts are valued on a daily basis.

Distributions and Withdrawals --

The amount credited to a participant's Savings Contribution Account, Rollover Account and Matching Contribution Account shall become payable to the participant or the participant's beneficiary/beneficiaries, as applicable, upon death, retirement, disability, or other termination of employment with the Employers. The distribution of such amounts will be in accordance with the Plan, based on the method of payment elected by the participant or designated beneficiary/beneficiaries. Effective April 1, 2002, the Plan was amended to allow only single sum distributions.

A participant may make in-service withdrawals (hardship or age 59 1/2) from such participant's Savings Contribution Account or Matching Contribution Account under certain conditions.

Participant Loans --

A participant may be eligible to obtain a loan from the Plan. The maximum amount available for a loan is the lesser of \$50,000 or one-half of the participant's vested account balance, subject to certain limitations. Loans must be repaid over specified periods through payroll deduction and bear interest at a commercially reasonable rate in effect at the time the loan is made, as determined by the plan administrator.

ESOP

Eligibility --

Participation in the ESOP feature of the Plan is limited to participants in the ESOP as of January 1, 1988 (1988 Effective Date) or the date as of which an ESOP Account is established under the Plan, whichever is later.

Contributions --

As of the 1988 Effective Date, ESOP Accounts have been suspended and no additional contributions shall be made by the Company or participants to such accounts, other than to reflect dividends or other earnings.

Vesting --

A participant's interest in an ESOP Account is at all times fully vested and nonforfeitable.

Distributions --

Distributions are consistent with the Deferred Savings feature previously mentioned, except for participant loans which are not available to ESOP Accounts.

Each participant with an ESOP Account, effective January 1, 2002, may diversify within the Plan their entire ESOP account balance. Prior to January 1, 2002, the participant had to have both attained age 55 and completed at least 10 years of participation in order to elect to have their ESOP account balance diversified

Edgar Filing: MDU RESOURCES GROUP INC - Form 11-K

within the Plan.

Profit Sharing/Special Contribution

Contributions --

Profit sharing contributions are made based on the discretion of the Board of Directors of the Company or Board of Directors of any of the Employers. Special Contributions are nondiscretionary contributions made to certain eligible employees equal to a certain percent of their eligible compensation. Participants may choose to invest profit sharing/special contribution contributions allocated to their individual accounts in any or all of the available investment options.

Vesting --

A participant's interest in a Profit Sharing/Special Contribution Account is 100 percent vested after completing three years of service.

Distributions and Withdrawals --

The vested portion of the Profit Sharing/Special Contribution Account is distributed in the same manner as the Deferred Savings feature previously mentioned.

Loans --

Loans may be made from the vested portion of the Profit Sharing/Special Contribution Account in the same manner as the Deferred Savings feature previously mentioned.

Forfeited Accounts --

At December 31, 2001, forfeited nonvested accounts totaled approximately \$58,000. These forfeited nonvested accounts will be used to reinstate the profit sharing contributions of any reemployed participants pursuant to the terms of the Plan, reduce the employer profit sharing contributions to the Plan or reduce administrative expenses incurred by the Plan.

2. Summary of Significant Accounting Policies

Basis of Accounting --

The financial statements of the Plan are maintained on an accrual basis.

Investment Valuation --

Investments held by the Plan are carried at fair value. Fair value for the New York Life Anchor Account and Eclipse Money Market, as described in Note 4, funds approximates cost. The Plan's other investment valuations are based on published market quotations. Participant loans are valued based upon remaining unpaid principal balance plus any accrued but unpaid interest.

Benefit Payments --

Distributions to Plan participants are recorded when paid.

Edgar Filing: MDU RESOURCES GROUP INC - Form 11-K

Contributions --

Employer and participant contributions are recorded by the Plan when received or determined to be receivable. Participant contributions are deposited with the Plan by the Employers through payroll reductions.

Administrative Expenses --

Administrative expenses of the Plan related to Trustee, recordkeeping, legal and audit fees are paid primarily by the Employers. Fees or commissions associated with each of the investment options other than MDU Resources Group, Inc. common stock are paid primarily by participants as a deduction from the amount invested or an offset to investment earnings and were approximately \$264,000 for the year ended December 31, 2001. Administrative expenses of the Plan related to MDU Resources Group, Inc. common stock commissions and loan fees were paid by the Plan and were approximately \$35,000 for the year ended December 31, 2001.

Use of Estimates --

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Other --

Securities transactions are recorded on a trade date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded as earned.

Transfers to participant-directed options	(2,665,688)	
Administrative expenses	(6,432)	
	\$(9,348,922)	

6. Federal Income Taxes

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated July 2, 1998, that the Plan and related trust are designed for qualification as exempt from federal income taxes in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the determination letter, the Company believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code.

On February 22, 2002, an application was made to the IRS for determination on the qualification of the Plan for those Plan amendments that have occurred since the prior determination letter. The Company believes that the Plan, as amended, continues to meet the requirements for tax qualification under the Code. The Company is awaiting the IRS decision.

7. Related-Party Transactions

The New York Life Anchor Account is managed by the New York Life Stable Value Group and the Eclipse Indexed Bond Fund, Eclipse

Edgar Filing: MDU RESOURCES GROUP INC - Form 11-K

Indexed Equity Fund, Eclipse Money Market Fund and the Eclipse Small Cap Value Fund are managed by New York Life Investment Management LLC, which are related parties to the Recordkeeper. These arrangements therefore qualify as party-in-interest transactions.

8. Prohibited Transactions

There were no non-exempt prohibited transactions with respect to the Plan during the plan year ending December 31, 2001.

9. Inability to Obtain Consent of Prior Independent Public Accountants

There may be risks and the participants' recovery may be limited as a result of the Plan's prior use of Arthur Andersen LLP as the Plan's independent public accounting firm. On June 15, 2002, Arthur Andersen LLP was convicted for obstruction of justice charges. Arthur Andersen LLP audited the Plan for the year ended December 31, 2000. On February 14, 2002, Arthur Andersen LLP was dismissed as the Plan's independent auditors and on March 25, 2002, Deloitte & Touche LLP was hired as the Plan's independent auditors for the 2002 fiscal year. In addition, on May 14, 2002, Deloitte & Touche LLP was hired as the Plan's independent auditors for the 2001 fiscal year. Because the former audit partner and manager have left Arthur Andersen LLP, the Plan was not able to obtain the written consent of Arthur Andersen LLP as required by Section 7 of the Securities Act of 1933 (the Securities Act). Accordingly, participants will not be able to sue Arthur Andersen LLP pursuant to Section 11(a)(4) of the Securities Act and therefore may have their recovery limited as a result of the lack of consent.

INDEPENDENT AUDITORS' REPORT

To MDU Resources Group, Inc.:

We have audited the accompanying statement of net assets available for benefits of MDU Resources Group, Inc. 401(k) Retirement Plan (the Plan) as of December 31, 2001, and the related statement of changes in net assets available for benefits for the year then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit. The statement of net assets available for benefits of the Plan for the year ended December 31, 2000 was audited by other auditors whose report, dated June 7, 2001, expressed an unqualified opinion on that statement.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, such 2001 financial statements present fairly, in

Edgar Filing: MDU RESOURCES GROUP INC - Form 11-K

all material respects, the net assets available for benefits of the Plan as of December 31, 2001, and the changes in net assets available for benefits for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule listed in the Contents is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This schedule is the responsibility of the Plan's management. Such schedule has been subjected to the auditing procedures applied in our audit of the basic 2001 financial statements and, in our opinion, is fairly stated in all material respects when considered in relation to the basic financial statements taken as a whole.

These financial statements and the schedule referred to below are the responsibility of the plan administrator. Our responsibility is to express an opinion on these financial statements and supplemental schedule based on our audits.
